# SHAGREEN™ Design Artist Editions® Bathroom Sinks

## Features

The Shagreen collection celebrates the subtle coloring and distinctive pebbled texture of natural shark and ray leather. Inspired by oil spot glazes that originated in China during the Song Dynasty, a two-step glaze process uses minerals to create an interplay of shimmering and matte effects. A striking complement to the graceful Carillon vessel sink, the rich glazed finish shows iridescent pearly tones and a gently granulated texture similar to leather. Each sink's pattern, formed through an organic process, is unique.
