

Limited Warranty for Trane¹ and American Standard Oil² Furnaces*
Models THV, TLF, TLR, TDF
Ten-Year Parts Lifetime on Heat Exchanger

Thermo Products, LLC, a Delaware corporation, under license agreement with Ingersoll Rand, hereby warrants the above specified model oil fired warm air furnaces to be free from defects in material and workmanship. The warranty is extended to the original owner(s) whose name(s) appear on the Warranty Registration submitted to Thermo Products, LLC. This limited warranty applies to products manufactured on or after January 1, 2014. If registered online within sixty (60) days after date of installation, the registered Limited Warranty period for Parts is ten (10) years and the Heat Exchanger is Limited Lifetime. If not registered within sixty (60) days after date of installation, the Base Limited Warranty period is effective and is Parts five (5) years and Heat Exchanger twenty (20) years.

1ST-10TH YEAR for RESIDENTIAL APPLICATIONS: During the first 120 months after installation, all parts of the furnace are warranted with the exception of maintenance items which require periodic replacement (i.e. filters, belts, nozzles, electrodes, etc.). The owner may arrange with the original installing contractor or any other qualified contractor of the owner's choice to replace a defective part. Any labor costs involved in furnace diagnosis, service or the removal and replacement of a defective part are the responsibility of the owner. Warranted replacement parts will be shipped with instructions to the contractor on disposition of the defective part. Any transportation costs associated with the replacement of warranted parts are the responsibility of the owner. The 10-year parts warranty is extended to the original owner only.

BEYOND THE 10TH YEAR for RESIDENTIAL APPLICATIONS: The heat exchanger carries a Limited Lifetime Warranty. If at any time during the warranty period the heat exchanger becomes defective, Thermo Products, LLC will provide at its option either a replacement heat exchanger or the necessary repair parts on a no charge basis. Any labor costs involved in the diagnosis, repair or the removal and replacement of a heat exchanger are the responsibility of the owner. The owner may arrange with any qualified HVAC contractor for the necessary labor. Any transportation costs associated with the replacement of the complete heat exchanger or the repair parts are the responsibility of the owner. If Thermo Products, LLC requests the return of the defective heat exchanger, it must be returned by prepaid transportation at the expense of the owner.

ALL COMMERCIAL APPLICATIONS: A commercial application shall mean any application other than for personal, family, or household use. During the first 12 months after installation, all parts of the furnace are warranted with the exception of maintenance items which require periodic replacement (i.e. filters, belts, nozzles, electrodes, etc.). The owner may arrange with the original installing contractor or any other qualified contractor of the owner's choice to replace a defective part. Any labor costs involved in furnace diagnosis, service or the removal and replacement of a defective part are the responsibility of the owner. Warranted replacement parts will be shipped with instructions to the contractor on disposition of the defective part. Any transportation costs associated with the replacement of warranted parts are the responsibility of the owner. The heat exchanger on a commercial application carries a 20-year Limited Warranty. If at any time during the warranty period the heat exchanger becomes defective, Thermo Products, LLC will provide at its option either a replacement heat exchanger or the necessary repair parts on a no charge basis. Any labor costs involved in the diagnosis, repair or the removal and replacement of a heat exchanger are the responsibility of the owner. The owner may arrange with any qualified HVAC contractor for the necessary labor. Any transportation costs associated with the replacement of the complete heat exchanger or the repair parts are the responsibility of the owner. If Thermo Products, LLC requests the return of the defective heat exchanger, it must be returned by prepaid transportation at the expense of the owner. The Commercial Limited Warranty remains as stated above regardless of whether registered within sixty (60) day or not.

THE CONDITIONS OF THIS WARRANTY ARE:
