

50 Ultra Concentrated Glass Cleaner (QC and LDS 2.0)

Page 1 of 2

CLASSIFICATION

Concentrated Glass Cleaner

PRODUCT DESCRIPTION

The information contained in this document only applies to the product packaged in the QC 1.3-liter (44 fl oz) and LDS 2.0 1.9-liter (64 fl oz) Ultra-Concentrated containers. Information regarding the Oasis 2.5-US gallon (9.46-liter) and Oasis Pro 2 X 2-liter (0.53-US gallon) container programs appear in a separate Product Specification Document (PSD).

50 Ultra Concentrated Glass Cleaner (QC and LDS 2.0) concentrate is formulated from plant-derived surfactants to effectively remove tough soils including smoke and grease films. The product leaves a streak-free surface, is fast-drying and performs well on windows, mirrors, glass, plastic, acrylics and painted surfaces.

This product is Green Seal® (GS-37) and USDA BioPreferred® certified. It will appeal to customers interested in "green" cleaning. *50 Ultra Concentrated Glass Cleaner (QC and LDS 2.0)* product is not a sanitizer or disinfectant. Its formulation does not contain ammonia.

USE

FOR INDUSTRIAL USE ONLY

KEEP FROM FREEZING**DO NOT MIX WITH ANYTHING BUT COLD TAP WATER****KEEP OUT OF REACH OF CHILDREN**

Precautions: Causes serious eye irritation. Improper use or dilution may cause adverse health effects and an impact on performance. Improper use or dilution may increase the risk of health effects and cause surface damage or staining. When handling the product concentrate, make sure of good general ventilation and wear safety glasses with side-shields. Read this product's Safety Data Sheet (SDS) before using.

DIRECTIONS FOR USE

For use/dilution with cold tap water. Use only the bottle/sprayer recommended for dispensing this product. With good ventilation, no personal protective equipment (PPE) is normally required when working with product use dilutions.

1. Fill spray bottle with solution.
2. Spray surface to be cleaned thoroughly. Allow a few minutes to work.
3. Wipe dry with a clean cloth, paper towels, wipers, or squeegee dry.
4. Polish with the clean side of the cloth or another clean cloth.
