EASTMAN[®]
MADE RIGHT. MADE TO LAST.

EASTMAN®

MADE RIGHT. MADE TO LAST.™

For more than 50 years, Eastman has been synonymous with premium quality appliance and plumbing connectors trusted by generations of professional installers, plumbers and consumers. Over the years, Eastman has expanded our product line to include pans, outlet boxes, expansion tanks, and more. Today, every product manufactured by Eastman carries a long history of quality and innovation. When you stock Eastman products, you can be confident you are getting the most reliable installation parts that are made right and made to last.

WORLD CLASS MANUFACTURING

Eastman owns a state-of-the-art manufacturing facility where every aspect of production is managed from start to finish. By operating our own facility, we are able to assure that the highest quality standards are met for each product. Eastman has more than 50 years of experience in designing, engineering, and manufacturing quality plumbing and appliance installation products. We are committed to maintaining or exceeding the highest level of quality standards of manufacturing for decades to come.

EASTMAN®

NATIONAL DISTRIBUTION

Eastman operates five fully-stocked distribution centers totaling over 500,000 square feet of space. We are strategically located in California, Illinois, Texas, Florida, and New Jersey so we can get you just what you need, right when you need it.

SAME DAY SHIPPING IF ORDERED BY 2 P.M.

RELIABLE INVENTORY. ALWAYS IN STOCK.

Our focus is on you, the wholesaler and retailer, and our commitment is to bring the best value to help you grow your business. We carry deep inventories in our five distribution locations, which allows our customers to buy just in time, right when you need it, resulting in lower inventories, increased turns, and higher profitability.

How to Order

Online: ez-flo.net

- 24/7 access to our full line product catalog
- View past orders and create easy order templates customized to your business
- Place orders anytime from anywhere

Fax: 866.827.3012

- Fax orders accepted 24 hours a day
- Orders will be processed during regular customer service hours

Phone: 800.486.5256

- Knowledgeable Customer Service reps available to assist with your orders
- **Pacific Time:** 5 AM – 3 PM
- **Mountain Time:** 6 AM – 4 PM
- **Central Time:** 7 AM – 5 PM
- **Eastern Time:** 8 AM – 6 PM

EDI

Lead-Free

Indicates lead-free products in applications involving dispensing water for human consumption, meeting national and local legislation

ADA

Americans with Disabilities Act (ADA) compliant

CSA

Indicates that products are certified by Canadian Standard Association for safety, performance and health effects to ensure that they comply with applicable standards

Uniform Plumbing Code

Indicates product was tested and certified by the International Association of Plumbing & Mechanical Officials. Product is in compliance with applicable American and Canadian codes and standards

NSF Compliance

complies with the relevant NSF consensus standard and/or protocol as certified by NSF International, Inc.

Underwriters Laboratory

Product was tested and certified under UL standards for safety

NEW

Indicates new product introductions

EZ-Flo/Eastman is a proud member of the American Supply Association which support the advancement of wholesalers and distributors in the plumbing-heating-cooling-piping industry.

Older Inlet Valve Connections

Older dishwashers, and even some newer models, use a 3/8" female pipe thread inlet. This requires use of a 3/8" MIP x 3/8" OD Compression Elbow. It also requires the use of pipe thread tape to seal the pipe inlet.

New Inlet Valve Connections

Dishwasher manufacturers have moved to a 3/4" male hose thread inlet for the water valve. this requires use of a high quality Hose x Comp Elbow.

See the Accessories section on pages 49-55 for additional fittings & valves.

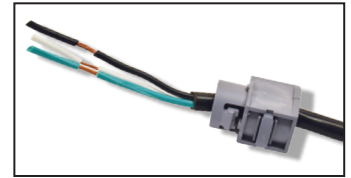

Dishwasher Electrical Cords / Accessories

Why Install a Dishwasher Pan?

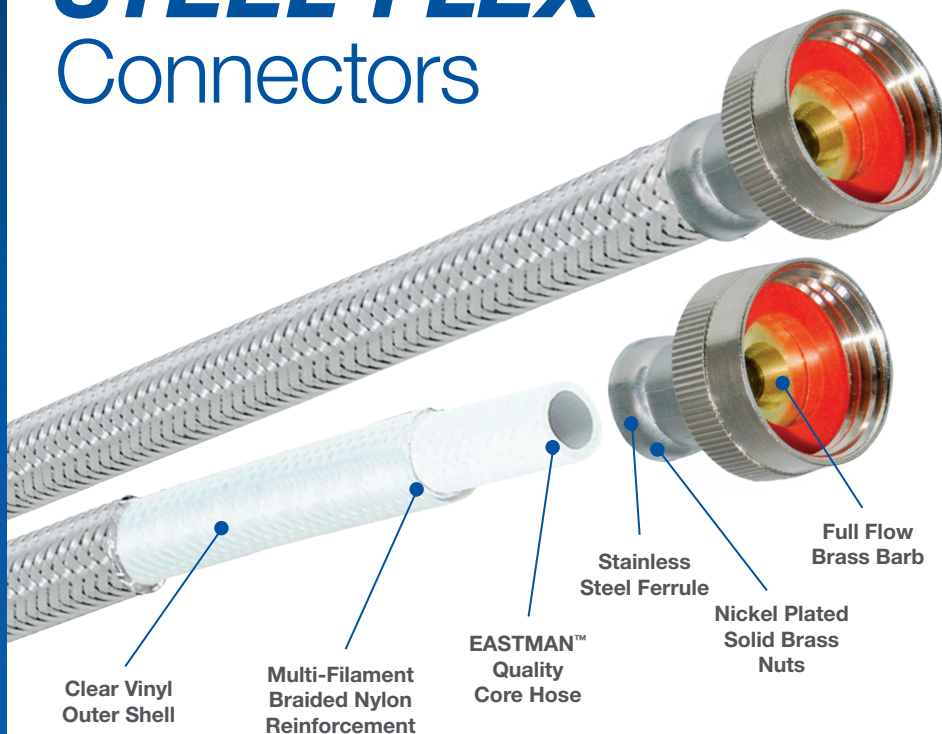

The Eastman Dishwasher Pan protects floors, walls, and surrounding cabinets from dishwasher leaks. The smallest dishwasher leak can go unnoticed and absorb into flooring, walls, and cabinets. The dishwasher pan brings the water to the front of the dishwasher so you can see there is a leak, and fix the issue before the leak causes serious damage.

ArmorFlex™ Super Dryer Duct

The Flexibility of Foil... The Strength of Semi-Rigid.

Our New Patented ArmorFlex™ Dryer Duct offers the flexibility and easy installation of foil ducts as well as the strength and flame-resistance of semi-rigid ducts. It's superior flexibility makes connection to the dryer simple. The full flow 4" diameter clamps easily in to place and allows for maximum air flow.

- Flexible and Easy to Install – No Elbows Needed!
- Saves Energy by Maintaining Efficient Airflow
- Tear and Puncture Resistant
- Crush Resistant
- Flame Resistant
- Easy to Work with and Trim
- 4" Inside Diameter – It Actually Fits!

Stop Valves

SPEED-FLEX®

Features & Benefits:

- Sure-Grip Oval Handle
- Forged Brass Body
- Lead-free Compliant

Multi-Turn Valves

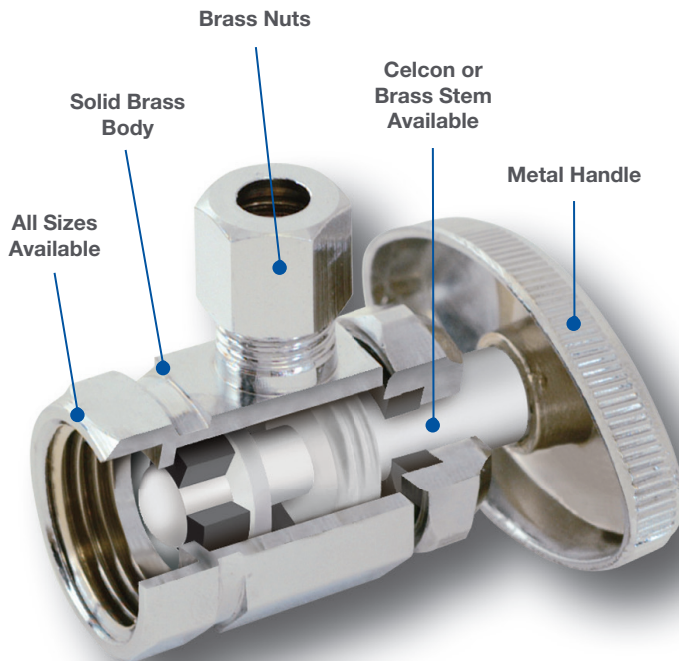

Solid, One-piece brass body provides strength and durability. Available in a variety of configurations.

Individually Packaged

Easy-to-open box packaging easily identifies product specifications. Makes restocking and picking fast and easy. Boxes contain individual UPC number and barcode.

1/4-Turn Stop Valves

1/4-Turn stops feature a brass ball mechanism for easy operation and superior performance. With a one-piece shut off component provides smooth, positive 1/4 turn shut off. Full range of options include push fit connections.

Multi-Turn Angled Stop Valves

**EASTMAN®****Freight & Shipping Policy**

Orders exceeding \$900 net will be shipped prepaid to destinations within the continental United States. Orders to Alaska, Hawaii and Puerto Rico exceeding \$900 net will be shipped prepaid to nearest continental United States port.

Terms

2% 10, net 30 days. Any amount past due is subject to a finance charge of 1.5% per month (18% per annum) on the past due balance. Disputed balances should be brought to the attention of EZ-FLO International immediately for a timely resolution. If any invoice is held in question, the balance not in question shall be paid in accordance with the aforementioned terms. Open accounts are subject to approval by our credit dept. according to customer financial statements, trade references & bank references.

Order Quantities

All orders must be issued in increments of unit order quantities as listed in the catalog. Where only master case quantities are listed, orders must be issued by master case quantities as listed in the catalog. Partial order quantities will be increased to nearest inner case quantities. All orders must be placed conforming to priced units of sale, e.g. bag, dozen, etc. Minimum order - \$100.00 net.

Return Policy

EZ-FLO International, Inc. will respond in most cases, within 24 hours, to all RGA requests. An RGA number (or reason for decline) and instructions will be faxed to the customer along with a Return Materials Form. Returned item(s) must be shipped with the Returned Materials Form to be processed. Failure to include this form will result in the shipment being returned, at the customer's expense, and credit will not be considered.

Return transportation must be prepaid by the customer with freight carrier designated unless alternative shipping is authorized in advance as part of the RGA issued by EZ-FLO International. Any shipment sent collect will be rejected and returned at the customer's expense. Freight will be credited on defective merchandise or on orders caused by or resulting from shipping errors on our part.

Credits will be issued at your cost when accompanied by an invoice or PO#, otherwise the prevailing price will represent the credited amount due.

Material (excluding defective items) must be received by EZ-FLO International in sellable condition in the original packaging. Material not received in original packaging will be subject to an additional 20% repacking fee. Credits must be taken within one year of receipt.

EZ-FLO International will not accept returns on any merchandise over one year from date of initial sale. Any RGA may be subject to a 20% restocking charge. All RGA's expire 30 days after date of issue. Returns on product (excluding defective items) will be accepted up to 90 days after date of delivery. Product returned without prior approval will be returned to sender freight collect.

Online Orders

Customers may visit ez-flo.net or call 800-486-5256 to set up an online account and password to order product online. Applications are subject to an approval process and customers will be notified of their status once all documentation has been received and reviewed.

Disclaimer

References to manufacturer's trade names and/or registered trademarks that appear in the EZ-FLO International Catalog are intended for the sole purpose of identifying brands. EZ-FLO repair parts will fit designated brands, and are not to be construed as an endorsement or acknowledgment, either expressed or implied, that products sold are authentic OEM products made by or licensed by such manufacturers. The original equipment manufacturer bears no liability for the quality of EZ-FLO repair or replacement parts.

Claims

No claims will be allowed unless reported within 72 hours of receipt of goods. All claims for shortage or damage should be reported by consignee, and must be accompanied by a copy of the proof of delivery receipt noting the specific shortage or damage. Any claim should be reported to the Customer Service Department. EZ-FLO International shall not be held responsible in any claim of injury or damage from the installation of EZ-FLO merchandise.

Customers

All merchandise is sold to wholesale customers for resale. Customer assumes full liability for all taxes or other charges assessed or imposed by any government agency. All customers are required to furnish EZ-FLO International their tax exemption number or applicable sales tax will be charged. All customers must have a signed and completely filled out credit application on file.

Warranty

EZ-FLO International's warranty shall be limited to replacement or credit, not to exceed the purchase price of the item. Labor and installation charges of any kind are not covered by our warranty. The warranty is against defects in workmanship or material for a period of one (1) year from the date of purchase. The warranty covers only the specific use for which each item is designed. The improper use or installation of any EZ-FLO product immediately voids the warranty. All claims regarding warranty must be reported to EZ-Flo within 3 business days of occurrence.

Backorders

If requested by the customer at the time of order, backorders exceeding \$50.00 will be held for 30 days. Backorders under \$10.00 will be cancelled.

Sales Policy

Possession or receipt of this catalog does not constitute an offer to sell.

Prices

Prices are subject to change without notice. All orders will be shipped and invoiced at the prevailing price at time of shipment. For larger or OEM quantities, we would like the opportunity to quote pricing and scheduled deliveries.

Reproductions

© No part of this catalog may be reproduced without the expressed written consent of EZ-FLO International, Inc. All photography is the property of EZ-Flo International and cannot be reproduced/copied without written permission.

Catalog

EZ-FLO International, Inc. shall not be held responsible for typographical errors and will not be held responsible for any liability associated with misprints, errors, and/or pricing discrepancies in this publication.

California Proposition 65 Warning

Products contained within our catalog and on our website may contain chemicals known to the state of California to cause cancer and birth defects or other reproductive harm. If you have any questions or need additional information on our products, please call **1.800.486.5256 ext 499**.
