GARLOCK GYLON® SHEET STORAGE INSTRUCTIONS

- 1.) Store flat in a cool, dry area.
- 2.) Do not fold or bend.
- 3.) If exposed to greases, oils, or solvents in liquid or vapor form, clean before installing.
- 4.) Store away from incidental exposure to all types of radiation.
- 5.) Following extended storage, carefully inspect the material for damage.
- 6.) If in doubt concerning any of the above provisions, consult the factory.

SHELF LIFE FOR GYLON® SHEET IS INDEFINITE, BASED ON IDEAL STORAGE CONDITIONS.
