5 HANDS FEEL GREAT!

So many of our customers love this product (and so do I)! It makes your hands feel nice, not dried out like a lot of other soaps out there. Also, has a nice, pleasant fragrance.

The sku 5361-02 is a GOJO soap refill that fits the GOJO TFX dispenser, where the sku 5392-02 is a hand sanitizer sku that fits the PURELL TFX dispenser. These refills cannot work in the same dispenser.
