

ACCENT

Concentrated Laundry Detergent

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

ACCENT

Concentrated Laundry Detergent

ACCENT is an advanced formula detergent that powers out soils and stains, leaving clothes clean and fresh. Its special combination of components lifts soils from fabric and holds the soils suspended in the wash water to flush them down the drain. Contains special brighteners to make whites whiter and colors more vibrant.

Effectively powers out soil and stains from all types of linens.

Contains special brighteners.

Economical and easy to use.

Developed to perform in all wash temperatures.

Non-caustic, mildly alkaline formulation.

Ideal for use in top loading washers.

Phosphate Free

PACKAGING:

40 lb box (#740540)

BAR CODE & CUBE INFORMATION:

Dimensions - 13.75 x 6.25 x 17.00

Weight - 42

Cube - 0.845

PKG/Layers - 18

Layers - 2

Pallet - 36

Hazardous - No

UPC Code - 784331740544

SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach of children. Causes serious eye and skin irritation. Harmful if swallowed. For further information, consult GHS Safety Data Sheet.

DIRECTIONS FOR USE:

Top Load Washers:

Light Soil: 2 ounces per load (1/4 cup)

Medium Soil: 4 ounces per load (1/2 cup)

Very Heavy Soil: 8 ounces per load (1 cup)

For white table linens, rags, diapers, nursing home linens, use hot water cycle. For colored items, consult washing instructions prior to using hot water.

Front Load Washers:

Light Soil: Use 1 ounce for every 10 pounds of rated linen weight capacity of the machine.

Medium Soil: Use 2 ounces per 10 pounds of rated linen weight capacity of the machine.

Very Heavy Soil: Use 4 ounces per 10 pounds of rated linen weight capacity of the machine and use hot water wash.

For heavily stained white linens, add 8 ounces of bleach at the appropriate stage in the washing program.
