

Para Urinal Products

Urinal deodorizers for stubborn odors

These Para blocks (individually and in screens) last approximately 30 days and are activated so they won't dissolve in water. They come in several sizes and a strong cherry fragrance

Para Blocks

Effective

Can be placed alone in the urinal for deodorizing strong urine odors. They can also be used as refills in the screens.

Description	Item Code	Size
Cherry	3PB	3 oz.
Cherry no dye	4PB	4 oz.

Packaging

12 blocks/inner box
72 blocks/master case

Para Block & Screen

Protects drains

The screen prevents debris such as gum, chewing tobacco, and cigarette butts from clogging the drain. Each screen comes with a Para block that can be replaced once it has dissolved. The screen can also be private labeled with your logo*

Description	Item Code	Size
Cherry	4USPB	3 oz.
Cherry no dye	3USPB	4 oz.

Packaging

12 screens/inner box
72 screens/master case
