Product Overview & Guides

Scott Control provides enhanced hygiene solutions for critical environments. Just because you have a small space doesn't mean that you should sacrifice the convenience of a high-capacity paper towel system! With the new paper design, our paper towel is Unmistakably Scott branded so you'll be recognized for providing the most well-known restroom brand in your facility. This new Elevated Scott Design was preferred 4 to 1 based upon a 2019 KCP Brand Differentiation Study. The Control Slimroll dispenser fits in places where roll towels usually can't go, reliably dispensing three times more towels per unit than folded towels. Plus, it boosts cleanliness, sustainability and satisfaction by combining touchless technology with the bacteria-reducing benefits of drying with a paper towel, minimizing run-outs with 20% fewer change-outs per unit (versus folded paper towels) and dispensing these Scott Brand paper towels, which are compostable. FSC and Eco Logo certified and meet EPA guidelines for post-consumer waste.

3,480 Feet of Scott Control Slimroll Hard Roll Paper Towels
