

Rip Stop Silver Jacket Insulated Sleeve

Product Specifications

If you have new or existing hard pipe that needs insulation, the Quietflex Insulated Sleeve is ideal. It increases the efficiency of warm or cool air traveling through the duct and reduces condensation build-up at the same time.

Limited Warranty | Limitation of Liability | Disclaimer of Unstated Warranties
The flexible air duct is warranted by Quietflex Manufacturing Company, L.P., for ten (10) years against defects in material and workmanship. This warranty is for exchange of duct only and does not include installation.

Warranty Exclusions
Warranty is excluded if flexible air duct is used in the following installations / applications:
1. Where duct is exposed to direct or indirect light.
2. Where duct is used on the high – pressure side of variable air – volume (VAV) systems.

Limitation of Liability
Quietflex's liability for damages, whether in contract, in tort, under warranty, in negligence or otherwise, shall not exceed the return of the amount of the purchase price paid for the Quietflex products. Quietflex shall not be liable for special, indirect or consequential damages. Specification and performance data listed herein are subject to change without notice.

Disclaimer of Unstated Warranties
This warranty is the only warranty of Quietflex products. All other warranties, expressed or implied, including, but not limited to, warranties of merchantability and fitness for a particular purpose are expressly disclaimed. Quietflex is a registered trademark of Quietflex Manufacturing Company, L.P.
