

# PROTECT

## Stokoderm® Sun Protect 30 PURE

Broad Spectrum SPF 30 Sunscreen for Professional Use

### PRODUCT DESCRIPTION

Perfume-free, water resistant SPF 30 sunscreen for professional use to protect the skin against harmful UVA (aging), UVB (burning) and UVC rays.

### WHERE TO USE

Outdoor workers exposed to UVA & UVB sun rays and workers exposed to UVC rays created during some industrial processes. Also suitable for use by outdoor electricians wearing electrical insulating gloves.

### HOW TO USE

- For external use only. Do not use on damaged or broken skin. Stop use and ask doctor if rash occurs
- Apply liberally 15 minutes before sun exposure
- Reapply: after 80 minutes of swimming or sweating, immediately after towel drying or at least every 2 hours
- Spending time in the sun increases your risk of skin cancer and early aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF of 15 or higher and other sun protection measures
- Children under 6 months: Ask a doctor

NB: Using skin care products does not release you from your duty to take the prescribed protective measures.

**FORMAT: CREAM**

FEATURES	BENEFITS
High Sun Protection Factor of 30	• Sun Protection Factor of 30 provides 30 times the skin's normal protection against the sun's UVB rays
Passed Lineman's glove testing	• Safe to be used by outdoor electricians wearing electrical insulating gloves
UVC protection	• Protects from UVC rays created artificially during some industrial processes e.g. welding
Water resistant formula	• Withstands heavy perspiration or immersion in water • Ideal for outdoor workers
Quickly and easily absorbs into the skin; Non greasy after feel	• Encourages regular use and does not affect dexterity with hand held tools
Contains Vitamin E	• Helps soothe and condition the skin
Perfume-free	• Ideal for people who are sensitive to fragrances • Helps reduce the risk of attracting insects
Professional use sunscreen	• Formulated for high levels of protection in outdoor and industrial workplaces
Skin friendly pH	• Helps to maintain the skin's natural acidic protective mantle
Silicone-free	• Suitable for use in any production sites where paint and surface coating processes are undertaken

SUN30ML	30ml tube	100
SUN100L	100ml tube	12
SUN1L	1 liter cartridge	6

## STATUTORY REGULATIONS

This product is manufactured and labeled in compliance with the Federal, Drug, and Cosmetic Act issued by the Food and Drug Administration (FDA).

## SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from [www.debgroup.com/us/sds](http://www.debgroup.com/us/sds).

## QUALITY ASSURANCE

Deb products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw material used for production undergo a thorough quality control process before being used for manufacturing in Deb's high quality products.

All finished products are subject to intensive quality testing before being shipped out to our customers.

## COMPATIBILITY ASSURANCE

Skin Compatibility Test: The 48hr Single Patch Test results have been validated by a dermatologist to show the product to be 'non-irritant'.

Lineman's Glove Compatibility Test: Product has passed Lineman's glove testing (Type 1 Class 2 ANSI/ASTM D120) at 20KV test voltage.

## EFFICACY TESTS

UVB Efficacy Test In vivo: Using the International Sun Protection Factor Test Method (Feb 2003), the SPF was determined along with the claim for water resistance.

Assessment of UVA-PF In vitro: Determined according to COLIPA Guideline 2007.

UVC Efficacy Test In vitro: Using a modified COLIPA Guideline the UVC protective effect of the formula could be demonstrated.

## STORAGE

Product should be stored unopened at room temperature.
