SOLID GREEN 28 Solid Biological Floor Cleaner is a new generation of cleaning product that is made with ingredients that are an improvement in safety and environmental impact over previously available products for the same use.

Contains surfactants to suspend grease and oils.

Contains a combination of biological agents that continue to break down grease and oil after floors have been mopped.

Eliminates slippery floors and foul odors.

Contains no phosphate, VOCs and NPEs.

Rapidly biodegradable.

Mild pH.

Yields 260-520 gallons of use solution per capsule.

Kosher certified

DIRECTIONS FOR USE:

Make use solutions as directed below. Mop floors. Use a scrub brush to work solution into the grout. No need to rinse. **R2U Dispenser:** Turn valve ON to fill container to desired level and then turn valve off. **P4C Dispenser:** Fill the container to desired level with water. Then push button in and release to add chemical concentrate.
