

ACME™ PROGRAM

Meet price point goals with the Acme program from Wooster. This selection of SKUs will supplement your Wooster-branded or private-label lines, as well as add more benefits than just price. All products are inspected for uniform quality, and labeled with accurate and scannable UPCs for smooth inventory management. Shipping is always on time, without overseas delays. Consolidate sources and take the guesswork out of your imported painting accessories.

The Simplified Alternative to Imports
