# VALUED-ADDED PROGRAMS & SERVICES

## R&D, QC and Technical Support

At Spartan, our commitment to quality starts in the lab, where we vigorously formulate, evaluate and support our products. Spartan's on-site, research facility is a fully equipped, GLP (Good Laboratory Practices) compliant laboratory, staffed by scientists and professionals, including microbiologists, bioaugmentation specialists, formulating chemists, regulatory managers and quality control technicians. True experts in their field, these Spartan professionals are responsible for research and development, quality assurance, bringing new products and formulas to market, plus they are available to provide immediate technical assistance.

## A global presence with a local focus

While Spartan Chemical spans 5 continents, our most important location is the one nearest you. In the U.S. alone, we've assembled more than 500 strategically located distributor points, supported by a team of 115 sales professionals, who, in turn, have the full attention of product, market, division, and senior management, plus over 250 dedicated Spartan employees.

Whether your priorities are sustainability, safety, cleaner environments or cost savings, Spartan regional managers are certified cleaning, disinfection, and sanitation experts who are highly trained to define and help you deploy end-to-end solutions tailored to your specific business needs. From recommending appropriate programs to implementation, and all points in between, Spartan teams with our local and knowledgeable distributors to provide you:

- Local availability
- Just-in-time delivery
- Effective solutions for maintenance issues
- Assistance with cost savings and containment
- Industry leading certification programs
- Fast access to new products and services

- ★ Corporate Accounts
- ☆ Regional Managers
- Distributors

## CleanCheck® Learning Management System

To ensure quality workmanship, thorough and effective training is a must. CleanCheck is the ultimate tool for instilling pride and professionalism, building confidence, minimizing complaints and cost effectively managing the talents of your cleaning staff. English, French, and Spanish CleanCheck modules cover basic and advanced topics for keeping facilities clean. Plus, safety modules ensure OSHA Bloodborne Pathogens Standard and GHS compliance. CleanCheck is training made simple®. The CleanCheck Learning Management System includes:

- Web- or DVD-based video tutorials
- Training manuals
- On-the-job cards
- Certified Disinfection Specialist accreditation
- Web- or paper-based testing
- Compliance documentation and tracking
- Employee recognition certificates
- SCORM compatibility

## CompuClean® Custodial Management Software

CompuClean provides a variety of cloud-based capabilities to document your cleaning operations, validate performance and enhance staff communication. As part of an effective Managed Cleaning Program, CompuClean simplifies reporting and tracking of work requests, quality inspections, equipment repairs and more. The CompuClean Mobile App, allows you to perform these functions from any mobile device, wherever you are. With a user friendly design and industry leading capabilities, CompuClean is custodial management made simple®.

- Identify training/employee issues
- Improve facility cleanliness
- Evaluate processes and staffing needs
- Automate communication
- Reduce supply and repair costs
- Enhance documentation

## Keeping sustainability at the forefront

You will be pleased to discover that sustainable products from Spartan Chemical are not only affordable — they are formulated to provide the same superior performance you've come to expect from all Spartan products. As an industry leader in advancing the production and use of sustainable cleaning products for safer environments, our high performance line of sustainable products includes six categories of environmentally preferable options. Each has been developed to ensure you can keep your facility clean without introducing any negative health affects to your employees and facility occupants.

While Spartan continues to make advancements in sustainable products, we are also making adjustments in our operations to reduce our carbon footprint. Below are some of the initiatives we've embraced to decrease our environmental impact through the responsible management of:

- Resource and material usage
- Packaging
- Energy use & greenhouse gas emissions
- Waste disposal

## Symbols of safety, quality and sustainability

Green Seal is an independent, non-profit organization that develops life cycle-based sustainability standards for products, services and companies and offers third-party certification for those that meet the criteria in the standard. Products with the Green Seal Certified logo have been certified under these standards in their respective product categories.

The USDA BioPreferred® Program identifies commercial or industrial products (other than food or feed) that utilize biological products or renewable domestic agricultural (plant, animal, and marine) or forestry materials. A product within an identified category must meet the minimum bio-based content standard as established for the category. Bio-based content is determined by testing to ASTM Method D6866. This method uses radiocarbon dating to measure the amount of new carbon present in a product as a percentage of the total organic carbon.

The Safer Choice program is an EPA program which partners the EPA with individual industry sectors to compare and improve performance, human health and environmental risks of existing and alternative products. A product with this logo was formulated in partnership with the EPA under this program.

The Spartan bio-based seal guarantees the percentage of bio-based content in each product. All of Spartan's BioRenewables products are tested by an outside, USDA approved laboratory to certify the percentage of bio-based raw materials found in the product. Using these products promotes North American agriculture and reduces our dependence on foreign oil.

EPA's DfE logo helps consumers and commercial buyers identify antimicrobial products that meet the health and safety standards of the pesticide registration process required by the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) as well as other rigorous criteria required by the agency.

The Halal assurance system is a process that commits to and achieves safety, quality, and cleanliness at each step of production. This system aids in the elimination of any potential food-borne or production-related hazards that would offset the Halal definition of the process. More specifically, cross contamination during processing or storage with non-Halal ingredients like pork and alcohol that are traceable through DNA testing will immediately compromise a product's Halal status.

The Carpet and Rug Institute's CRI Seal of Approval program identifies effective carpet cleaning solutions and equipment that clean carpet right the first time and protect a facility's carpet investment. Not all products clean well enough to earn the Seal of Approval distinction, so look for the blue and green CRI Seal of Approval as proof that you are purchasing or using a quality product.

Certified kosher by OK Kasher Certification.

WOOLSAFE is a worldwide accreditation program for the promotion and proper care for wool carpet and upholstery. In addition, it identifies carpet and cleaning chemicals suitable for use on wool. Look for WOOLSAFE approved maintenance products for wool and wool-rich carpets.

## Airlift® Fresh Scent

Featuring a classic powdery and comforting scent that elicits freshness and warmth, Airlift Fresh Scent is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

#6095 20 oz ■ aerosol

## Airlift® Smoke & Odor Eliminator®

A powerful odor neutralizer, Airlift Smoke & Odor Eliminator destroys complex odors such as smoke, stale food, and mildew by killing the odor and restoring indoor air quality. Its specially developed active odor counteractant attacks airborne malodor molecules creating a chemical reaction for instant neutralization and destruction of nearly every offensive smell; leaving a spring-time fresh fragrance.

#6086 20 oz ■ aerosol

## Airlift® Tropical

Airlift Tropical is a deodorant formulated to control and eliminate unpleasant odors wherever they occur. The formulation incorporates special ingredients to assist in the initial control of offensive odors caused by stale smoke, mildew, urine, and vomit. Airlift may be sprayed on carpet when extra carpet freshness is desired.

#6068 20 oz ■ aerosol

## Airlift® Xcelenté® Odor Eliminator

With odor encapsulating technology, Airlift Xcelenté Odor Eliminator doesn't just cover up odors, it traps and removes these odors from the air. The long lasting fresh lavender fragrance neutralizes even the strongest odors, making it the perfect solution to address smoke, cannabis, urine and other complex malodors.

#6019 20 oz ■ aerosol

## Bed Bug & Lice Killer

Bed Bug and Lice Killer is an EPA registered aerosol product that controls pests for up to four weeks. Designed for use on furniture, mattresses and other non-washable items, Bed Bug and Lice Killer is effective against bed bugs, lice and louse eggs.

EPA Reg. No. 10900-86-5741

#6905 20 oz ■ aerosol

## Carbon & Grease Remover

Carbon & Grease Remover is an effective cleaner that is safe to use on porcelain, glass, ceramics, stainless steel, and cast iron surfaces. The convenient spray-on gel formula clings to surfaces and provides rapid penetration and emulsification of tough soils such as baked-on carbon, grease, and food deposits. Offered in a versatile aerosol can, Carbon & Grease Remover can be used for cleaning commercial and institutional ovens, grills, griddles, char broilers, drip pans, hoods, rotisseries, and deep fat fryers.

#6281 20 oz ■ aerosol

## Carpet Stain Remover

Carpet Stain Remover provides rapid and effective removal of the vast majority of commonly experienced stains. When used as part of the Contempo Carpet Care program, Carpet Stain remover offers a convenient aerosol application that can be used on coffee, cola, ink, lipstick, shoe polish, merthiolate, grease and pet stains.

#6374 20 oz ■ aerosol

## Chewing Gum Remover

Chewing Gum Remover is a combination of two liquefied gases that remove chewing gum, candle wax, and other gummy substances from carpets, upholstery, wood, plastic, and vinyl. Chewing Gum Remover instantly freezes chewing gum, candle wax and sticky spills. The frozen brittle material can then be broken off or easily removed with a putty knife or scraper, leaving no residue.

#6445 6.5 oz ■ aerosol

## Citro Shield Furniture Polish

A unique, water emulsion formula, Citro Shield contains silicones and other restorative agents for quick shine-ups. Citro Shield cleans and polishes all types of wood, wood paneling, marble Formica, stainless steel, vinyl upholstery and appliances. Contains lemon oil.

#6120 20 oz ■ aerosol

## Contempo® Carpet Refresher

Everyday odors like smoke, pets, cooking and musty/stale odors can become trapped in the carpet fibers and make it smell foul and unpleasant. Freshen carpet with Contempo Carpet Refresher. Simply spray the mousse-like foam onto the carpet and allow to dry for five minutes. No vacuuming is needed to enjoy the freshening attributes of Contempo Carpet Refresher.

#6410 20 oz ■ aerosol

## CR-2 Roach & Ant Killer

CR-2 Roach & Ant Killer provides quick killing action and residual control for up to 3 months. CR-2 Roach & Ant Killer is formulated to eliminate and control re-infestations by ants, bees, carpenter ants, carpet beetles, centipedes, cockroaches, crickets, earwigs, fire brats, fleas, flour beetles, grain beetles, ground beetles, millipedes, mole crickets, moths, pill bugs, sow bugs, spiders, ticks, and many other crawling insects. **EPA Reg. No. 10088-92-5741**

#6903 20 oz ■ aerosol

## Dust Mop/Dust Cloth Treatment

Dust Mop/Dust Cloth Treatment is a ready-to-use formula used to pick up dust, lint and soil, reducing the wear and abrasion on floor finishes from sand and soil, and prolonging the floor finish life. Dust Mop/Dust Cloth Treatment can also be used to dust off pictures or to dust down walls and is safe to use on most hard surfaces. The pleasant fragrance and ease of use makes it appealing for the cleaning staff to use.

#6099 20 oz ■ aerosol

## F-6™ Flying Insect Killer

A combination of two powerful synthetic pyrethroid compounds, F-6 Flying Insect Killer quickly kills flying insects. F-6 Flying Insect Killer is recommended for use in schools, office buildings, institutions, hotels, motels, factories, and manufacturing facilities. **EPA Reg. No. 706-83-5741**

#6919 20 oz ■ aerosol

## Food Grade Machinery Lubricant

Food Grade Machinery Lubricant is designed specifically for lubricating food processing equipment and machinery where there is a possibility of incidental food contact. A special blend of mineral oil that lubricates contaminants, Food Grade Machinery Lubricant effectively loosens rust, dirt and grime while leaving a protective barrier. Formulated to meet sanitary requirements for use on certain parts of machinery.

#6525 20 oz ■ aerosol

## Glass Cleaner

Glass Cleaner is a non-ammoniated glass cleaner that is great for use in industrial, institutional, and commercial facilities. With quick emulsification the formula suspends surface soils and smoke film for easy removal without streaking and the isopropyl alcohol provides rapid drying and excellent film-free characteristics.

#6217 20 oz ■ aerosol

## Lube-All

Lube-All is formulated with a rich blend of lubricating oil and anti-friction agents to maintain longer lubricity and wear resistance. It restores smooth operation to sticky or rusty mechanisms without disassembling. Its quick penetrating action through the smallest cracks and crevices provides a protective barrier against corrosive environments. Use it on fasteners, tools, sliding doors, locks, hinges, window cranks, cables, chains, electronic gears, electrical tools, and automobile starters.

#6730 20 oz ■ aerosol

## Premium Wood Polish

Premium Wood Polish is a ready-to-use, silicone-based formula designed to produce a quick shine without an oily residue. This product is great for practically any wood surface, such as wood paneling, wood veneer or washable surfaces like Formica and vinyl. Premium Wood Polish contains both carnauba wax and silicone to not only protect wood finishes, but also create a high gloss shine that is slow to dull.

#6110 20 oz ■ aerosol

## SD-20®

Formulated to foam away dirt, grease and fingerprints from washable surfaces, SD-20 all-purpose degreaser aerosol tackles a wide range of cleaning jobs-from removing heavy soil on baseboards to foaming away grease on exhaust vents and hoods. The clinging foam, no rinse formula allows concentration of the product on stubborn spots and aids in spot cleaning.

#6520 20 oz ■ aerosol

## Shineline Baseboard Stripper™

The unique and convenient aerosol is designed to be held upside down. Ideal for baseboards, floor edges, stairs, and corners. It speeds up the cleaning of equipment, floor pads, buckets, wringers and floor machine housing. Shineline Baseboard & Wax Build-Up Stripper removes industrial soils and adhesives.

#6097 20 oz ■ aerosol

## SparSan Q® Disinfectant Deodorant

SparSan Q Disinfectant Deodorant is a versatile, ready-to-use aerosol disinfectant deodorant. It is ideal for convenient disinfection after spot clean up, and for those areas not easily reached during routine disinfection procedures. Prevents mold and mildew on environmental surfaces in public places. Meets EPA Efficacy Standards for hospital aerosol disinfectants.

EPA Reg. No. 67603-4-5741

#6076 20 oz ■ aerosol

## Stainless Steel Cleaner/Polish

Stainless Steel Cleaner Polish is a foamy, white emulsion formula, specifically for use on stainless steel, chrome, and other non-porous washable surfaces. Stainless Steel Cleaner Polish quickly removes fingerprints, grease, oil, coffee, ink and even built-up grime, leaving soft, non-greasy protective finish which resists fingerprinting, stains, and watermarks and provides a soft, non-greasy protective satin finish.

#6310 20 oz ■ aerosol

## Steriphene II® Brand Disinfectant Deodorant (Clean Fresh Fragrance)

Steriphene II's dual-phenolic system provides effective antimicrobial activity on hard, nonporous, environmental surfaces. Ideal for convenient disinfection after spot clean-up for areas not easily reached during routine disinfection procedures. Steriphene II has been tested and shown effective against Methicillin-resistant *Staphylococcus aureus* (MRSA) and Vancomycin-resistant *Enterococcus faecalis* (VRE). EPA Reg. No. 5741-22

#6081 20 oz ■ aerosol

## Steriphene II® Brand Disinfectant Deodorant (Spring Breeze Fragrance)

Steriphene II's dual-phenolic system provides effective antimicrobial activity on hard, nonporous, environmental surfaces. Ideal for convenient disinfection after spot clean-up for areas not easily reached during routine disinfection procedures. Steriphene II has been tested and shown effective against Methicillin-resistant *Staphylococcus aureus* (MRSA) and Vancomycin-resistant *Enterococcus faecalis* (VRE). EPA Reg. No. 5741-22

#6075 20 oz ■ aerosol

## Superior High Shine Stainless Steel Cleaner & Polish

Superior High Shine Stainless Steel Cleaner & Polish is an oil-based formula, specifically for use on stainless steel, chrome, and other non-porous washable surfaces. The oil-based formula removes light soil including fingerprints, grease, smudges and spills with ease. A clean and pleasant lemon scent makes using Superior High Shine Stainless Steel Cleaner & Polish a pleasure to use.

#6290 20 oz ■ aerosol

## TnT®

TnT is an active foam disinfectant cleaner that is recommended for bathroom and locker-room fixtures, tables, countertops, furniture, doorknobs, and other hard, non-porous environmental surfaces. In one step, TnT removes mold and mildew stains. If the humidity is heavy, it might be necessary to spray the surface more often TnT's clinging foam penetrates and emulsifies soap scum, grime, grease, and other tough soils. EPA Reg. No. 5741-14

#6343 20 oz ■ aerosol

## Wasp & Hornet Killer

Wasp & Hornet Killer is a long-lasting residual spray with quick knockdown. With a spray pattern up to 20-feet, Wasp & Hornet Killer kills wasps, hornets, yellow jackets, and eliminates the nests where they live and breed. EPA Reg. No. 706-109-5741

#6820 20 oz ■ aerosol

## Xcelenté® Multi-Purpose Cleaner

Enjoy the fresh fragrance of lavender while you clean with Xcelenté Multi-Purpose Cleaner. The convenient aerosol provides spray-and-wipe cleanup for stains and spills as they occur. Safe for use on a variety of hard surfaces, Xcelenté delivers a shiny, streak-free finish on any surface not harmed by water—including glass!

#6031 20 oz ■ aerosol

## Airlift® Clear Air Odor Eliminator

With a new odor encapsulating technology, Airlift Clear Air Odor Eliminator doesn't just cover up odors, it eliminates, traps and removes them from the air, significantly reducing the malodor present in the room. Airlift Clear Air Odor Eliminator features a crisp, long lasting fragrance that neutralizes even the strongest odors, leaving a clean, refreshing scent.

**#4807** clean on the go ■ 2 oz/gal  
**#3044** 1 qt ■ ready-to-use

## Airlift® Clothesline Fresh® Clean

Clean, crisp, powerful fragrance that is soft and refreshing, Airlift Clothesline Fresh Clean is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

**#3047** 1 qt ■ ready-to-use

## Airlift® Clothesline Fresh® Linen

Delicate fresh linen scent that's light and crisp, Airlift Clothesline Fresh Linen is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

**#3048** 1 qt ■ ready-to-use

## Airlift® Clothesline Fresh® Soft

Soft, elegant aroma that is simple and pure, Airlift Clothesline Fresh Soft is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

**#3050** 1 qt ■ ready-to-use

## Airlift® Cranberry Ice®

Featuring a sweet, luscious cranberry fragrance with a touch of fruitiness, Airlift Cranberry Ice is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

**#3018** 1 qt ■ ready-to-use

## Airlift® Fresh Scent

Featuring a classic powdery and comforting scent that elicits freshness and warmth, Airlift Fresh Scent is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

# BIOAUGMENTATION PRODUCTS

## BioTransport® 1 Consume Eco-Lyzer®

Consume Eco-Lyzer is a revolutionary quaternary-based disinfectant concentrate formulated to destroy pathogenic and odor causing bacteria and viruses, remove soils and leave natural digesters behind for residual control of nuisance odors. All in one, Eco-Lyzer features patented cleaning technology that reduces janitorial labor by cleaning, disinfecting, and digesting residual organic soils with one product. **EPA Reg. No. 5741-24**

#4597 2 ltr ■ 2 - 6 oz/gal

## BioTransport® 2 Consume Micro-Muscle®

An industrial strength degreaser with odor control, Micro-Muscle quickly penetrates and digests petroleum-based soils such as: motor oil, hydraulic fluid, stamping oils, and lubricants. With residual organic digesters for ongoing odor control, Micro-Muscle helps degrade petroleum soils found in waste treatment systems. Use in manufacturing, print shops, repair shops, loading docks, and mass transit systems.

#4534 2 ltr ■ 1 - 128 oz/gal

## Consume®

Multi-functional at its best! Consume is a cleaner, odor eliminator, stain remover, and drain maintainer. It naturally removes difficult organic soils from many surfaces including tile, concrete, steel, and carpet. Regular use of Consume eliminates organic build-up in drains, keeping them clear and odor-free. Ideal for cleaning and odor control in many areas, such as carpets, drains, dumpsters, and more!

#3097 1, 5, 15, 30, 55, 330 gal ■ straight - 64 oz/gal

#3197 1 qt ■ ready-to-use

## Consume Bio-Bowl®

A ready-to-use, natural acid toilet, urinal, and shower room cleaner with organic digesters and bio-based cleaning agents to effectively remove hard water, urine deposits, and related odors. The unique blend of digesters and bio-based acid controls foul odors, digesting urine build-up in pipes to keep them free flowing and odor free. Consume Bio-Bowl can be used in urinals, toilets, and drains.

#3397 1 qt ■ ready-to-use

#3396 55 gal ■ ready-to-use

## Consume® Drop-in-a-Drain

A convenient, single dose natural drain treatment, Drop-in-a-Drain naturally digests drain line build-up and blockage. Its unique single dose comes in water soluble dosing packets. Drop-in-a-Drain is easy to use and great showers, sinks, septic systems, floor drains, beer and soda tap drains.

#3205 336 packets ■ ready-to-use

## Consume Eco-Lyzer®

Consume Eco-Lyzer is a revolutionary quaternary-based disinfectant concentrate formulated to destroy pathogenic and odor causing bacteria and viruses, remove soils and leave natural digesters behind for residual control of nuisance odors. All in one, Eco-Lyzer features patented cleaning technology that reduces janitorial labor by cleaning, disinfecting, and digesting residual organic soils with one product. **EPA Reg. No. 5741-24**

#3297 1, 5, 15, 30, 55, 330 gal ■ 2 - 6 oz/gal

## Consume® FWD

Consume FWD is a farm waste digester that effectively controls foul odors at their source, reduces sludge build-up, and breaks down manure in lagoons. FWD is ideal for use in poultry, swine, dairy, and equine farms. The unique digesters efficiently control odor-causing materials while the formula of Consume FWD speeds up the composting process, making fertilizer more readily available.

#3106 50 packets ■ ready-to-use

## Consume® LIQ

Liquid wastewater treatment naturally digests organic soils in drains, grease interceptors, septic tanks, and wastewater systems. Consume LIQ maximizes efficiency to minimize operating costs. Routine application of Consume LIQ reduces biochemical oxygen demand and total suspended solids. Additionally, it can reduce the volume of sludge and costs associated with disposal.

#3102 5, 15, 30, 55, 330 gal ■ ready-to-use

## Consume Micro-Muscle®

An industrial strength degreaser with odor control, Micro-Muscle quickly penetrates and digests petroleum-based soils such as: motor oil, hydraulic fluid, stamping oils, and lubricants. With residual organic digesters for ongoing odor control, Micro-Muscle helps degrade petroleum soils found in waste treatment systems. Use in manufacturing, print shops, repair shops, loading docks, and mass transit systems.

#3497 1, 5, 15, 30, 55, 275, 330 gal ■ 1 - 128 oz/gal

## Consume® POW

A powdered wastewater treatment that naturally cleans by assisting in the removal of organic soils in grease interceptors, septic tanks, drain fields, lift stations, and wastewater systems. Consume POW digesters speed up the process of organic soils and difficult compounds including phenols and cellulose, saving time. POW improves system stability, lowering maintenance needs, saving time and money.

#3104 5 gal bulk ■ ready-to-use

#3105 5 gal packets ■ ready-to-use

## CX3 Bio-Assist®

A heavy-duty soil extraction carpet cleaner with Consume's digestive power, CX3 has organic digesters stay behind for residual odor control and waste removal. It is low foaming, non-corrosive, phosphate free, biodegradable and non-flammable. Ideal for nursing homes, day cares, schools, restaurants, casinos, food handling areas, pet facilities, or anywhere carpet odor problems may be a nuisance.

#3110 1, 15, 30, 55, 275, 330 gal ■ 2 oz/gal

# CARPET CARE

## Bonnet and Traffic Lane Carpet Cleaner

Bonnet & Traffic Lane Carpet Cleaner is specially formulated to be used in conjunction with the bonnet buffing, spin yarn, or soil transfer method carpet cleaning. Most effectively used against light to medium soil conditions and is excellent for high traffic areas. Dry and wet solvents blended with soil emulsifying wetting agents provide quick penetration and transfer of soil from carpeting to the bonnet.

#3085 1 gal ■ 16 - 42 oz/gal

## Contempo® H2O2 Spotting Solution

Contempo H2O2 Spotting Solution is a convenient, ready-to-use, hydrogen peroxide-based carpet spotting solution and pre-spray treatment. Providing on-the-spot cleaning action, this hydrogen peroxide-based product cleans away many of the most common stains including red wine, red sauces, mustard, grape juice, coffee, tea, food grade red dye, cooking oils and greases, and motor oil.

#3256

## NABC® Concentrate 1

NABC Concentrate is a broad range germicidal cleaner-disinfectant concentrate specifically designed to clean and disinfect toilet bowls, urinals and other hard, nonporous restroom surfaces. NABC Concentrate's pleasant and unique light floral fragrance incorporates an odor-killing component to deodorize toilet bowls, urinals and surrounding areas. **EPA Reg. No. 5741-20**

#4716 2 ltr ■ 2 oz/gal

## THE Degreaser 6

An ecologically-sound, environmentally-conscious, heavy-duty all-purpose industrial cleaner formulated to remove grease, oil and other tough soils without upsetting the ecosystem of water and waste treatment facilities. THE Degreaser is a powerful detergent complex with aggressive grease emulsification ability that quickly penetrates, emulsifies and removes tough industrial soils such as soot, oils and lubricants.

#4734 2 ltr ■ 2 oz/gal

## Super Concentrated Glass & Hard Surface Cleaner 3

A highly-dilutable formula designed to clean glass and other hard surfaces quickly and with minimal effort. Super Concentrated Glass & Hard Surface Cleaner contains no ammonia, no vinegar and minimal isopropanol. Rinse free, Super Concentrated Glass & Hard Surface Cleaner leaves surfaces clean and streak free.

#4730 2 ltr ■ 2 oz/gal

## Acid Bathroom & Shower Cleaner 7

A light to medium duty cleaner/maintainer formulated for use on restroom and shower room surfaces, toilet bowls and urinals. This non-fuming, surface friendly acid, when used as directed, will not cause severe corrosivity to most metal surfaces. Acid Bathroom & Shower Cleaner has a citrus-y, clean, fresh deodorizing fragrance with no offensive acid bite.

#4724 2 ltr ■ 2 oz/gal

## Multi Surface Cleaner 4

Multi Surface Cleaner quickly penetrates and emulsifies even ground in greasy soils. Safe to use on a variety of surfaces including finished floors, Multi Surface Cleaner's aggressive cleaning power makes it particularly effective as a top scrub for removing heavy or burnished-in soils commonly found in high traffic areas.

#4740 2 ltr ■ 2 oz/gal

## Damp Mop 8

No-rinse floor cleaner concentrate reduces time and labor cost of daily maintenance of high gloss, metal-interlock floor finishes. Quickly and effortlessly removes dirt and other surface soils in heavily trafficked areas. Quick drying, Damp Mop leaves no residue or haze to dull floor finish. With a pleasant lemon fragrance, Damp Mop is also biodegradable and phosphate-free.

#4736 2 ltr ■ 2 oz/gal

## Smoke & Odor Eliminator™ 5

Powerful earthy scent with hints of leather and pine, Smoke & Odor Eliminator is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

#4786 2 ltr ■ 2 oz/gal

## Xtraction II® 9

Xtraction II is a fast acting, heavy-duty carpet cleaner for use with hot or cold water extractors. Featuring a power boosting dual surfactant system, the low foaming solution leaves no residue to contribute to re-soiling. Xtraction II does not create unnecessary suds which may clog equipment or inhibit the efficiency of vacuum pick up.

#4738 2 ltr ■ 2 oz/gal

## Sani-T-10®

Sani-T-10 is a disinfectant, sanitizer, algacide, and deodorizer used for anything from disinfecting hospital rooms and rinsing bar glasses, to keeping algae growth from occurring in pools. Sani-T-10 does not contain cleaning agents, perfumes, or any other additives that can be a problem in food-contact areas.

EPA Reg. No. 5741-13

#4800 2 ltr ■ 0.25 oz/gal

## Airlift® Tropical 13

Tropical blend of fruits and flowers, laced with refreshing hints of citrus, Airlift Tropical is a water-soluble air freshener formulated to eliminate unpleasant odors. #3514 2 ltr ■ 2 oz/gal

## Green Solutions® Industrial Cleaner 105

Green Solutions Industrial Cleaner is a non-toxic, heavy-duty product formulated to tackle difficult cleaning tasks. The super surfactant blend provides quick penetration and initial removal of everyday petroleum-based soils such as motor oil, hydraulic fluid, lithium grease, lubricant oils and stamping oils, etc.

#3515 2 ltr ■ 2 oz/gal

# CONCRETE CARE

## Concrete Prep®

Concrete Prep is designed to prepare concrete floors for sealing. In addition to providing a preparatory etching step, Concrete Prep contains a special corrosion inhibitor to help prevent flash rusting of metal objects such as steel support beams, that cannot be removed prior to etching and sealing.

#5815 5, 15, 30, 55, 275 gal ■ ready-to-use

## Concrete Seal

Concrete Seal is a protective seal, effective on either old or newly-laid concrete floors. Concrete Seal protects against grease, dirt, and damaging stains, and prevents the concrete from dusting or powdering. Easily maintained and resistant to alkaline salts, Concrete Seal may be used on exterior as well as interior concrete.

#2977 5, 55 gal ■ ready-to-use

## Exterior Waterproofer

Spartan Exterior Waterproofer is a one coat, exterior waterproofing compound for wood, concrete, brick, and other masonry substrates. The clear formula will not darken or discolor treated areas. Providing a protective barrier against UV, water damage, grease, oil, dirt, mildew, and other damaging soils, Exterior Waterproofer makes clean up easy.

#5870 1 gal ■ ready-to-use

## LUSTRE™ Stone Care Restorative Cleaner

Lustre Stone Care Restorative Cleaner strengthens the floor as it cleans. With a non-etching, neutral pH formula, Restorative Cleaner can be used on a variety of hard flooring including concrete, terrazzo, stone, and masonry. Featuring unique nanoglass technology, Restorative Cleaner fortifies hardness as you clean to protect against wear and heavy traffic. The rinse-free formula dries quickly to provide a streak-free floor.

#5814 1, 5 gal ■ 2 oz/gal

## New Generation 100®

A self-leveling, 100% solids, low-viscosity liquid epoxy, New Generation 100 restores damaged, deteriorated concrete to stronger better-than-new condition. New Generation 100 can be used for patching, grouting and creation of decorative flooring with convenient pre-measured packaging. The formula is solvent-free with very low odor and excellent blush, humidity and water resistance.

#5861 4 gal kit (clear) ■ ready-to-use

#5862 4 gal kit (grey) ■ ready-to-use

## New Generation Epoxy Patch & Repair Kit®

New Generation Epoxy Patch and Repair Kit is a 2-part industrial concrete repair system recommended to fill large holes, cracks, spalls, voids, other surface defects, to install anchor bolts, posts poles and as a polymer grout. With excellent adhesion, New Generation Epoxy Patch and Repair Kit is great for super tough, speedy repairs and will cure faster and stronger than concrete.

#5865

## Straight Seal®

Straight Seal's formulation is developed specifically to seal and protect concrete without the unpleasant odor associated with solvent-type sealers. This one-step, ready-to-use formula is recommended for use in light industrial traffic areas and as a top-coat to eliminate surface dusting; resists the penetration of gasoline, grease, oil and other damaging soils-the end result being a longer-lasting concrete floor.

#5820 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

# DISINFECTANTS/SANITIZERS

X-EFFECT Restroom Cleaner offers a convenient and effective solution for removing bacteria and viruses while leaving a fresh lavender fragrance. **EPA Reg. No. 5741-25**

#7319 1 qt ■ ready-to-use

# DISPENSERS & DILUTION CONTROL

## FOOD PROCESSING

### ChemSelect®

The Spartan ChemSelect cleaning and sanitization dispenser is designed for both clean/rinse (one product) and clean/rinse/sanitize (two product) operations. A simple lever operation enables staff to quickly change between steps and ensures accurate dilution control. A convenient, adjustable foam gun attachment provides a thick, rich foam for more effective cleaning.

#908000

### Foam-It 20

Powered by compressed air, the Foam-It 20 foamer produces thick, voluminous foam for cleaning and sanitizing operations. A 20-gallon translucent tank, provides extended cleaning capability, as well as visual indication of fill levels. A chemically-resistant construction ensures that the Foam-It 20 can dispense even the most aggressive chemicals used in your sanitation operation.

#991700

### Portable Drain Foamer

Compact with a manual pump, the Portable Drain Foamer is perfect for small foaming jobs and spot cleaning. The 1.5 liter foam unit is designed with a view stripe for easy visibility of product levels, as well as a pressure relief valve to ensure safety.

#994700

### UB Selecto

The Spartan UB Selecto is a compact, wall mounted dispensing system for cleaning and sanitization. A simple ball valve operation enables staff to change between wash, rinse, sanitize steps and ensures accurate dilution control. The unit includes a foam gun attachment for effective cleaning.

#920600

## HAND HYGIENE

### Bulk Liquid Hand Soap Dispenser

The Bulk Liquid Hand Soap Dispenser is an economical and sustainable solution for your hand hygiene needs. Available in black or white, the attractive dispensing cabinet features a tamper proof lock and a 1000 ml. reservoir.

#980900 white

#981300 black

### Lite'n Foamy® Counter Mount Dispenser

The Lite'n Foamy Counter Mount Dispenser is a premium system designed to deliver rich quality foam right from the counter top. Featuring a convenient, top fill refill spout, the Lite'n Foamy Counter Mount Dispenser reduces labor associated with hand hygiene maintenance and makes it easy to ensure that soap hand wash is consistently available for facility occupants.

#965500 6"

#967700 4"

### Lite'n Foamy® Foam Dispenser

Lite'n Foamy is the economical and sustainable choice for end-users. The Lite'n Foamy Foam Dispenser works with the Lite'n Foamy line of hand washes and sanitizers to produce the right amount of foam for each application. Available in black or white, the attractive dispensing cabinet features a tamper-proof lock and a 1000 mL reservoir yielding over 1200 washes per tank.

#975600 white

#975700 black

### Lite'n Foamy® Touch-Free Dispenser

The Lite'n Foamy Touch-Free Dispenser works with the Lite'n Foamy line of hand washes and sanitizers to produce the right amount of foam for each application. Hands-free operation minimizes the risk of cross contamination in restrooms. Available in black or white, the attractive dispensing cabinet features a tamper-proof lock and a 1000 mL reservoir yielding over 1200 washes per tank.

#977200 white

#977300 black

### foamiQ® Sanitizer Stand

Perfect for use in schools, restaurants, offices, and hospitals, the foamiQ Sanitizer Stand is heavy-duty so it won't shift when dispensing, and is made of durable, powder-coated steel to withstand the toughest environments. The sleek design is 52" tall and features pre-drilled mounting holes. Compatible with the foamiQ dispensing cartridge. Mounting kit included.

#99123

### Lite'n Foamy® Touch-Free Sanitizer Stand

The Lite'n Foamy Touch-Free Sanitizer Stand offers a touch-free sanitizing solution for keeping your facility safe and clean. Ideal for use in offices, schools, warehouses, food service facilities, manufacturing, hospitals, and much more, the Lite'n Foamy Touch Free Sanitizer Stand is lightweight, making it portable to any desired location. Compatible with Lite'n Foamy hand soaps and sanitizers.

#99068

## HOUSEKEEPING

### 4-Product Dispensers

The Spartan 4-Product dispensers offer employee safety, accurate diluting, and cost-control. Professional products must be used as specified to comply with safety statements and OSHA regulations. Over-proportioned chemicals equal a higher in-use cost, and to ensure efficacy against a specified organism disinfectants must be properly diluted. Spartan 4-product dispensers are designed to work with Spartan Clean on the Go and other concentrated products.

**#99162** bucket fill (flex gap)

**#99163** bottle fill (flex gap)

### Clean on the Go® Bottle Fill Dispenser

The Clean on the Go dispensers offer employee safety, accurate diluting, and cost-control. Professional products must be used as specified to comply with safety statements and OSHA regulations. A convenient, integrated, storage cabinet houses up to four 2-liter cartridges and locks to prevent theft and keep employees safe.

**#945600**

### SAM Spartan Accurate Measurement Dispensing System

The SAM Spartan Accurate Measurement Dispensing System stainless steel unit dispenses diluted chemical directly into quart bottles, buckets or equipment. With an accurate dilution range from 1:3 – 1:256, the robust and durable dilution control unit is simple to operate with a locking button operation.

**#921000** 3-pump

## HOUSEKEEPING (CONTINUED)

### simplidose™

The simplidose portable dosing system provides accurate dosing of Spartan Chemical products when a connected water source is not available. With a forced dispensing mechanism, simplidose ensures that cleaning staff dose the correct amount of product to get the best performance and efficacy required to complete the task at hand.

**#99165** bottle fill (1/2 oz)

**#99166** bucket fill (1 oz)

### Spartan Foam Gun Model #481

The Spartan Foam Gun Model #481 produces ready-to-use foam on demand. Simply add the concentrated product of choice to the translucent tank and connect the gun handle to a water line and you're all set. The system features a replaceable metering tip to enable dilution and adjustment from 1:10 – 1:256.

**#997300**

### SpartaSprayer 3.0

The SpartaSprayer 3.0 is a compact, manual pump-up sprayer with maximum portability for small jobs and spot cleaning. A comfortable grip handle with trigger provides quick on/off control. The 1.5 liter tank features Viton seals for chemical compatibility and easy visibility of product levels.

**#997502**

## INDUSTRIAL

### Tote Dispensing System

The Tote Dispenser System facilitates easy dilution control for heavy chemical usage items. Utilizing gravity to dilute and dispense the chemical, the Tote Dispenser System also features a fast-fill hose perfect for filling auto scrubbers. The system includes: one empty tote, one HydroMinder #511 and one tote tapping parts assortment.

**#907400** 275 gallon system

**#907700** 330 gallon system

## KITCHEN SERVICES

### 3-Sink Push Dispenser

The 3-Sink Push Dispenser offers an affordable and convenient manual dispenser option for 3-sink sanitation in food prep and food service applications. Simply mount unit on wall adjacent to machine and the dispenser will consistently and accurately dispense 1 oz of product per push.

**#905900**

### Auto Drain

Maintain your drains with little day-to-day effort by using the Spartan Auto Drain. Simply program the Auto Drain to dispense your drain maintenance product at an interval of your choice and the unit will take it from there. Available in battery or electric power options, the Spartan Auto Drain makes it simple to maintain drains using your favorite Consume® product.

**#920400** battery powered

## LAUNDRY CARE

### Front Load Total Eclipse Laundry Dispenser (3-pump)

The Front Load Total Eclipse Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including a washer mounted controller, machine Interface, and a wall mounted pump module, the automatic management system can handle up to 3 laundry chemicals and up to 20 different formulas.

#963200

### Front Load Total Eclipse Laundry Dispenser (4-pump)

The Front Load Total Eclipse Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including a washer mounted controller, machine Interface, and a wall mounted pump module, the automatic management system can handle up to 4 laundry chemicals and up to 20 different formulas.

#963300

### Front Load Total Eclipse Laundry Dispenser (5-Pump)

The Front Load Total Eclipse Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including a washer mounted controller, machine Interface, and a wall mounted pump module, the automatic management system can handle up to 5 laundry chemicals and up to 20 different formulas.

#963400

### Laundry Push Dispenser

The Laundry Push Dispenser offers an affordable and convenient manual dispenser option for top load, on premise, laundry operations. Simply mount unit on wall adjacent to machine and the dispenser will consistently and accurately dispense 1 oz. of product per push.

#962600

### MiniWash

MiniWash is a series of compact dispensing systems designed for use with top-load or OPL washing machines. The dispensers feature timed mode programming for laundry chemicals. Installation is simple and easy using the supplied wall-mounting brackets.

#99168 2-pump

#99169 3-pump

### Taurus Push Button Dispenser

The Taurus is a fully programmable single pump dispenser designed for use on top load laundry applications as well as any application requiring a single product to be dosed with extreme accuracy. Once programmed, a simple press of the button begins the dispensing cycle. A tool-free squeeze tube change out, offers convenient preventative maintenance.

#930200

### Top Load Laundry Dispenser (2-pump)

The Spartan Top Load Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including an integrated controller and wall mounted pump module, the automatic management system can handle up to 2 laundry chemicals.

#960100

### Top Load Laundry Dispenser (3-pump)

The Spartan Top Load Laundry Dispenser system is a compact, easy to use dispenser for on premise laundry applications. Including an integrated controller and wall mounted pump module, the automatic management system can handle up to 3 laundry chemicals.

#960200

### Spartan Connected Dosing System

Spartan's centralized dosing systems are custom-configured to work with industrial laundry equipment. Customers can save time and hassle with a single control point for the entire plant. The systems are connected via Wi-Fi or cellular, so real-time data is provided anytime, anywhere. A customizable dashboard enables you to modify and manage all aspects of the chemical dosing and linen program.

#99145

# FOOD PROCESSING SANITATION

## Acid Blend FP®

Acid Blend FP is a nitric and phosphoric acid blend used for passivation and to remove iron and other inorganic deposits from tank surfaces. Formulated to passivate and brighten stainless steel tanks Acid Blend FP inhibits the negative impacts of iron residue on beer's flavor and leaves surfaces sparkling. The low foaming formula is designed for use in manual and CIP cleaning operations.

#3124 5, 55 gal ■ 1 - 6 oz/gal

## Acid Sanitizer FP®

Acid Sanitizer FP is a concentrated phosphoric acid formulation designed to clean and sanitize a variety of surfaces commonly found in dairy, beverage, food processing and farm applications. Acid Sanitizer FP is an acid cleaner sanitizer for use on food processing and dairy equipment in water up to 600 ppm hardness (as CaCO<sub>3</sub>). For all soiled equipment, a preliminary cleaning is required. EPA Reg. No. 10324-67-5741

#3154 1, 5, 15, 30, 55, 275 gal ■ 1 oz/4 gal

## Caustic Cleaner FP®

A high alkaline, low foam liquid, Caustic Cleaner FP is designed to remove or clean soil from food processing and packaging equipment and the surrounding work areas. An excellent CIP cleaner to remove heavy encrustations. Also recommended for smokehouse cleaning. High performance even in hard water.

#3189 1, 5, 15, 30, 55, 275 gal ■ 1 - 12 oz/gal

## Chlorinated Degreaser

Heavy-duty concentrated liquid formulated with bleach to quickly remove carbonized soils such as blood stains from floors, walls and food processing equipment. The bleach cleaning action of Chlorinated Degreaser is high foaming and great for fast grease release. Safe to use on aluminum, galvanized steel and stainless steel and works well in hot or cold, hard or soft water.

#3080 1, 5, 15, 30, 55, 275 gal ■ 6 oz/gal

## Chlorinated Plus®

Chlorinated Plus is an ultra heavy-duty, strong alkaline, high foam, concentrated degreaser, fortified with bleach. Chlorinated Plus is formulated for heavily soiled food processing surfaces and equipment contaminated with animal fats and oils, blood stains, and other baked on carbonized soils. Chlorinated Plus may be used in meat, poultry, seafood, and other food processing industries.

#3074 5, 15, 30, 55, 275 gal ■ 1 - 4 oz/gal

## DFP-32®

Economical general purpose cleaner. Use in all areas of food processing, food handling and food service. Rapidly emulsifies and removes animal fat, grease, vegetable oil, blood, smoke film and other problem soils. Rinsing leaves hard surfaces virtually odorless and film free. Biodegradable. Phosphate free. Kosher and Pareve.

#3008 1, 5, 15, 30, 55, 330 gal ■ 4 - 26 oz/gal

## Eggs-So-Clean® Egg Washing Compound

A uniquely formulated washing compound specifically designed for use in shell egg washing applications. Non-chlorinated, Eggs-So-Clean Egg Washing Compound, is a combination of several surfactants that aid in cleaning and preventing soil from redepositing on the eggshell. Provides efficient egg washing by quickly removing chicken feces, blood, dirt, mud, feathers, insects and other soil from the eggshell.

#3129 5, 55, 275 gal ■ 0.5 oz/gal

## Eggs-So-Clean® pH Booster

Designed to use in conjunction with Eggs-So-Clean Egg Washing Compound, Eggs-So-Clean pH Booster is a 25% caustic solution designed to insure proper pH. Eggs-So-Clean pH Booster neutralizes the level of contaminants such as egg proteins, soils, and other egg waste in the wash water. This assures a pH level in keeping with Industry and HACCP (Hazard Analysis and Critical Control Points) guidelines of 10.0 or greater.

#3125 5, 55 gal ■ 1 oz/100 gal

## Foam Additive FP®

Foam Additive FP is a highly concentrated liquid designed to add a high foam characteristic to Caustic Cleaner FP and High Acid Cleaner FP. This foaming feature is most desirable when cleaning vertical surfaces for it prolongs contact time making soil removal easier. Foam Additive FP can also add thickness to Spartan Food Processing products when the job requires brush-on application.

#3109 1 qt ■ 1 - 12 oz/gal

## Foaming Acid Cleaner FP®

This concentrated, high performance, phosphoric acid based product is specifically formulated and boosted with high foamers for use in dairy and food processing applications. Foaming Acid Cleaner FP's high foaming feature provides a thick, rich foaming lather that grips vertical and horizontal surfaces extending contact time for better cleaning performance.

#3081 5, 15, 30, 55, 275 gal ■ 1 - 10 oz/gal

## Foaming Caustic Cleaner FP®

A high-foam, high-alkaline liquid concentrate, Foaming Caustic Cleaner FP penetrates, emulsifies and removes tough food soils as well as natural and liquid smoke residue from smokehouses and other food processing equipment. The powerful cleaning force of sodium hydroxide and sodium metasilicate saponifies fat, dissolves protein, and removes carbonized and greasy soils quickly and efficiently.

#3179 5, 15, 30, 55, 275 gal ■ 1 - 12 oz/gal

## Food Grade Machinery Lubricant

Food Grade Machinery Lubricant is designed specifically for lubricating food processing equipment and machinery where there is a possibility of incidental food contact. A special blend of mineral oil that lubricates contaminants, Food Grade Machinery Lubricant effectively loosens rust, dirt and grime while leaving a protective barrier. Formulated to meet sanitary requirements for use on certain parts of machinery.

#6525 20 oz ■ aerosol

## FP Pro™ Food Contact Sanitizer

FP Pro Food Contact Sanitizer is an alcohol-based sanitizer developed for use on previously cleaned hard, non-porous food contact surfaces in food and beverage plants and food service establishments. With FP Pro Food Contact Sanitizer, you can sanitize surfaces and kill 99.9% of foodborne pathogens that may cause illness, including Salmonella, Listeria, and E.coli. FP Pro Food Contact Sanitizer has demonstrated greater than 99.999% reduction of organisms in 1 minute. The product is pre-mixed, ready to use and requires no rinse, even on food contact surfaces.

#3070 1 qt; 55 gal ■ ready-to-use

## Freezer Cleaner FP®

Freezer Cleaner FP is a heavy-duty formula designed to clean floors, walls and equipment in sub-freezing cold storage and freezer areas without the need for defrosting. A unique solvent-detergent blend, Freezer Cleaner FP, contains solvents to depress the freezing point and cut grease as well as detergents to emulsify and penetrate surface soils.

#3128 1, 5, 15, 55 gal ■ 1:1 - 3:1

## Fryer Cleaner FP

Fryer Cleaner FP is a powerful industrial fryer boil-out compound formulated to remove baked-on carbon and grease. The cost-effective concentrate is economical and allows for adjustment of the product strength based on specific fryer capacity and soil load. The dual-action formula aggressively attacks carbon deposits. Keep your equipment clean with Fryer Cleaner FP and ensure product quality and consistency.

#3191 5, 55, 275 gal ■ 1 - 12 oz/gal

## High Acid Cleaner FP®

Formulated for dairy and food processing industry. Removes mineral deposits like milkstone and beerstone from stainless steel, and other acid resistant surfaces. Low foaming, with complete rinsability, High Acid Cleaner FP is an excellent product for CIP cleaning and neutralizing applications. Assists dairies in compliance with the grade "A" Pasteurized Milk Ordinance.

#3082 1, 5, 15, 30, 55, 275 gal ■ 1 - 10 oz/gal

## High Acid Cleaner FP® Phosphate Free

Formulated for dairy and food processing industry, High Acid Cleaner FP Phosphate Free removes mineral deposits like milkstone and beerstone from stainless steel, and other acid resistant surfaces. Low foaming, with complete rinsability, High Acid Cleaner FP Phosphate Free complies with state phosphate regulations and is an excellent product for CIP cleaning and neutralizing applications.

#3095 5, 15, 30, 55, 275 gal ■ 1 - 10 oz/gal

## High Performance Alkaline FP

High Performance Alkaline FP is a highly concentrated alkaline detergent used for brewery cleaning (i.e. brew kettles, fermenters, conditioning tanks, filters), fryer boil-out, and CIP/COP applications. Effective at removing baked on soils, High Performance Alkaline FP removes, proteins, fats, carbohydrates, sugars and other stubborn soils found in brewery's and other food processing applications.

#3126 5, 55, 275 gal ■ 2 - 6 oz/gal

## Inspector's Choice®

Designed to tackle tough cleaning and degreasing jobs, Inspector's Choice offers fast, foamy, grease release action for animal fats and organic oils. Unlike other meat room cleaners, Inspector's Choice foam has a unique lifting action that actually brings the soils to the surface allowing them to be rinsed away. Residue free, Inspector's Choice is safe for use on quarry tile and other food prep surfaces.

#3045 1, 5, 15, 30, 55, 275 gal ■ 6 oz/gal

## LFC®

High alkalinity and bleach form the base of this low foam, high performance formula developed exclusively for pressure cleaning. The low foaming characteristic of LFC mean less foam and less time spent rinsing. LFC's bleach cleaning action provides quick protein removal and de-staining. The buffered alkaline components react with fats to emulsify, remove fatty soils, grease, oils and carbonized soils.

#3075 1, 5, 15, 30, 55, 275 gal ■ 6 oz/gal

## Lite'n Foamy® E2 Sanitizing Hand Wash

Lite'n Foamy E2 Sanitizing Hand Wash is a benzalkonium chloride-based, triclosan-free, fragrance-free, foaming, anti-bacterial hand wash designed for use in food processing and service areas. The Lite'n Foamy system is the economical choice for end-users. With reduced packaging, it is also the sustainable choice to reduce landfill waste.

#3339 1, 55 gal ■ ready-to-use

## Lite'n Foamy® E3 Hand Sanitizer

Lite'n Foamy E3 Hand Sanitizer is a benzalkonium chloride-based, triclosan-free, fragrance free foaming, anti-bacterial hand sanitizer designed for use in food processing and service areas. The Lite'n Foamy system is the economical choice for end-users. With reduced packaging, it is also the sustainable choice to reduce landfill waste.

#3340 1 gal ■ ready-to-use

## Oven & Grill Cleaner

Oven & Grill Cleaner provides rapid penetration and emulsification of tough soils such as baked-on carbon, grease and food deposits. Recommended for use in cleaning commercial and institutional ovens, grills, hoods, rotisseries, deep fat fryers, and small cutlery item, etc. Oven & Grill Cleaner is non-flammable and safe to use when the recommended preliminary steps are taken.

#3004 1, 15, 30 gal ■ ready-to-use - 12 oz/gal  
#3194 1 qt ■ ready-to-use

## PAA Sanitizer

PAA Sanitizer is a peroxyacetic acid-based sanitizer/disinfectant developed for use on previously-cleaned hard, non-porous food contact surfaces in food and beverage plants, egg facilities, and eating establishments. Effective against *Staphylococcus aureus*, *Listeria monocytogenes*, *Salmonella enterica*, and *Escherichia coli*, PAA Sanitizer has demonstrated greater than 99.999% reduction of organisms after 60 seconds. PAA Sanitizer can also be used as a fruit and vegetable water treatment.

EPA Reg. No. 63838-1-5741

#3127 2.5, 4.8, 52 gal ■ 1 oz/5 gal

## Peroxy Protein Remover, Cleaner & Whitener

Peroxy Protein Remover, Cleaner & Whitener is a hydrogen peroxide-based cleaner designed to remove proteins and whiten protein stains from all types of food preparation surfaces. Formulated specifically for food handling, food processing, and food service operations, Peroxy Protein Remover can be used as a general purpose cleaner to remove animal fat, grease, blood, vegetable oils, food residues and other tough soils.

#3821 1, 5, 15, 30, 55, 275 gal ■ 1 - 12 oz/gal  
#4822 clean on the go ■ 2 - 6 oz/gal

## PRO-Vention™

PRO-Vention is a peroxyacetic acid-based antimicrobial solution developed for use in Federally Inspected meat and poultry processing locations. If used as directed, it will help to reduce contamination and cross-contamination of edible food products. Its use is acceptable for direct or indirect contact in or on food, including fruits, vegetables, meat, and poultry, fish & seafoods, marinades & brines. When used according to label instructions, PRO-Vention may be used in process water, ice or brine used for washing, rinsing or cooling of processed and preformed ready-to-eat meat and poultry.

#3833 55 gal ■ 0.2 - 15 oz/10 gal

## Sani-T-10 Plus®

Sani-T-10 Plus is a 4th generation quat-based, food contact sanitizer for use in food handling areas, Federally inspected meat and poultry plants, fruit and vegetable processors, restaurants, bars and institutional kitchens. Ideal to sanitize several types of food processing equipment or fruit and vegetable conveyors dishes, as well as a non-chlorinated option for egg shell sanitizing!

EPA Reg. No. 10324-117-5741

#3159 1, 5, 15, 30, 55, 275 gal ■ 0.75 - 2 oz/4 gal  
#4801 clean on the go ■ 0.75 - 2 oz/4 gal

## Sani-Tyze®

Sani-Tyze, food contact surface sanitizer, is a ready-to-use quaternary-based cleaner, sanitizer and deodorizer formulated for maximum economy and convenience wherever food is processed, prepared, or served. Sani-Tyze can be used as a light duty cleaner on any multi-touch surface such as refrigerators, drinking fountains, and ice machines or it can be used as an effective deodorizer. EPA Reg. No. 10324-107-5741

#3195 1 qt ■ ready-to-use

## SparCHLOR®

A chlorinated sanitizer formulated for use on food and non-food contact surfaces. SparCHLOR is proven to reduce 99.999% of bacteria such as *Escherichia coli* and *Staphylococcus aureus*. SparCHLOR is highly concentrated and provides superior performance with low in-use cost. An excellent deodorizer for those who prefer the traditional chlorine sanitizing fragrance.

EPA Reg. No. 5741-20001

#3090 1, 5, 15, 30, 55, 275 gal ■ 1 - 5 oz/gal

# GLASS CARE

## BioRenewables® Glass Cleaner

BioRenewables Glass Cleaner is a bio-based product designed to clean mirrors, glass, and plexiglass surfaces. For use on window glass, panes and sills, mirrors, countertops, chrome, automobile glass, fluorescent lights and tubing, and any other glass or mirror finish. BioRenewables Glass Cleaner removes tough soils such as grease, smoke, oils, tape residue, food stains, dust, and dirt.

#3835 1, 5, 15, 30, 55, 275 gal; simplifill ■ 2 oz/gal

#4835 clean on the go ■ 2 oz/gal

#3239 1 qt ■ ready-to-use

## Clean by Peroxy®

Clean by Peroxy is a Green Seal™ Certified all-purpose cleaner that is formulated with the cleaning power of peroxide. One product does it all! Clean windows, mirrors, floors, walls, carpets, restrooms, kitchens, tile and grout without streaking. With Clean by Peroxy, you can minimize the number of products in your cleaning program; simplifying training and inventory management.

#0035 1, 5, 15, 30, 55, 275 gal; simplifill ■ 1 - 12 oz/gal

#4820 clean on the go ■ 2 oz/gal

## Concentrated Window Cleaner

Concentrated Window Cleaner is the economical solution for window and glass cleaning. With a dilution of 1:20, one quart makes five gallons. The formula has a pleasant floral fragrance and is boosted with distilled vinegar for added cleaning. No rinsing is required and there is no filming or streaking. Concentrated Window Cleaner can be used with Spartan Accurate Measure Dispensing System (SAM).

#3060 1 qt; 1, 15, 30, 55 gal ■ 6 oz/gal

## Glass Cleaner

Fortified with ammonia, Glass Cleaner dries quickly to provide a streak free finish! When used consistently, Glass Cleaner can help to repel re-soiling and finger printing. Offered in a convenient ready-to-use formula, simply fill a quart or bucket to clean windows, windshields, mirrors, display cases—any glass surface.

#3030 1, 5, 15, 30, 55, 275, 330 gal ■ ready-to-use

#3261 1 qt ■ ready-to-use

## Glass Cleaner

Glass Cleaner is a non-ammoniated glass cleaner that is great for use in industrial, institutional, and commercial facilities. With quick emulsification the formula suspends surface soils and smoke film for easy removal without streaking and the isopropyl alcohol provides rapid drying and excellent film-free characteristics.

#6217 20 oz ■ aerosol

## Green Solutions® Glass Cleaner

Green Solutions Glass Cleaner is an environmentally preferable glass cleaner, formulated to quickly penetrate, emulsify and remove dirt with minimal effort. Formulated responsibly for the environmental issues of today, including those of water and waste treatment facilities, Green Solutions Glass Cleaner is a certified EPA Safer Choice product.

#3507 1, 15, 30, 55, 275 gal ■ 2 oz/gal

#3512 2 ltr ■ 2 oz/gal

## Super Concentrated Glass & Hard Surface Cleaner 3

A highly-dilutable formula designed to clean glass and other hard surfaces quickly and with minimal effort. Super Concentrated Glass & Hard Surface Cleaner contains no ammonia, no vinegar and minimal isopropanol. Rinse-free, Super Concentrated Glass & Hard Surface Cleaner leaves surfaces clean and streak-free.

#4730 clean on the go ■ 2 oz/gal

## Xcelenté® Multi-Purpose Cleaner

Enjoy the fresh fragrance of lavender while you clean with Xcelente Multi-Purpose Cleaner. The convenient aerosol provides spray and wipe cleanup for stains and spills as they occur. Safe for use on a variety of hard surfaces, Xcelente delivers a shiny, streak-free finish on any surface not harmed by water, including glass!

#6031 20 oz ■ aerosol

# HARD FLOOR CARE

## Bounce Back®

Bounce Back is a concentrated finish-restorer designed to extend the life of floor finish. When used as part of a routine floor care program, Bounce Back maintains the high gloss of the foundation finish. Bounce Back is an excellent preventative maintenance product which resists scuffs, scratches, and black heel marks.

#4330 1, 5, 15, 30, 55, 330 gal ■ 32 - 64 oz/gal

## Damp Mop

Damp Mop is a versatile professional-grade, no-rinse cleaner that dries fast with no streaking or residue. Preserves the appearance of LVT, VCT, Stone and Marble flooring.

#3016 1, 5, 15, 30, 55, 330 gal ■ 2 - 6 oz/gal

#4736 clean on the go ■ 2 oz/gal

## Dust Mop/Dust Cloth Treatment

Dust Mop/Dust Cloth Treatment is a ready-to-use formula used to pick up dust, lint and soil, reducing the wear and abrasion of floor finishes from sand and soil prolonging the floor finish life. The pleasant fragrance and ease of use makes Dust Mop/Dust Cloth treatment appealing for the cleaning staff to use.

#3013 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

#3213 1 qt ■ ready-to-use

#6099 20 oz ■ aerosol

## The Fixx

The Fixx is a premium floor finish that uses patented, optically-enhanced polymer technology to create depth of gloss and remarkable clarity. The Fixx creates a clear, bright, non-yellowing gloss on floors. The formula provides initial deep gloss that will increase over time in response to burnishing. The end result is a durable, burnishable finish with high shine and long life.

#5446 1, 5, 55 gal ■ ready-to-use

## FloorFront®

Finally! A high-gloss, low-maintenance floor finish that is also environmentally responsible. Your high-traffic floors demand a superior floor finish, but budgets are lean. Enjoy measurable labor savings with FloorFront. It requires half the burnishing, re-coating, and stripping necessary with other zinc-free finishes.

#5447 1, 5, 55 gal ■ ready-to-use

## Glossy Black Floor Finish

Glossy Black Floor Finish is formulated to meet the unique maintenance requirements of black flooring. A highly durable, scratch and scuff resistant floor coating. Glossy Black Floor Finish is fortified with urethane for extra strength and built to last under heavy traffic conditions. Resistant to equipment skid marks, scratches, and scuffs, this user friendly finish is easy to apply, with no buffing required.

#4042 5 gal ■ ready-to-use

## Green Solutions® Floor Finish Remover

Green Solutions Floor Finish Remover is a low-odor, low-VOC (volatile organic compounds) remover specifically formulated to strip Green Solutions Floor Seal & Finish. Use in facilities and confined areas with confidence. Green Solutions Floor Finish Remover is fast acting and pleasant to use. An ideal choice for healthcare facilities, retail establishments, schools, administrative type offices and public buildings.

#3505 1, 5, 15, 30, 55, 275 gal ■ 6 - 64 oz/gal

## Green Solutions® Floor Seal & Finish

Green Solutions Floor Seal & Finish is an acrylic co-polymer based floor seal and finish. Formulated without zinc, Green Solutions Floor Seal & Finish will not cause problems with sewage effluent. No heavy metals. No glycol ether. No formaldehyde. Very low ammonia. Green Solutions Floor Seal & Finish is built to respect the environmental issues of today.

#3504 1, 5, 15, 30, 55, 275 gal ■ ready-to-use

## iShine®

iShine is a 25% high solids floor finish that employs patented optically enhanced polymer technology to amplify the overall gloss appearance and clarity of floors. The unique blend possesses cutting edge raw materials to form a high solids finish that provides total protection. iShine is a durable finish that provides maximum protection against scuff marks, water spots, and black heel marks.

#5455 1, 5, 55 gal ■ ready-to-use

## Laminate Lights® EnduraSTRIP™

EnduraSTRIP is a powerful water-based compound for quickly and efficiently removing traditional floor finishes. This product typically will accomplish in one application what many finish removers do in two or three, saving hours of labor.

#0067 1, 5, 15, 30, 55, 275 gal ■ 10 - 16 oz/gal

## L.O.E. Stripper®

L.O.E. Stripper is a low-odor finish and wax remover, formulated for use in confined areas where strong floor finish remover odor presents a problem. The fragrance-free formula keeps the indoor air quality clear of unpleasant odors. L.O.E Stripper contains no butoxyethanol for those who prefer a non-butyl stripper floor finish remover.

#0061 1, 5, 15, 30, 55, 275 gal ■ 6 - 32 oz/gal

## Millennia Bright Dura Gloss Laminate®

Millennia Bright Dura Gloss Laminate transforms and improves traditional acrylic based floor finish technology by creating a crystal clear gloss with brilliant shine. Its excellent clarity allows the natural color of flooring to pass through the Laminate unobstructed. Non-yellowing, even after repeated re-coats, Dura Gloss Laminate provides a tough, durable surface to prevent damage and deterioration.

#4060 1, 5, 15, 30, 55, 275, 330 gal ■ ready-to-use

# HARD FLOOR CARE (CONTINUED)

## NAD-75®

NAD-75 is specifically formulated to remove water-based and polymer floor finishes, including metal interlocked detergent-resistant finishes. With low foaming wetting agents, NAD-75 can be used with automatic scrubbers. In addition to being an excellent stripper, NAD-75 is an economical and highly-effective industrial cleaner.

#0075 5, 15, 30, 55, 275 gal ■ 10 - 32 oz/gal

## On an' On®

Non-buff metal interlock floor finish requires fewer coats, reducing labor. A high solids, non-buff, metal interlock floor finish, On an' On combines deep glossy beauty with tough wear-ability to reduce overall labor costs. Unlike some high-solids floor finishes, On an' On levels smoothly, and is applied with ease.

#5473 1, 5, 55 gal ■ ready-to-use

## On Base®

On Base provides a tough, durable protective base that resists water marks and scuffs and keeps scratches from penetrating through to base flooring. Unlike other seals, On Base may be used on a variety of hard floors including resilient tile, rubber, asphalt, vinyl, vinyl asbestos and vinyl composition, synthetic-type gym floors, as well as some types of marble, wood and slate.

#5454 1, 5, 55 gal ■ ready-to-use

## Pro-Shine

Pro-Shine is a high gloss acrylic emulsion modified with urethane and designed for use with high-speed equipment. Extremely durable and movable, Pro-Shine's quick response to the thermal heat generated by high-speed equipment substantially reduces the time required for removing black heel marks, scratches, and scuffs from heavily trafficked areas.

#4082 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

## Rinse Free Strip

Rinse Free Strip, floor finish remover, is formulated to substantially reduce time and labor costs by eliminating the need to rinse as well as the need to machine agitate. The formula contains water-miscible organic solvents providing complete evaporation of any residue.

#0082 1, 5, 15, 30, 55, 330 gal ■ 12 - 64 oz/gal

## Sheen 17®

Sheen 17 is a pure acrylic based floor finish providing exceptional clarity and durability. Its pure acrylic foundation creates a clear gloss, permitting the natural floor color to pass through unobstructed. Sheen 17 is recommended for high traffic areas with low maintenance budgets. A favorite in schools, plants, factories, and supermarkets who buff once a week or less.

#4017 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

## Shineline Emulsifier Plus®

Shineline Emulsifier Plus is a high performance stripper that quickly removes heavy build-ups and burnished floor finish. For use with ultra-high speed floor care systems, this formula can be used with hot or cold water. Shineline Emulsifier Plus is pleasant to use and is formulated with a light fragrance to eliminate strong solvent odors which can be particularly offensive.

#0084 1, 5, 15, 30, 55, 275 gal ■ 12 - 64 oz/gal

## Shineline Floor Prep®

Specially formulated to eliminate alkaline residue remaining on floors after stripping or restorative cleaning, Shineline Floor Prep leaves floors conditioned, film free and ready for application of seal and finish. Floors prepped with Shineline Floor Prep allow deep penetration of seal and better bonding resulting in an extended life of the finish.

#3029 1, 5 gal ■ 5 oz/gal

## Shineline Seal®

Shineline Seal is a thermoplastic seal specifically designed for use with Upper Limits floor finish. Just two coats of Shineline Seal are needed to condition, seal, and protect a floor. A high-gloss, wet-look appearance is accomplished by building gloss from the first coat of seal to the last coat of finish.

#4004 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

## Shineline Baseboard Stripper™

The unique and convenient aerosol is designed to be held upside down. Ideal for baseboards, floor edges, stairs, and corners. It speeds up the cleaning of equipment, floor pads, buckets, wringers and floor machine housing. Shineline Baseboard & Wax Build Up Stripper removes industrial soils and adhesives.

#6097 20 oz ■ aerosol

## SparClean® Sure Step™

Grease is inescapable in a kitchen environment, especially in and around grills and fryers. Over time, this grease builds-up in kitchen tile and grout, creating a slippery, safety hazard. SparClean Sure Step is a no-rinse, enzyme floor cleaner that breaks down built-up grease, improving slip resistance. SparClean Sure Step enzymatic action continues to work even when the floor is dry!

#7659 1, 5, 55, 275, 330 gal ■ 2 oz/gal

#4802 clean on the go ■ 2 oz/gal

## Spraybuff®

Spraybuff is a water-based floor maintenance product that cleans and shines in one step. Formulated by using a floor finish and a polymer blended with a high-quality detergent, Spraybuff removes scuffs, black heel marks, and scratches without disturbing the finish on the floor. Routine use of Spraybuff minimizes floor care maintenance expenditures by reducing the cost of stripping, sealing, and refinishing.

#4440 1, 15, 30, 55, 330 gal ■ ready-to-use

#3040 1 qt ■ ready-to-use

# HARD FLOOR CARE (CONTINUED)

## Square One®

Square One is an extremely powerful stripping compound formulated exclusively to remove long-term build-ups of floor finish and wax. The dual-solvent system quickly penetrates and re-emulsifies even the most highly burnished solids. Square One's high performance, low foaming wetting agents reduce the time and cost normally required when the stripping task is particularly difficult.

#0078 1, 5, 15, 30, 55, 275 gal ■ 12 - 32 oz/gal

## Step Down®

Step Down is an effective floor finish remover designed to quickly penetrate and eliminate heavy finish build-up. The low odor formulation is ideal for use in facilities with confined areas and where strong finish remover odors are problematic. Unlike most traditional floor finish removers, Step Down produces little to no foam for easy pick up and less rinse time.

#0065 1, 5, 15, 30, 55, 275 gal ■ 12 - 32 oz/gal

## Sunny-Side®

Extremely high gloss non-buff finish that levels smoothly to highlight floors with the ultimate shine. This metal inter-lock floor finish has mirror like reflective properties to actually double an image for more visual impact! Sunny-Side will hold its brilliance through numerous detergent moppings and can easily be restored when necessary by spray buffing.

#5445 1, 5, 55 gal ■ ready-to-use

## SunSwept®

SunSwept combines acrylic co-polymer-based floor seal and finish, with unique cleaning agents specifically formulated to maintain high gloss floor finishes. This two-in-one product, will not dull, haze or streak existing floor finishes. SunSwept is safe to use on all resilient type floorings and all surfaces unharmed by water. Formulated for use through an automatic scrubber; clean and shine in one easy application.

#4064 1, 5, 15, 30, 55, 275, 330 gal ■ 4 oz/gal

## Super Spraybuff®

Super Spraybuff is a solvent-based floor maintenance product that cleans and shines in one step. Fortified with a solvent, Super Spraybuff deep cleans and restores high traffic floors. Routine use of Super Spraybuff minimizes floor care maintenance expenditures by reducing the cost of stripping, sealing, and refinishing.

#4450 1, 15, 30, 55, 330 gal ■ 1:1

## Terra Glaze®

Terra Glaze is an acrylic polymer seal developed exclusively for use on terrazzo. A 25% solids metal interlock formulation, Terra Glaze conditions, seals, and protects the natural beauty of terrazzo. Once applied, Terra Glaze becomes a hard, tough seal that combats terrazzo's inherent susceptibility to damage and deterioration due to abrasion, scratching, scuffing, and wear.

#5810 1, 5, 55 gal ■ ready-to-use

# HARD FLOOR CARE (CONTINUED)

## Top Scrub Pro™

Top Scrub Pro is formulated for professional floor care experts. The unique formula aids in the dissolution of the top layers of floor finish, making it easy to remove embedded stains, soils and black marks while keeping undamaged finish on the floor. With Top Scrub Pro, your floor will be clean and ready for recoating. Use Top Scrub Pro for all your scrub and recoat jobs – it's that simple!

#2080 2 ltr ■ 1 oz/gal

## Upper Limits®

Upper Limits is an ultra-high speed floor finish featuring clear, hard gloss plus the toughness of thermoplastics. Designed for optimal response to ultra-high speed burnishing, Upper Limits offers optimal performance plus maximum time and labor saving benefits. Non-powdering and easy to repair and remove, Upper Limits levels and bonds extremely well.

#5490 1, 5, 55 gal ■ ready-to-use

## Trendsetter Sealer/Finish®

TrendSetter Sealer/Finish provides a wet look gloss, extended durability, and substantial labor savings. A burnishable finish with high shine and long life, TrendSetter is clear and bright and creates excellent initial gloss. The high shine and depth of gloss actually build after repeated burnishing and TrendSetter stays glossy even after numerous scrubs.

#4010 1, 5, 15, 30, 55, 275, 330 gal ■ ready-to-use

## White Sun®

White Sun diminishes the look of imperfections upon application, making flooring surfaces appear less blemished; creating a better than ever appearance. Gloss and clarity come into focus automatically enhancing the overall look of your floors while intensifying the depth with crystal clear transparency. White Sun has passed the Underwriters Laboratories testing for slip resistance!

#5450 1, 5, 55 gal ■ ready-to-use

## All Safe®

All Safe is a solvent-free metal and parts washing compound that is a moderately foaming, water dilutable detergent complex formulated to safely remove heavy industrial soil. A safe alternative for chlorinated and non-chlorinated solvents, high caustic and hazardous water-soluble parts, All Safe removes grease, oily carbon, carbon exhaust, and is very effective on all exterior surfaces, such as engines.

#2803 5, 15, 30, 55, 330 gal ■ 4 - 43 oz/gal

## BH-38®

BH-38 is a multi-purpose butyl base detergent that provides quick penetration and easy removal of light to medium industrial soils. Formulated for use at low dilutions, BH-38 is designed for heavy-duty cleaning tasks of airplane nacelles, appliances, brick, concrete, engines, machinery, flues, hoods, etc. At a lower dilution, BH-38 is great for kitchen walls, tile, marble, and dirty terrazzo.

#2038 1, 5, 15, 30, 55, 330 gal ■ 12 - 64 oz/gal

## BioRenewables® Industrial Degreaser

BioRenewables Industrial Degreaser is a user-friendly, industrial strength degreaser designed to be used in concentrate form. Formulated with soybean oil technology and boosted with d-limonene, this degreaser tackles even the toughest tasks. 100% active, BioRenewables Industrial Degreaser works in many medium to heavy duty cleaning tasks.

#2310 5, 55 gal ■ ready-to-use

## BioRenewables® Waterless Plus

BioRenewables Waterless Plus is a heavy-duty waterless hand cleaner with pumice that does not require rinsing. With a powerful soybean oil solvent and a blend of surfactants, BioRenewables Waterless Plus can handle the toughest soils, but is gentle enough to use daily.

#2974 1 gal ■ ready-to-use

## DC-13®

DC-13 is a halide free, non-corrosive cleaner designed to remove soil containing radioactive material. DC-13 is an effective hard and non-porous surface cleaner that does not interfere with the efficiency of evaporators in disposal of low level contaminants.

#2065 5, 55, 330 gal ■ 2 - 3 oz/gal

## Goin' Home®

Goin' Home is a lotionized liquid, industrial strength hand cleaner formulated to quickly penetrate and clean away the toughest grease, grime and ground-in soils without depleting natural skin oils.

#2760 1 gal flat-top, 55 gal ■ ready-to-use

## Green Solutions® Industrial Cleaner

Green Solutions Industrial Cleaner is a non-toxic, heavy-duty product, formulated to tackle difficult cleaning tasks. The super surfactant blend provides quick penetration and initial removal of everyday petroleum-based soils such as motor oil, hydraulic fluid, lithium grease, lubricant oils and stamping oils, etc.

#3506 1, 5, 15, 30, 55, 275 gal ■ 1 - 128 oz/gal

#3515 2 ltr ■ 2 oz/gal

## Grub Scrub®

Grub Scrub is a heavy duty, pumpable Hand Cleaner with pumice and moisturizers that work efficiently to penetrate and remove the toughest dirt, grease and grime from hard working hands.

#2809 1 gal ■ ready-to-use

#2810 1 gal flat-top ■ ready-to-use

## H2-D2®

Highly dilutable, heavy duty cleaner/degreaser. Butyl-base system, H2-D2 features rust inhibitors and heat stability up to 180°F. Excellent for hot dip tank cleaning, industrial processing and maintenance tasks. Use in conjunction with automatic scrubbers, pressure washers and steam cleaning equipment. Provides superior cleaning and degreasing results at cost saving high dilution.

#2485 5, 15, 30, 55, 275 gal ■ 2 - 8.5 oz/gal

## IC-115®

IC-115 is a medium to heavy duty, detergent complex formulated to remove loose oil, grease and soap scum, while killing odors. An excellent shower room cleaner, IC-115 is designed specifically for tasks requiring stable emulsification of oil and grease which create slippery conditions. IC-115 is phosphate free and biodegradable.

#2115 1, 15, 30, 55, 275 gal ■ 8.5 - 12 oz/gal

## Lite'n Foamy® Industrial Hand Wash

Lite'n Foamy Industrial Hand Wash works as hard as you do to get hands clean from dirt, grease and grime after a hard day's work. This unique formula is ideal for use in factories, mechanical shops, manufacturing plants, construction sites, or anywhere in which heavy soils may contaminate the skin.

#3309 1, 5, 55 gal ■ ready-to-use

## Lotionized Liquid Hand Cleaner

Lotionized Liquid Hand Cleaner is a high quality, all-purpose hand cleaner formulated for use in schools, day care centers, hotels, restaurants, commercial facilities, offices, public transportation, and other commercial and institutional areas. Containing cosmetic cleaning agents and lanolin to quickly penetrate and remove soil and grease from hands, Lotionized Liquid Hand Cleaner leaves skin smooth, soft and supple.

#3003 1, 5, 15, 30, 55, 275, 330 gal ■ ready-to-use

#3006 1 gal flat-top ■ ready-to-use

## Lube-All

Lube-All is formulated with a rich blend of lubricating oil and anti-friction agents to maintain longer lubricity and wear resistance. It restores smooth operation to sticky or rusty mechanisms without disassembling. Its quick penetrating action through the smallest cracks and crevices provides a protective barrier against corrosive environments. Use it on fasteners, tools, sliding doors, locks, hinges, window cranks, cables, chains, electronic gears, electrical tools, and automobile starters.

#6730 20 oz ■ aerosol

## Orange Tough® 15

A powerful, ready-to-use grease release formula containing builders, surfactants and wetting agents. This industrial strength cleaner is boosted with a combination of natural d-limonene and a soybean derived solvent to handle tough cleaning tasks. Orange Tough 15 removes black heel marks, tar, gum, asphalt stains, scuff marks, some inks, oil, grease and other stubborn soils.

#2215 5, 55 gal ■ ready-to-use  
#2216 1 qt ■ ready-to-use

## Orange Tough® 40

Water-dilutable and rinsable, Orange Tough 40, is an all-purpose degreaser with d-limonene. The formula contains a blend of builders, surfactants and wetting agents to provide the extra strength for quick penetrating, dissolving and removal of oily and greasy soils. Orange Tough 40 will also remove carbon exhaust, rust proofing over-spray, cosmoline and undercoating.

#2240 1, 5, 55 gal ■ 6 - 64 oz/gal

## Orange Tough® 90

Orange Tough 90 is a natural solvent degreaser with d-limonene for extremely heavy duty degreasing and cleaning of engines, machinery tools, grills, all metals and concrete. With a blend of 90% D-limonene and 10% detergent surfactants, Orange Tough 90 is 100% active. The biodegradable formula quickly cuts through grease, oil, dirt, cosmoline, tar, rubber burns, carbon creosote, many inks and adhesives.

#2290 5, 55 gal ■ ready-to-use

## Safe Spray LF®

Safe Spray LF is a solvent-free, low foaming cleaner for use in high pressure/high temperature spray washing systems. Formulated to replace corrosive, caustic cleaners, Safe Spray LF is safe to use on plastics, glass, ceramic, and synthetic rubbers.

#2804 5, 15, 30, 55, 330 gal ■ 8 - 12 oz/gal

## SC-200

SC-200 is a high alkaline, solvent-based, extra heavy-duty industrial cleaner. Formulated for use at low to medium range dilutions, SC-200 attacks grease and encrusted soil on concrete, road equipment, and heavy machinery. Safe to use in automatic scrubbers, SC-200 efficiently cleans manufacturing facility floors.

#2200 1, 5, 15, 30, 55, 275 gal ■ 4 - 12 oz/gal

## SD-20®

Formulated to foam away dirt, grease and fingerprints from washable surfaces, SD-20 all-purpose degreaser aerosol tackles a wide range of cleaning jobs-from removing heavy soil on baseboards to foaming away grease on exhaust vents and hoods. The clinging foam, no rinse formula allows concentration of the product on stubborn spots and aids in spot cleaning.

#6520 20 oz ■ aerosol

## SNB-130®

Non-butyl, extra heavy duty detergent degreaser formulated for use in industrial and institutional facilities. Excellent kitchen and restaurant degreaser. Extra degreasing boost cuts through greasy build-ups and heavy encrustations. Contains no butyl or toxic solvents. No abrasives. No harmful vapors. No butyl kickback. Non-flammable. Biodegradable. Kosher and Pareve.

#2130 1, 5, 15, 30, 55, 275 gal ■ 1.5 - 12 oz/gal

## THE Degreaser 6

An ecologically sound, environmentally conscious, heavy-duty all-purpose industrial cleaner formulated to remove grease, oil and other tough soils without upsetting the ecosystem of water and waste treatment facilities. THE Degreaser is a powerful detergent complex with aggressive grease emulsification ability that quickly penetrates, emulsifies and removes tough industrial soils such as soot, oils and lubricants.

#4734 clean on the go ■ 2 oz/gal

## Tough 90®

Tough 90 is a solvent degreaser that makes fast work of even the toughest industrial degreasing jobs. With a versatile formula, Tough 90 is great for desoiling engines, machinery, all metals and concrete. It can also be used as a slip coat on beds, walls, and tailgates of asphalt trucks and equipment to prevent adhesion of asphalt. Tough 90 quickly cuts through tar, rubber burns, and adhesives, making it perfect for use in floor restoration/renovation projects.

#2267 5, 55 gal ■ ready-to-use

## Tough Duty®

Tough Duty is a butyl-based, ready-to-use cleaner and degreaser formulated and packaged for maximum user convenience. A non-viscous clear pink liquid, Tough Duty is an industrial strength all-purpose cleaner with a combination of wetting and cleaning agents fortified with a solvent giving it the ability to quickly penetrate and remove both food and industrial-type grease-based soils.

#2041 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

#2040 1 qt ■ ready-to-use

## Tough Duty® NB

Tough Duty NB is a non-butyl, ready-to-use cleaner/degreaser recommended for use in facilities where butyl cleaners are restricted. Safe for use on nearly every washable surface, use Tough Duty NB on walls, partitions, floors, vinyl, chrome, stainless steel, etc. This unique ingredient combination provides unusual ability to quickly penetrate and remove both food and industrial type grease-based soils.

#2051 1, 15, 30, 55, 330 gal ■ ready-to-use

#2050 1 qt ■ ready-to-use

## Tough on Grease®

With a non-butyl, water soluble cleaner/degreaser featuring polemic technology, Tough on Grease assists in the removal of stubborn non-polar soils such as tire and rubber marks, asphalt, tar, oil, carbon exhaust, etc. Its low-foaming characteristic permits use with pressure washers, automatic scrubbers, brushes, mops or as a spray and wipe for walls and equipment.

#2034 1, 5, 15, 30, 55, 275, 330 gal ■ 12 oz/gal

## TREE-Z™

TREE-Z is a ready-to-use, plant-based product that efficiently removes tough, sticky adhesives and soils, marker and paint-based graffiti, scuff marks, wax residue and so much more. Using a renewable solvent, which is naturally derived from agricultural ingredients, TREE-Z helps to replace hazardous, toxic, and environmentally harmful products. USDA certified to contain over 50% bio-based material, TREE-Z is a safer alternative to petroleum based solvents.

#3171 1 qt ■ ready-to-use

**Aqueous NB**

Aqueous NB is a dye-free, fragrance-free industrial degreaser that safely removes petroleum greases, cutting fluids, grime, soot, polishing compounds and ink found in industrial applications. The non-butyl formula is biodegradable, non-hazardous, SARA Title III compliant, non-corrosive, non-toxic, non-flammable and contains no VOCs.

#2844 5, 55, 275, 330 gal ■ 10:1 - 20:1

**BlueSpar**

BlueSpar is a medium-duty, oil-free, multi-functional synthetic coolant formulated to provide increased corrosion protection on ferrous and non-ferrous metals. BlueSpar increases sump life and results in a reduction of coolant purchases and waste handling costs. BlueSpar contains selected ingredients to increase wheel life, improve surface finish, and help prevent wheel loading.

#3113 5, 55, 275, 330 gal ■ 10:1 - 20:1

**CoolSpar®**

CoolSpar is a dye-free, fragrance-free, oil-free, multi-purpose synthetic coolant. Formulated for use in heavy duty operations on hard to machine metals such as Inconel, Hastelloy, titanium alloys and stainless steel, CoolSpar extends tool life and improves surface finish.

#2987 5, 55, 275, 330 gal ■ 10:1 - 20:1

**Cutter EXP® HW**

Cutter EXP HW is a soluble oil-based cutting and grinding fluid designed for heavy, medium and light duty machining and grinding operations. Multi-functional and soluble in hard water, Cutter EXP HW offers extended long-term in-tank stability providing maximum longevity and machine performance.

#2925 5, 55, 275, 330 gal ■ 10:1 - 20:1

**Grind Safe®**

Grind Safe is a synthetic grinding fluid designed for use in high-speed grinding operations. Safe for the operator and the environment, Grind Safe leaves a completely water-resoluble film on the machine and parts for rust control.

#2979 5, 55, 275, 330 gal ■ 10:1 - 20:1

**Grotan®**

Grotan is an EPA registered, broad-spectrum bactericide and fungicide for use in heavily fouled sumps and machines. Through routine treatment of metalworking fluids, Grotan prevents microbial contamination and extends the life of fluids while it helps protect machines, tools and work pieces from corrosion.

EPA Reg. No. 365-76

#2850 1 gal ■ 12 - 15 oz/gal

**IPG® Defoamer**

IPG Defoamer is a general purpose, modified-silicone defoamer that can be used for all non-high pressure machining and/or grinding applications.

#2915 1 qt; 1, 5 gal ■ 1 oz/100 gal

**JD-4**

JD-4 is a water-dilutable, semi-synthetic, general purpose cutting and grinding fluid concentrate. Designed for use in light and medium duty machining or grinding operations, JD-4 is formulated to provide the cleanliness of a synthetic coolant with the lubricity of an oil based coolant.

#2905 5, 55, 275 gal ■ 10:1 - 20:1

**Maxim® VHP**

Maxim VHP is a multi-functional, high pressure, high performance, cutting and grinding fluid designed for high speed, high pressure coolant applications. Low foaming and metal corrosion inhibiting, Maxim VHP extends tool life, improves surface finish, and rejects tramp oil.

#2940 5, 55, 275, 330 gal ■ 10:1 - 20:1

**Metal Spray LF®**

Metal Spray LF is a solvent-free, low-foaming compound designed for high pressure, high temperature spray washing systems. Designed for use with cabinet, tumble drum and in-line conveyor spray washing systems, Metal Spray LF replaces high caustic, high pH degreasers.

#2824 5, 55, 275, 330 gal ■ 10:1 - 20:1

**SemiCut®**

SemiCut is a universal semi-synthetic coolant that provides superior tool life and surface finish. With the cleanliness, cooling and clarity of a synthetic and the high lubricity of extreme pressure soluble oil, SemiCut contains stain and corrosion inhibitors and odor counteractants to prevent rust and ensure odor-free machine operation.

#2881 5, 55, 275, 330 gal ■ 10:1 - 20:1

### SemiSpar HD®

SemiSpar HD is a heavy duty, multi-functional, semi-synthetic cutting and grinding fluid designed for light, medium and heavy duty machining and/or grinding operations. Formulated with corrosion inhibitors, SemiSpar HD provides excellent tool life and surface finish properties on a wide range of metals.

#2870 5, 55, 275, 330 gal ■ 10:1 - 20:1

### SparCut NC®

SparCut NC is a micro-emulsion structured cutting and grinding fluid formulated to provide extreme pressure properties without the use of chlorine, sulfur, or phosphorus. Ideal for the nuclear and aeronautical industry, SparCut NC reduces potential for stress cracking and lowers disposal costs due to the absence of chlorine found in most EP type coolants.

#2802 5, 55, 275, 330 gal ■ 10:1 - 20:1

### SynSpar GP®

SynSpar GP is a medium to heavy duty synthetic coolant for use on ferrous and nonferrous metals. Formulated without chlorine or sulfur, SynSpar GP offers long-term, in-tank stability and excellent tool life and surface finish qualities.

#2957 5, 55, 275, 330 gal ■ 10:1 - 20:1

### The Carbide Grinder

The Carbide Grinder is a synthetic fluid specifically designed for grinding cemented carbide (tungsten or titanium carbide) materials. Formulated with cobalt leaching inhibitors, The Carbide Grinder reduces the need for frequent recharging.

#2788 5, 55, 275, 330 gal ■ 10:1 - 20:1

### The Cleaner

The Cleaner is a heavy-duty germicidal detergent formulated specifically to remove build-ups and eliminate odors in the coolant system. The Cleaner's disinfecting properties kill odor-causing bacteria and fungus that destroy the rust and corrosion inhibitors, lubricating properties, and overall stability of any metalworking fluid. **EPA Reg. No. 5741-19**

#2995 5, 55, 275 gal ■ 30:1 - 20:1

### The Cooler

The Cooler is a general purpose synthetic chemical coolant for use on cast iron, ductile iron and most other metals. The Cooler leaves a completely water-resoluble, rust-preventative film on machine and parts. Formulated with a unique blend of wetting agents, The Cooler rejects tramp oil emulsification providing for easy removal of this contaminant through skimming, centrifugation, or other appropriate means.

#2990 5, 55, 275, 330 gal ■ 10:1 - 20:1

### The Cutter

The Cutter is a multi-functional soluble oil-based fluid designed for most machining and/or grinding operations. Containing corrosion inhibitors and odor counteractants, The Cutter reduces acidity problems and greatly increases the life of the coolant.

#2985 5, 55, 275, 330 gal ■ 10:1 - 20:1

### The Grinder

The Grinder is a pure synthetic fluid designed for high-speed grinding operations on most metals. The non-foaming formulation of The Grinder eliminates foaming and misting problems on all high-speed grinding operations. When used at the proper concentration, The Grinder eliminates foul odor problems associated with spoiled coolants in manufacturing plants.

#2992 5, 55, 275, 330 gal ■ 10:1 - 20:1

### The Metal Cleaner

The Metal Cleaner is a solvent free, moderately foaming, parts washing compound. Formulated to safely remove moderate industrial soils, The Metal Cleaner is chlorine and sulfur free and contains rust and corrosion inhibitors. Safe for most metals and plastics, The Metal Cleaner may also be used in conjunction with pressure washers, steam cleaners, and dip tanks.

#2823 5, 55, 275, 330 gal ■ 10:1 - 20:1

# KITCHEN SERVICES

## Blue-Glo™

Blue-Glo is a blend of synthetic detergents and cosmetic quality foaming agents that produces rich, luxurious suds to quickly emulsify vegetable oils and greases. The blue formula rinses clear with no streaking, smudging, water-spotting, or filming. In addition to routine kitchen clean-up of pots and pans, baking sheets, flatware and glasses, Blue-Glo can also be used for hand washing of fine fabrics.

#3111 1 qt; 1, 5, 15, 30, 55, 330 gal ■ 0.25 oz/gal

## Carbon & Grease Remover

Carbon & Grease Remover is an effective cleaner that is safe to use on porcelain, glass, ceramics, stainless steel, and cast iron surfaces. The convenient spray-on gel formula clings to surfaces and provides rapid penetration and emulsification of tough soils such as baked-on carbon, grease, and food deposits. Offered in a versatile aerosol can, Carbon & Grease Remover can be used for cleaning commercial and institutional ovens, grills, griddles, char broilers, drip pans, hoods, rotisseries, and deep fat fryers.

#6281 20 oz ■ aerosol

## Golden-Glo

Specially formulated to remove grease, baked-on food and stains from pots and pans, Golden-Glo's lotionized formula remains mild and gentle to hands. The heavy duty cleaning activity rinses free and leaves no streaks or film and is an excellent grease cutter. Highly concentrated, Golden-Glo's high soil load capacity and excellent suds retention provide maximum economy.

#3000 1 qt; 1, 5, 15, 30, 55, 330 gal ■ 0.25 oz/gal

## Oven & Grill Cleaner

Oven & Grill Cleaner provides rapid penetration and emulsification of tough soils such as baked-on carbon, grease and food deposits. Recommended for use in cleaning commercial and institutional ovens, grills, hoods, rotisseries, deep fat fryers, and small cutlery item, etc. Oven & Grill Cleaner is non-flammable and safe to use when the recommended preliminary steps are taken.

#3004 1, 15, 30 gal ■ ready-to-use - 12 oz/gal

#3194 1 qt ■ ready-to-use

## Sani-T-10 Plus®

Sani-T-10 Plus is a 4th generation quat-based, food contact sanitizer for use in food handling areas, Federally inspected meat and poultry plants, fruit and vegetable processors, restaurants, bars and institutional kitchens. Ideal to sanitize several types of food processing equipment or fruit and vegetable conveyors dishes, as well as a non-chlorinated option for egg shell sanitizing!

EPA Reg. No. 10324-117-5741

#3159 1, 5, 15, 30, 55, 275 gal ■ 0.75 - 2 oz/4 gal

#4801 clean on the go ■ 0.75 - 2 oz/4 gal

## Sani-Tyze®

Sani-Tyze, food contact surface sanitizer, is a ready-to-use quaternary-based cleaner, sanitizer and deodorizer formulated for maximum economy and convenience wherever food is processed, prepared, or served. Sani-Tyze can be used as a light duty cleaner on any multi-touch surface such as refrigerators, drinking fountains, and ice machines or it can be used as an effective deodorizer. EPA Reg. No. 10324-107-5741

#3195 1 qt ■ ready-to-use

## SparClean® Super Suds 48

SparClean Super Suds delivers powerful cleaning and long-lasting, luxurious suds. Formulated with Aloe, Super Suds aggressively emulsifies and removes baked-on grease or food soils while conditioning hands. Plus, the powerful grease-cutting formula is concentrated, so you can use less to wash more.

#7648 1 qt; 1, 5, 55 gal ■ 0.25 oz/gal

#4804 clean on the go ■ 0.25 oz/gal

## SparClean® Detergent II 49

SparClean Detergent II is a non-chlorinated, non-foaming ware-wash detergent for use in both low and high temperature dish machines. SparClean Detergent II provides the alkalinity needed to effectively clean and remove tough greasy soils from dishes. The formulation works extremely well with both SparClean High and Low Temperature Rinse Aids to produce clean, spot free dishes.

#7649 1, 5 gal ■ 6 - 14 mL/gal

## SparClean® All Temperature Detergent 50

SparClean All Temperature Detergent is a non-chlorinated, non-foaming, highly concentrated warewash detergent for use in both low and high temperature dish machines. This heavily concentrated detergent is designed to provide a unique blend of water conditioners, soil suspending agents and the necessary alkalinity to tackle tough greasy soils at low doses per rack.

#7650 1, 5 gal ■ 3 - 7 mL/gal

## SparClean® Chlorinated Detergent 51

SparClean Chlorinated Detergent is a concentrated warewash detergent boosted with chlorine for use in both low and high temperature dish machines. The formula combines the de-staining ability of chlorine bleach with water conditioners, soil suspending agents, and the necessary alkalinity to tackle tough greasy soils at low doses per rack.

#7651 5 gal ■ 3 - 7 mL/gal

## SparClean® High Temperature Rinse Aid 52

SparClean High Temperature Rinse Aid is specially formulated to ensure superior water sheeting and drying of dishware and utensils in high temperature dish machines. It also helps to control mineral deposits left by hard water and food soils caused from rapid evaporation at high temperatures.

#7652 1, 5 gal ■ 2 - 5 mL/rack

## SparClean® Low Temperature Rinse Aid 53

SparClean Low Temperature Rinse Aid is specially formulated to ensure superior water sheeting and drying of dishware and utensils in low temperature dish machines. SparClean Low Temperature Rinse Aid is ideally suited for use in conjunction with a chlorinated sanitizer. SparClean Low Temperature Rinse Aid can also be used in high temperature machines.

#7653 1, 5 gal ■ 2 - 5 mL/rack

## SparClean® Sanitizer 54

SparClean Sanitizer is a chlorine-based sanitizer for use in low temperature dish machines. Used in the final sanitization step for low temperature dish machines, SparClean Sanitizer ensures tableware is properly sanitized and safe for use. EPA Reg. No. 5741-27

#7654 1, 5 gal ■ 4 - 9 mL/gal

## SparClean® Delimer 55

SparClean Delimer quickly penetrates and breaks down even the most hard to remove lime and mineral deposits found in both low and high temperature dish machines. Formulated with a non-foaming synergistic blend of citric and hydrochloric acid, SparClean Delimer ensures longer machine life and decreased machine maintenance.

#7655 1 gal ■ 4 - 8 oz/gal

## SparClean® Pot and Pan Detergent 56

SparClean Pot and Pan Detergent is specifically designed for manual washing of excessively soiled kitchen items in both single sink and 3-sink systems. SparClean Pot and Pan Detergent will quickly and efficiently penetrate and emulsify baked on grease and food. Even in heavily soiled conditions, this concentrated formula demonstrates superior foam retention at lean dilutions.

#7656 1 qt; 1, 5 gal ■ 0.25 - 2 oz/gal

#4845 clean on the go ■ 0.25 oz/gal

## SparClean® Silverware Pre-Soak 57

SparClean Silverware Pre-soak is designed to breakdown stubborn food residues from silverware, utensils, and dishes using a proprietary triple action enzymatic formula. When used as part of everyday dish washing procedures, SparClean Silverware Pre-soak helps to ensure one pass dish washing.

#7657 1, 5 gal ■ 2 - 3 oz/gal

#4850 clean on the go ■ 1 - 2 oz/gal

## SparClean® Metal Safe Machine Dish Detergent 58

Non-chlorinated, low foaming, highly concentrated warewash detergent for use in both low and high temperature dish machines. Specially formulated to prevent corrosion of aluminum, copper, brass, and other soft metals. Strips away and emulsifies soils from pots and pans, trays, dishes, glassware, plastic, and utensils.

#7658 1, 5 gal ■ 5 - 6 mL/gal

## SparClean® Sure Step™ 59

Grease is inescapable in a kitchen environment, especially in and around grills and fryers. Over time, this grease builds-up in kitchen tile and grout, creating a slippery, safety hazard. SparClean Sure Step is a no-rinse, enzyme floor cleaner that breaks down built-up grease, improving slip resistance. SparClean Sure Step enzymatic action continues to work even when the floor is dry!

#7659 1, 5, 55, 275, 330 gal ■ 2 oz/gal

#4802 clean on the go ■ 2 oz/gal

## SparClean® Coffee & Tea Carafe Destainer 60

SparClean Coffee & Tea Carafe Destainer quickly and easily removes coffee, tea, and other tough stains from beverage serving equipment. Designed for use in conjunction with Spartan's 3 sink wash-rinse-sanitize system, Coffee & Tea Carafe Destainer ensures that coffee pots, urns, tea and beverage pitcher, etc. look clean and stain-free.

#7660 1 qt ■ ready-to-use

## SparClean® Rinse Aid II 61

Rinse Aid II is an affordable and effective formulation that provides remarkable water sheeting to accelerate the drying of dishware and utensils in all temperature dish machines. With an acidic pH, Rinse Aid II helps to control mineral deposits left by hard water and food soils. The non-foaming formula will help maintain the machine's spray arm efficiency, providing optimal wash conditions for each rack.

#7661 1, 5 gal ■ 3 - 6 mL/rack

## Clothesline Fresh® Laundry Break 1

Clothesline Fresh Laundry Break is a concentrated laundry builder that prepares the fabric for the washing process by raising the pH of the wash water, which accelerates the washing process by allowing individual fibers of a fabric to open up and begin releasing entrapped soil particles. Clothesline Fresh Laundry Break contains biodegradable water softening agents to boost detergent performance.

#7001 1, 5, 15, 55 gal

## Clothesline Fresh® Fabric Softener/Sanitizer 7

Clothesline Fresh Fabric Softener/Sanitizer is a liquid fabric softener designed to soften and eliminate static cling from laundered fabrics while sanitizing! Clothesline Fresh Fabric Softener/Sanitizer reduces the rigidity of fabrics which reduces fiber damage and can prolong fabric life as well as aid in the ironing process by reducing wrinkles. EPA Reg. No. 1839-108-5741

#7007 1, 5, 15, 55 gal

## Clothesline Fresh® BLD 2

Clothesline Fresh BLD combines a laundry builder with a detergent to increase pH and remove soil all in one step! The elevated pH of Clothesline Fresh BLD speeds up soil removal during washing by allowing the individual fibers of a fabric to open up which expedites entrapped soil release. Clothesline Fresh BLD contains water softening and soil anti-redeposition agents to aid in the washing process.

#7002 1, 5, 15, 55 gal

## Clothesline Fresh® Laundry Sour 8

Clothesline Fresh Laundry Sour is a liquid laundry sour designed to neutralize the pH of the finished wash to a level which will not irritate skin. Maintaining proper fiber pH is important, not only for comfort, but will also prolong the life cycle of the washed fabric. Removal of excess alkalinity helps to minimize the graying or yellowing of fabric as well as to reduce fiber stress which can lead to potential fiber damage.

#7008 1, 5, 15, 55 gal

## Clothesline Fresh® Laundry Detergent 3

Clothesline Fresh Laundry Detergent can be used with a complete laundry program or on its own. This product was formulated to contain new advances in chemical surfactants and cleaning technology to provide a deep cleaning formula. Clothesline Fresh Laundry Detergent quickly suspends tough oily and particulate soils to prevent them from redepositing back onto the fabric.

#7003 1, 5, 15, 55 gal

## Clothesline Fresh® Sour/Softener 9

Clothesline Fresh Sour/Softener is a liquid laundry sour designed to neutralize the pH of the finished wash to a comfortable level which will not irritate skin. Maintaining proper fiber pH is important for prolonging the life cycle of the washed fabric. Clothesline Fresh Sour/Softener also softens and eliminates static cling from laundered fabrics leaving laundered fabrics smelling clean and fresh!

#7009 1, 5, 15, 55 gal

## Clothesline Fresh® Chlorine Bleach 4

Clothesline Fresh Chlorine Bleach is a chlorine-based bleach that enhances the performance of Clothesline Fresh Laundry Detergents and aids in the removal of tough stains. Formulated with the power of sodium hypochlorite, an inorganic chlorine source, which brightens and whitens fabrics. Clothesline Fresh Chlorine Bleach is used to eliminate stains the detergent operation was unable to remove.

#7004 1, 5, 15, 55 gal

## Clothesline Fresh® Xtreme Detergent 10

Clothesline Fresh Xtreme Detergent is specifically formulated to tackle extreme hard water conditions and extreme soil load levels. The formula is extremely concentrated with water softening and chelating ability, and over 80% more alkalinity when compared to original Clothesline Fresh BLD.

#7010 5, 15, 55 gal

## Clothesline Fresh® Color Safe Bleach 5

Clothesline Fresh Color Safe Bleach is a non-chlorinated, oxygen-based bleach that enhances the performance of Clothesline Fresh Laundry Detergents. Clothesline Fresh Color Safe Bleach is safe to use on most all machine-washable fabrics and colors, yet powerful enough to remove even the toughest stains.

#7005 1, 5, 15, 55 gal

## Clothesline Fresh® Enzyme Laundry Detergent 11

Clothesline Fresh Enzyme Laundry Detergent is fortified with enzymes and optical brighteners to quickly digest and wash away stubborn stains and soils, leaving the fabric clean and bright. The concentrated blend of enzymes found in Enzyme Laundry Detergent gives you the ability to wash at lower water temperatures and with fewer chemicals while showing an increase in stain removal, whiteness, and soil anti-redeposition.

#7011 1, 5, 15, 55 gal

## Clothesline Fresh® Fabric Softener 6

Clothesline Fresh Fabric Softener is a liquid fabric softener designed to soften and eliminate static cling from laundered fabrics and to reduce the rigidity of fabrics which reduces fiber damage and can prolong fabric life. The Softener contains anti-static agents which help to prevent static charge build-up allowing washed fabrics to have a smooth, fluffy feel right out of the dryer smelling clean and fresh.

#7006 1, 5, 15, 55 gal

## Clothesline Fresh® No Dye - No Fragrance BLD 12

Clothesline Fresh No Dye - No Fragrance BLD is enhanced by patented polymeric technology that quickly suspends tough oily soils and particulates to prevent them from redepositing back onto the fabric. The formula does not contain phosphates or nonylphenol ethoxylates and with biodegradable water softeners and biodegradable surfactants Clothesline Fresh No Dye - No Fragrance BLD is more environmentally friendly.

#7012 5, 15, 55 gal

## Clothesline Fresh® No Dye - No Fragrance Laundry Detergent 13

Clothesline Fresh No Dye - No Fragrance Laundry Detergent is enhanced by patented polymeric technology that quickly suspends tough, oily soils and particulates to prevent them from redepositing back onto the fabric. The formula does not contain phosphates or nonylphenol ethoxylates, and with biodegradable water softeners and surfactants, Clothesline Fresh No Dye - No Fragrance Laundry Detergent is more environmentally friendly.

#7013 1, 5, 15, 55 gal

## Clothesline Fresh® Anti-Chlor 14

Clothesline Fresh Anti-Chlor is an additive for eliminating chlorine carry-over in commercial laundry applications, which also reduces fabric damage by chemically neutralizing the residual chlorine bleach in the washing process. Certain types of stains, especially medicinal stains (i.e. iodine, betadine) can only be removed with a reducing bleach. These types of stains are unaffected by chlorine bleach.

#7014 5, 15, 55 gal

## Clothesline Fresh® Xtreme Oxygen Bleach 15

Clothesline Fresh Xtreme Oxygen Bleach is a 25% hydrogen peroxide-based active oxygen bleach that will get your whites white (like chlorine bleach) and keep your colors bright (which chlorine can't do). Overuse of Clothesline Fresh Xtreme Oxygen Bleach will not lead to unsightly yellowing like chlorine bleach will tend to do and will also biodegrade into water and oxygen after use in the wash cycle.

#7015 5, 15, 55 gal

## Clothesline Fresh® Liquid Alkali 16

Clothesline Fresh Liquid Alkali is a concentrated laundry builder that prepares the fabric for the washing process by raising the pH of the wash water, which accelerates the washing process and allows individual fibers of a fabric to open up and begin releasing entrapped soil particles. This product contains biodegradable water softening agents to aid in the washing process and boost detergent performance.

#7016 5, 15, 55 gal

## Clothesline Fresh® Xtreme Laundry Sour 17

Clothesline Fresh Xtreme Laundry Sour is a concentrated liquid laundry sour designed to neutralize the pH of the finished wash to a comfortable level which will not irritate skin. Clothesline Fresh Xtreme Laundry Sour will also help to remove iron stains from previously stained linen and is also excellent at removing suntan lotion stains.

#7017 5, 15, 55 gal

## Clothesline Fresh® Detergent EP 18

An environmentally-preferable detergent option that will help you meet your sustainability goals. Clothesline Fresh Detergent EP was formulated in partnership with the Environmental Protection Agency's Safer Choice Program. Clothesline Fresh Detergent EP does not contain phosphates, silicates, solvents, or nonylphenol ethoxylates—all of which can have a negative environmental impact.

#7018 1, 5, 15, 55 gal

## Clothesline Fresh® Softener EP 19

Further your sustainable laundry efforts with a product formulated in partnership with the Environmental Protection Agency's Safer Choice Program. Clothesline Fresh Softener EP is a readily-biodegradable liquid fabric softener that teams a Fresh April Air scent with superior softness.

#7019 5, 15, 55 gal

## Clothesline Fresh® Oxygen Bleach EP 20

Clothesline Fresh Oxygen Bleach EP is an environmentally-preferable oxygen-based bleach that is safe to use on all wash loads. Formulated in partnership with the Environmental Protection Agency's Safer Choice Program, Clothesline Fresh Oxygen Bleach EP features the power of active oxygen—an environmentally-preferred and highly effective oxidizing agent—for superior brightening of white and colored fabrics.

#7020 1, 5, 15, 55 gal

## Clothesline Fresh® Oxygen Detergent EP 21

Clothesline Fresh Oxygen Detergent EP is a detergent and color safe bleach that naturally brightens colors and whitens whites. Formulated in partnership with the Environmental Protection Agency's Safer Choice Program, Clothesline Fresh Oxygen Detergent EP features the power of active oxygen—an environmentally-preferred and highly effective oxidizing agent.

#7021 1, 5, 15, 55 gal

## Clothesline Fresh® Liquid Laundry Starch 22

Clothesline Fresh Liquid Laundry Starch is a blend of natural and synthetic starches that provide a beautiful hand and body to a variety of fabrics including blends and spun poly. Clothesline Fresh Liquid Laundry Starch is an economical blend of sizing and natural starch polymers designed to provide excellent stiffness and better wash out in a wide range of temperatures.

#7022 5, 15 gal

## Clothesline Fresh® Detergent SE 23

Clothesline Fresh Detergent SE is a heavy-duty, solvent enhanced, liquid laundry detergent specially formulated for use in commercial, healthcare, and on-premise laundries. Use in conjunction with Clothesline Fresh Liquid Alkali to boost its performance for superior soil removal of a wide range of soils on any type of fabric.

#7023 1, 5, 15, 55 gal

## Clothesline Fresh® Detergent X 24

Clothesline Fresh Detergent X provides excellent cleaning and stain removal. Featuring the Xcelent® fragrance, Detergent X imbues a long-lasting fresh lavender scent in laundry linens. Detergent X is charged with optical brightener and fabric protectant technology to prevent fading, graying, and linen degradation in the wash cycle. The highly concentrated formula offers an economical solution for any professional laundry program.

#7024 1, 5, 15, 55 gal

## Clothesline Fresh® Softener X 25

Clothesline Fresh Softener X softens and eliminates static cling from laundered fabrics. Featuring a fragrance inspired by Xcelenté®, Softener X imbues a long-lasting fresh lavender scent in laundry linens. Softener X is fortified with a fabric protectant to reduce fiber damage, preventing color fade, prolonging linen life, and increasing softness. The highly concentrated formula offers an economical solution for any professional laundry program.

#7025 1, 5, 15, 55 gal

## Clothesline Fresh® Laundry Sanitizer 26

Clothesline Fresh Laundry Sanitizer 26 is an antimicrobial laundry additive designed for use in commercial, institutional, and industrial laundry operations. Perfect for table linens, aprons, towels, coats, and diapers, Clothesline Fresh Laundry Sanitizer 26 works as a laundry presoak sanitizer against bacteria, reducing bacterial count by 99.9%. Clothesline Fresh Laundry Sanitizer 26 also helps reduce cross-contamination in treated laundry and eliminates the bad odor normal laundry detergent can't do.

EPA Reg. No. 10324-117-5741

#7026 1, 5, 15, 55 gal

## Clothesline Fresh® No Dye - No Fragrance Fabric Softener 27

Clothesline Fresh No Dye - No Fragrance Fabric Softener is a liquid fabric softener designed to soften and eliminate static cling and reduce the rigidity of fabrics which helps to reduce fiber damage and prolong fabric life. This dye free, fragrance free softener contains anti-static agents which help to prevent static charge build-up, allowing washed fabrics to have a smooth, fluffy feel right out of the dryer. With no added fragrance, this fabric softener is ideal for use in industrial laundry settings.

#7025 1, 5, 15, 55 gal

## Clothesline Fresh® All Purpose Spotter S1

Clothesline Fresh All Purpose Spotter treats a broad spectrum of laundry stains including protein, juices, oils, and many others. This spotter can be used as a spotter, pre-soak, or pre-spotter to remove even the toughest stains. Use in conjunction with the complete Clothesline Fresh laundry program to ensure stain removal.

#7061 1 gal  
#7051 1 qt

## Clothesline Fresh® Alkaline Spotter S2

Clothesline Fresh Alkaline Spotter treats food-based oil and grease stains on fabrics. This spotter can be used as a spotter, pre-soak, or pre-spotter to remove even the toughest stains. Use in conjunction with the complete Clothesline Fresh laundry program to ensure stain removal.

#7062 1 gal  
#7052 1 qt

## Clothesline Fresh® Rust and Iron Remover S3

Clothesline Fresh Rust and Iron Remover removes rust and iron stains from fabrics. Use Clothesline Fresh Rust and Iron Remover as a pre-spotter or spotter. Use in conjunction with the complete Clothesline Fresh laundry program to ensure stain removal.

## Xtreme® Wash & Wax

Formulated with a blend of premium carnauba wax and synthetic polymers, Xtreme Wash & Wax polishes while you wash reducing the labor and time to process a vehicle. Perfect for industrial vehicle wash applications such as rental car facilities, car dealerships, and other applications where processing time is of importance, Xtreme Wash & Wax delivers a hand-polished softness that customers can see and feel.

#2671 1, 5, 55 gal ■ 128:1 - 64:1

## Xtreme® Weather Shield

Formulated with the latest technology in water and soil repellency Xtreme Weather Shield is the premium upgrade option for your wash menu. With long-lasting shine, gloss, weather resistancy, and water repellency, Xtreme Weather Shield coats the vehicle surface with a protective surface layer that cannot be re-emulsified by water or rain. Recommended for use in conveyor, in-bay automatic or self-service wash systems; great for friction or touch-free.

#2664 5, 15 gal ■ 0.33 - 1 oz/gal

## Xtreme® Vehicle Care Test Kit

The Xtreme Vehicle Care Test Kit consolidates all the potential chemical titration tests required for vehicle care operations into one convenience package. Complete with step-by-step instructions for performing each test, this test kit contains both alkaline and acid product titrations—so no matter what Spartan product you're evaluating, we have you covered.

#9027

# WIPES

## Hard Surface Disinfecting Wipes (Fresh Scent)

Spartan Hard Surface Disinfecting Wipes are formulated to disinfect hard, non-porous, inanimate environmental surfaces. Convenient, and ready to use, Spartan's Hard Surface Disinfecting Wipes can be utilized in any environment where bacteria and disease spread. Kills 99.9% of bacteria in just 15 seconds.

EPA Reg. No. 1839-190-5741

#1086 125 wipes ■ ready-to-use

#9309

# WOOD FLOOR CARE

## Aquaforce

Aquaforce wood floor finish is a water-based urethane finish that brings out the natural beauty of sport wood floors. The low-foaming formula provides forgiving leveling and reduced risk of fisheyes, making it an excellent choice for all levels of floor care maintenance experience. The ready-to-use formula requires no mixing, eliminating pot-life concerns. With an amazing high-gloss result and resistance to black heel marks, scuffs, and abrasions, Aquaforce provides the performance characteristics of a 2-part finish with the convenience and ease of a 1-part product.

**#5843** 1, 5 gal ■ ready-to-use

## Dust Mop/Dust Cloth Treatment

Dust Mop/Dust Cloth Treatment is a ready-to-use formula used to pick up dust, lint and soil, reducing the wear and abrasion of floor finishes from sand and soil prolonging the floor finish life. The pleasant fragrance and ease of use makes Dust Mop/Dust Cloth Treatment appealing for the cleaning staff to use.

**#3013** 1, 5, 15, 30, 55, 330 gal ■ ready-to-use

**#3213** 1 qt ■ ready-to-use

**#6099** 20 oz ■ aerosol

## Strategic Cleaner

Strategic Cleaner is specifically formulated four-in-one product that cleans natural hardwood floors. The fragrance free, multi-faceted formulation cleans without residue buildup and gently diminishes dirt on hardwood floors. Strategic Cleaner is gentle enough not to dull finish, yet safely removes oily residue left behind from various treatments, activities and gym mats.
