

# C-42 Channelizers

Re-routing traffic has never been safer than with Work Area Protection's Channelizer Cones. Our trim-line design provides compact delineation, which is ideal for detours, construction projects, concerts, sporting events, airports and many more applications.

These durable and highly visible channelizers come with or without reflective sheeting. A tapered, fracture-resistant handle provides for added strength, easy pickup and the mounting of lights, signs and other accessories. The vertical sheeting surface has a five-tier, telescopic design, which promotes ease of stacking. Anti-rotation ribs at the bottom make for a stable, secure attachment to the base. A rugged, recycled rubber base provides stability and support with designed-in features to enhance skid resistance, stacking and handling.

## Features

- Maximum visibility
- Five-tier design
- Multi-purpose handle
- Efficient stacking
- Easy transport
- Secure base
- Fracture-resistant handle
- Locking base
- Mount for lights, signs, vertical panels

## C-42 CHANNELIZER SPECIFICATIONS

<b>Material:</b>	Impact- Resistant Polyethylene
<b>Color:</b>	UV-Stabilized Highway Orange
<b>Height:</b>	42" (1.07 m)
<b>Weight:</b>	3.0 lbs. (1.36 kg) approximately
<b>Thickness:</b>	.080" (2 mm)
<b>Diameter:</b>	Bottom section is 6" (15.2 cm), tapers to 4" (10.2 cm) top section

# REBOUNDER XD

## Channelizers

This is truly a breakthrough in technology meeting application. The Rebounder XD\* uses a memory material that can be reformed to its original shape after vehicle impact. And climate conditions have no effect whatsoever on its performance.

Additionally, the flange has been specifically designed to greatly increase locking stability to bases, assuring a robust channelizer/base lock-up. There are many channelizers available—only a Rebounder XD\* comes back to you.

### Features

- Reshaping Technology
- Fracture-Resistant Handle
- Locking Base
- Super reinforced flange for 16# or 30# base lock stability
- Custom In-Molded, permanent logo option available

### REBOUNDER XD\* CHANNELIZERS

<b>Material:</b>	Linear Low-Density Polyethylene
<b>Color:</b>	UV Stabilized Highway Orange
<b>Height:</b>	42" (1.07m)
<b>Weight:</b>	3.0 lbs. (1.36kg.) approx. (excludes base)
<b>Thickness</b>	.080" (2 mm)
