## A TRUSTED BRAND WITH A STRONG COMMERCIAL LEGACY

Since 1919, FIAT Products have been making their way into hotels, schools, offices, hospitals, and homes. As a leader in commercial, institutional, and residential markets, FIAT's decades of experience in the design, development, and manufacturing of plumbing products has led to an impressive array of durable high-quality products from terrazzo shower floors to mop service basins and laundry tubs.

## THE FIAT ADVANTAGE

The **most specified** brand in the industry

Made from **high quality** raw materials

**Leader** in quality, durability, and safety

Shower floors, mop service basins, and laundry tubs are **made in the USA**

**Reliable and dependable** customer and technical service teams

## MATERIAL DESCRIPTIONS

### TERRAZZO

There is not a finer and more durable material for mop basins and shower floors than precast terrazzo. FIAT's mop service basins, composed of black and white marble chips cast in grey Portland cement, and shower bases, composed of black and white marble chips cast in white Portland cement, have a minimum compression strength of 3,000 psi. They are also easy to maintain and install.

Used in FIAT Mop Service Basins and Shower Floors

### MOLDED-STONE® OR SHEET MOLDING COMPOUND (SMC)

Molded-Stone or SMC contains a calcium based material that while being low cost, provides weight, strength, and fire retarding properties. The SMC process permits the use of longer glass fibers, which are placed in a multiple overlap of individual strands to permit total impregnation and wetting-out of the fibers without any fiber degradation that can diminish the strength imparting properties. The more thorough bond of the glass fibers reduces the amount of fibers necessary for maximum strength resulting in both lower weight and a denser, smoother, void-free product.

Used in FIAT Mop Service Basins, Shower Floors and Laundry Tubs

### GELCOAT

Gelcoat material is made entirely out of fiberglass with a gelcoat surface finish. This gelcoat is a polyester resin on the surface of the fiberglass material. This type of material is affordable and can be repaired easily.

Used in FIAT Shower Floors

### POLYETHYLENE

Polyethylene is the most common and popular plastic used in daily life. This very versatile material is used in products from water bottles to laundry tubs. FIAT polyethylene laundry tubs are made from high density polyethylene material that is light weight and durable.

Used in FIAT Laundry Tubs

## MOP SERVICE BASINS

## MOP SERVICE BASINS

FIAT **mop service basins** set the industry standard for quality, durability, and reliability. With our line of terrazzo and Molded-Stone materials, and a comprehensive line of accessories, FIAT provides a complete package that is designed, engineered and backed by FIAT's commitment to be the best in mop service basins.

## WARRANTY

### AS AMERICA, INC. LIMITED ONE YEAR WARRANTY FOR PERSONAL RESIDENTIAL AND COMMERCIAL USE OF FIAT® PRODUCTS WARRANTY COVERAGE

AS America, Inc. ("American Standard") warrants FIAT® Products against defects in material and workmanship under both normal residential and commercial use for long as it is owned by the original purchaser for a period of one (1) year from the date of first purchase.

This warranty is provided for the exclusive benefit of the initial consumer purchaser or owner. This warranty is non-transferable to subsequent purchasers or owners. The sole exception to the non-transferability of this warranty is that if this product is purchased by a plumber, contractor or other service provider, this warranty extends to the first residential and commercial property owner on whose behalf the product was purchased for installation. This warranty applies only to FIAT® Products installed in the United States of America, Canada or Mexico.

If a defect arises and a valid claim is received, American Standard will, at its option, either (1) repair the product, (2) replace the product or any part therein with a FIAT product of equal or similar type and size, or (3) refund to the consumer the wholesale price of the product. If American Standard elects to refund the wholesale price to the consumer, American Standard shall have no further obligation to its wholesale customer, or any contractor with respect to such product. Goods proven to be defective will be replaced after proper inspection, but no claims for damages incurred or for work done thereon will be allowed. Replacements when supplied will be shipped at no cost to the consumer.

### EXCLUSIONS AND LIMITATIONS

1. This warranty only applies to products purchased through an authorized FIAT® Products dealer or re-seller.
2. This warranty does not apply to defects or damage caused by non-genuine FIAT parts, installation error, product abuse, product misuse, improper maintenance, improper care or cleaning, improper repair or installation, and/or movement or transfer of the product from its original installation location (whether performed by you, a plumber, a contractor or a service company). Because improper care and cleaning can cause significant damage to the product, it is strongly recommended that you follow the Care and Cleaning Instructions (as well as the other instructions) that accompanied the product.
3. American Standard is not responsible for labor charges and/or damage incurred during installation, repair or replacement.
4. American Standard does not warrant that this product and/or its installation complies with local code requirements. American Standard recommends that you consult with a plumbing contractor about local code requirements.

TO THE EXTENT PERMITTED BY LAW, THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, STATUTORY, EXPRESS OR IMPLIED. AMERICAN STANDARD HEREBY EXCLUDES SPECIAL, INCIDENTAL AND CONSEQUENTIAL DAMAGES FOR ANY BREACH OF ANY EXPRESS OR IMPLIED WARRANTY APPLICABLE TO THIS PRODUCT.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state (or province, as applicable).

### OBTAINING WARRANTY SERVICE

If you believe that you have a warranty claim, contact American Standard, either through an authorized AS America, Inc. dealer or re-seller, or by writing:

#### In the United States:
