

One Circuit Track

Features

- Single Circuit track provides versatility for every lighting need. Miniature size, decorator finishes, push-in connectors, economy, all combine to make single circuit miniature track perfect for residential or commercial use.
- Fully polarized and grounded to ensure safe operation.
- Conductors are solid copper buss bars encased in rigid extruded PVC insulators.
- Track fittings have shoulders to maintain conductor position.
- Available in 2', 4', 6', 8' and 12' lengths.
- Black, White, Nickel and Bronze finishes available.
