SPECIFICATIONS

Model #	Description	Max Head PSIG Pressure	Replacement Pad Part #
TTMP-2	2" Test Tee Mechanical Test Plug	100 ft / 50 PSIG	TTMP2-PAD
TTMP-3	3" Test Tee Mechanical Test Plug	150 ft / 75 PSIG	TTMP3-PAD
TTMP-4	4" Test Tee Mechanical Test Plug	80 ft / 45 PSIG	TTMP4-PAD
TTMP-5	5" Test Tee Mechanical Test Plug	70 ft / 35 PSIG	TTMP5-PAD
TTMP-6	6" Test Tee Mechanical Test Plug	70 ft / 35 PSIG	TTMP6-PAD
TTMP-4WF	4" Test Tee Mechanical Test Plug With Fill Hose, Shut Off Valve & Pressure Gauge	80 ft / 45 PSIG	TTMP4-PAD
TTMP-6WF	6" Test Tee Mechanical Test Plug With Fill Hose, Shut Off Valve & Pressure Gauge	70 ft / 35 PSIG	TTMP6-PAD
TTMP-8WF	8" Test Tee Mechanical Test Plug With Fill Hose, Shut Off Valve & Pressure Gauge	40 ft / 20 PSIG	TTMP8-PAD
TTMP-10WF	10" Test Tee Mechanical Test Plug With Fill Hose, Shut Off Valve & Pressure Gauge	40 ft / 20 PSIG	TTMP10-PAD

TTMP versus the Competition

- Installs in seconds
- USA made

Competition

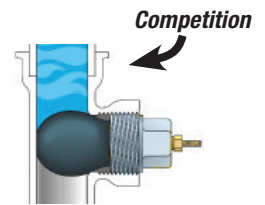

- Requires air pump, air hose, pressure gauge, & teflon tape to install

TTMP

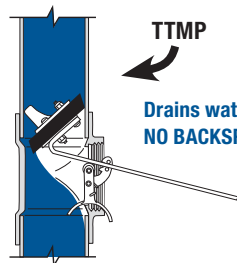

Locked in Ready for Test

- No risk of over-inflating or puncture
- Holds 3x head pressure

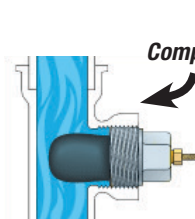

Competition

- High risk of puncture and air leaks
- Made in China

TTMP

Drains water quickly with NO BACKSPASH

Competition

- Water leaks through threads
- Slow draining process
