SERIES-I IN-SIGHT® PERSONAL SEAT COVER

Dispenser made of durable plastic with a gray body and smoked transparent cover. Designed to hold and dispense 2 packs of tissue seat covers. Dispenser is designed to minimize run-out, waste, and maintenance time. Features hinged front cover, push button for easy open or common key lock to reduce pilferage, and a center-located heavy duty dispensing lever.

Dispensers shipped one per case.

Suggested Mounting Height: 49" to 54"

NOTE: Unless otherwise noted, suggested mounting height is the distance from the floor to the bottom of the dispenser.
