

Direct Mount Hanging Bracket

Quick, easy, and secure support for almost any equipment

- Rugged structural steel construction
- Engineered product to determine allowable weight loads
- No leveling of ground or waiting for final grade
- Available in type 304 stainless steel
- Tested for use in hurricane regions
- 2020 Florida Building Code, 7th Edition
- Certified for both Lateral and Uplift Wind Pressure

Direct Mount Hanging Bracket

DESCRIPTION

The Hurricane Air Brace is a direct-mount hanging bracket.

BASIC USE

To support condenser units, heat pumps, and other equipment. The Air Brace is particularly useful in residential or multi-family dwelling applications where flooding, snowfall, mud, and steep grades are a concern.

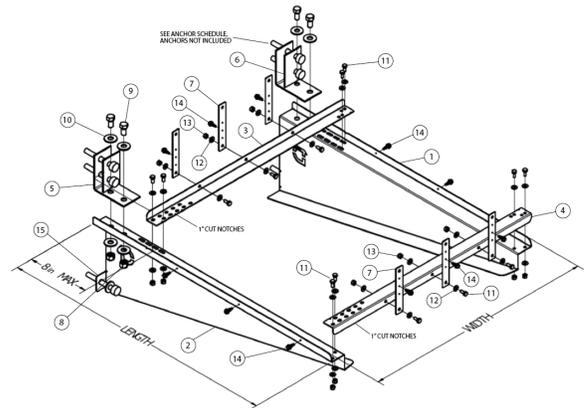

SPECIAL CHARACTERISTICS

- Reduced chance for air blockage
- Elevates air-handling units above mud, snow and moisture, making it more easily accessible
- No leveling or waiting for final grade
- No need for shovels, gravel, or block
- No cracking chipping, or decaying
- Individually packaged in a sturdy box
- Bracket supports are a true, square 90° angle
- Right and left brackets are rounded as an added safety feature
- 10 GA mounting brackets are laser cut for accurate spacing every time
- Use the 10 GA. washer plate provided for 45" and 55" only
- Includes 6 hurricane straps for added security (1" x 6" x 16 GA galvanized G90)
- Lightweight and transports easily
- Easy assembly
- No need for risers or stand-ups
- Saves on job completion time
- Designed and fabricated in accordance with the requirements of the Florida Building Code Seventh Edition (2020)
- Certified for both Lateral and Uplift Wind Pressure

LIMITED PRODUCT WARRANTY

Ductmate warrants that the Hurricane Air Brace direct-mount hanging bracket, when properly installed and maintained, will be free from defects in material and workmanship, and will comply with all written specifications made by Ductmate at the time of sale. Ductmate's warranty shall run for a period of one year from the date of manufacture.

Warranty Limitation

The warranty stated above is in lieu of all other warranties, express or implied, including but not limited to the implied warranties of MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Although Ductmate may have suggested the product, or provided written or oral advice to the Purchaser, it is the Purchaser's responsibility to test and determine the suitability of the Hurricane Air Brace direct-mount hanging bracket for the intended use and purpose, and Purchaser and/or its customer assumes all risk and liability whatsoever regarding such suitability.

Limitation of Liability

In the event of a breach of the above warranty, Ductmate's sole obligation, and Purchaser's sole and exclusive remedy, shall be, at Ductmate's option, repair or replacement of any defective products, or refund of an applicable portion of the purchase price. Ductmate shall have no liability for costs of removal or reinstallation of the product. The Purchaser agrees that no other remedy, including but not limited to loss of profits, loss sales, injury to person or property, or any other special, incidental or consequential damages, shall be available to the Purchaser for any claim arising out of this Agreement, regardless of whether such claim is made in contract or in tort, including strict liability in tort. In no event will Ductmate be obligated to pay damages to the Purchaser in any amount exceeding the purchase price that the Purchaser paid to Ductmate for the allegedly defective product.
