# PRIZM

Solid Laundry Detergent

**PRIZM** is a revolutionary solid detergent for institutional laundering. It penetrates beyond the surface to clean down into linen fibers. Stain fighting enzymes and oxygen bleach pull stains out of the fabric while washing. The unique dispensing system eliminates hazards caused by conventional caustic and sour systems. Patent #5,830,839

Safe, non-caustic detergent powers out tough soils, odor and stains.

Enzymes and color safe bleach remove stains in the wash cycle.

Replaces up to four standard chemicals.

Outstanding detergent system for commercial or top-load machines.

Requires substantially less inventory and storage space.

Reduces formula times, providing energy, water, and labor savings.

Gentle on linens - extends linen life and reduces replacement costs.

Reduces wrinkles and eliminates static cling - leaves linens feeling soft and fresh.

Contains unique fabric conditioners recommended on all fabrics, including: table linen and incontinent pads.

Excellent non-phosphated water conditioning.

Yields approximately 80 (50 lbs) loads per 5 lbs capsule.

## PACKAGING:

2 x 5 lbs/case (#7862S2)

## PROPERTIES:

Color - Bright Blue	Hard Water Tolerance - Excellent
Fragrance - Irish Spring	Rinsability - Excellent
pH - NA	Fumes - None
pH, Use Solution - 10.0-11.0	Flash Point - None
Detergency - Excellent	Corrosive Factor - None
Wetting - Excellent	Shelf Life - 1 year
Emulsification - Excellent	

## BAR CODE & CUBE INFORMATION:

Dimensions - 5.25 x 10.25 x 8.5  
Weight - 11.25  
Cube - 0.265  
PKG/Layers - 28  
Layers - 4  
Pallet - 112  
Hazardous - No  
UPC Code - 10784331786228

## SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach from children. Harmful if swallowed. Causes severe skin burns and eye damage. May cause allergy or asthma symptoms or breathing difficulties if inhaled. May cause respiratory irritation. For further information, consult the Safety Data Sheet.

## DIRECTIONS FOR USE:

**Remove cap and place container upside down in the dispenser bowl.**

**Top Load Washer:** Open machine. Place "down tube" in machine and push button on dispenser to add detergent. Return "down tube" to holder when dispenser stops. Close cover of machine.

**Commercial Washer:** Detergent is automatically injected into machine. See your Sunburst Representative for specific instructions.
