

# Weil-McLain Limited Warranty

## Weil-McLain® Indirect-Fired Water Heaters

### Warranty for Commercial Applications — Limited 15 Year

Please register your purchase of Weil-McLain Products at Weil-McLain's website:

[www.weil-mclain.com](http://www.weil-mclain.com)

**Tank Assembly** ---- Weil-McLain warrants the tank assembly of the indirect-fired Water Heater referenced above (the "Water Heater") to be free from defects in material and workmanship for 15 years from the date of installation of the Water Heater in a commercial application (the "Tank Assembly Warranty Period"). If a leak in the tank assembly should occur during the Tank Assembly Warranty Period, Weil-McLain will provide a replacement tank assembly for such defective tank assembly. Such replacement tank assembly will be furnished with the nearest comparable model available from Weil-McLain at the time of such replacement. Weil-McLain's obligation to provide a replacement tank assembly for a defective tank assembly in the 6th through 15th year of the Tank Assembly Warranty Period shall be subject to the warranty claimant's payment of a charge calculated by multiplying the retail price for the replacement tank assembly at the time the warranty claim is made by the applicable percentage listed in the table below. The warranty claimant shall make this payment to a qualified heating or plumbing contractor that the warranty claimant selects to handle the warranty claim (the "Contractor").

Year	Percentage
6 - 7	55
8 - 9	60
10 - 11	65
12 - 13	70
14 - 15	75

**All Other Water Heater Parts** ---- Weil-McLain warrants all parts of the Water Heater other than the tank assembly ("Parts") to be free from defects in material and workmanship for one (1) year from the date of installation of the Water Heater in a commercial application (the "Parts Warranty Period"). If any Part(s) are found to be defective in materials or workmanship during the Parts Warranty Period, Weil-McLain will provide replacement Part(s) for such defective Part(s).

Information on the proper installation, operation, and maintenance of Weil-McLain products ("Products") is found in the installation, start-up, operations, owner/user's manuals, service/maintenance instructions, and other printed/technical information provided with the Product or direct from Weil-McLain or [weil-mclain.com](http://weil-mclain.com).

#### THE WARRANTY SET FORTH ABOVE DOES NOT COVER THE FOLLOWING:

1. Any Water Heater not initially installed with a new temperature-pressure relief valve bearing the listing of the American Society of Mechanical Engineers (A.S.M.E.) at the time of the Water Heater installation.
2. Any Water Heater that has a failure or malfunction resulting from (a) failure to keep the tank full of potable water; (b) failure to assure that water in the tank is free to circulate at all times; or (c) failure to keep the tank free of water sediment or scale deposits.
3. Any Water Heater that has potable water in the unit with a chloride or chlorine content higher than 80 mg/liter.
4. Any Water Heater installed in a commercial application that includes any type of water softener system not installed

and maintained in accordance with manufacturer's specifications.

5. Any Water Heater installation where non-metallic piping products without an oxygen barrier are used.
6. Any Water Heater used for any non-potable application, including, without limitation, pool or process heating.
7. Products that were not installed in accordance with manufacturer's instructions by a qualified heating or plumbing contractor whose principal occupation is the sale and installation of plumbing, heating, and/or air conditioning equipment; or unsatisfactory performance caused by improper installation.
8. Products that are no longer owned by the first retail purchaser or that have been moved from their original installation site.
9. Components that are part of the heating system into which the Water Heater is incorporated that are not Weil-McLain Products.
10. The workmanship of the installer of the Water Heater.
11. Normal wear and tear.
12. Any costs for labor to remove the Product(s) that are the subject of the warranty claim and to install replacement Product(s); transportation to return the Product(s) that are the subject of the warranty claim (if return is required); and any other materials necessary to perform the replacement.
13. Any Products that fail or malfunction as a result of improper or negligent operation, adjustment (including boiler/burner), control settings, repair, care, or maintenance; freezing, accident, fire, flood, or acts of God; abuse or misuse; unauthorized alteration; power failures; or inaccurate or incomplete information or data supplied or approved by any party other than Weil-McLain.
14. Any Products not properly sized for the application.

**THE WARRANTY DESCRIBED HEREIN IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY. WEIL-McLAIN EXPRESSLY DISCLAIMS AND EXCLUDES ANY LIABILITY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, MULTIPLE, OR PUNITIVE DAMAGES FOR BREACH OF ANY EXPRESS WARRANTY.**

To commence a warranty claim, please notify the Contractor. The Contractor will in turn notify the authorized Weil-McLain Distributor from whom the Boiler was purchased. If this action does not result in warranty resolution, please contact **Weil-McLain Consumer Relations Department, 500 Blaine Street, Michigan City, Indiana 46360**, with details in support of the warranty claim. Weil-McLain may require return of the Product(s) that are the subject of the warranty claim through the same trade channel, in accordance with the Weil-McLain procedure then in effect for handling returned Products, for inspection to determine cause of failure.

If you have any questions about the coverage of this Limited Warranty, please contact Weil-McLain at the address provided above.
