

## 1 ROUGH-IN REQUIREMENTS (see figure 2)

1. Your towel warmer requires 110V GFCI protected power. The power feed should be located in a single gang electrical box as shown in Fig 3. Please ensure correct location of the electrical box, as this will govern your towel warmer location.
2. Wall studs or plywood backing is recommended in the wall at all bracket locations. See Fig 2 for bracket locations.

## 2 INSTALLATION INSTRUCTIONS (see figure 1)

1. Check all items have been received.
  1. Towel Warmer
  2. Hardwire Kit (plate and tube)
  3. Fixings Kit
2. Fix wall supports "A" to the wall using the screws provided and in locations as shown on figure 2.
3. Hang and adjust the Towel Warmer using set screws "B" to lock stud "C" in the wallbracket "A". Ensure the Towel Warmer is firmly and safely fixed.

**FIGURE 1**

## 3 HARDWIRE CONNECTION (see figure 4)

*TURN OFF POWER SUPPLY BEFORE PROCEEDING*

*Do not connect the Towel Warmer to the power supply until all instructions have been read and installation carried out in accord with them. Your towel warmer is 100W (110V) and conforms to CSA standards (File ref: 2422531). Please ensure the CSA label is visible.*

1. Feed the electrical cord located at the bottom of the Towel Warmer first through the round tube and then through the cover plate.
2. Complete all electrical connections as shown in figure 3.
3. Screw tube into the towel warmer threaded collar.
4. Push cover plate onto tube and screw to electric box with the enclosed screws.

Adjust where necessary. fig. 4

Warning: In case of damage or failure of the Towel Warmer the unit should be returned to the manufacturer or their distributor. The warranty of 2 years on the Towel Warmer is NOT VALID in case of improper use or installation. Product is designed for use within Canada and the United States only.

## 4 PRODUCT REGISTRATION

Once installation is complete (and within 60 days of purchase) register your product online to activate your two year warranty. To register visit [www.shopicobath.com](http://www.shopicobath.com), click on resources then register your towel warmer or visit [www.shopicobath.com/en/warranty](http://www.shopicobath.com/en/warranty). Be sure to have your serial number (7 digit number on silver label at bottom right of towel warmer) along with the date you purchased your towel warmer.

# Specifications & Drawings

**Code: K6013W / K6014W**  
**24" x 27" Hardwired**
