## HIGH-VISIBILITY HAND PROTECTION

The Hi-Viz Original<sup>®</sup> glove is made using ANSI-107 compliant reflective and fluorescent materials to make you more conspicuous in hazardous working environments. High-visibility TrekDry<sup>®</sup> material helps keep your hands cool and comfortable, while hi-viz reflective print provides eye-catching luminance. Visible hands are safe hands so we used high-visibility AX-Suede<sup>™</sup> palm material for added visual awareness in hazardous environments.
