

CUT-RESISTANT

THE ORIGINAL[®] E5

CUT-RESISTANT HAND PROTECTION

The Original[®] E5 protects working hands with EN 388: 2016 Level E and ANSI A5 cut resistance in the workplace. The palm and fingers are protected by an internal layer of high-tenacity Armortex[®] to prevent abrasions and lacerations when working with sharp tools and sharp materials. Reflective ink creates eye-catching luminance and fluoresecent TrekDry[®] helps keep working hands cool and comfortable. Top it off with a secure Thermoplastic Rubber (TPR) wrist closure and you have a critical cut resistant tool.

FIT

Breathable TrekDry[®] helps keep your hands cool and comfortable.

CUT RESISTANT

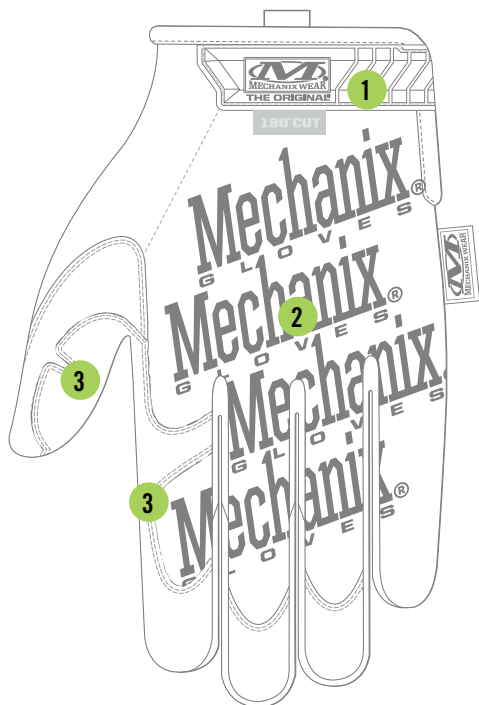

Internal layer of Armortex[®] protects working hands with EN 388: 2016 Level E and ANSI A5 cut resistance.
