CONSTRUCTION AND STANDARD FEATURES

- Rear slotted drain design. Sink includes ABS drain trough with tailpiece.
- No overflow available. Check local codes.
- Undermount only. Measure on site to achieve the proper cut-out size.
- Lip detail will accomodate commonly used undermount hardware. Undermount hardware is not included.
- One-piece construction using Engineered SculptureStone® (ESS) material.
- This material is non-porous, stain-, mold- and mildew-resistant.
- Approximately 70% of the material is organic, including minerals mined from the earth, making it "Green".
- Five-Year Limited Residential Warranty.

Also available, Incline Counter-Sink, featuring custom-size countertop with integrated bowl. Offered in single and double bowl configurations..
