

## Safety Zone® Cotton Polyester String Knit 2 Sided PVC Dotted Grip Gloves, Women's, 12 pr/bg

Designed for performance and versatility, these Safety Zone® Cotton Polyester String Knit Gloves with double-sided PVC dotted grip are the preferred choice for light-duty applications that demand comfort and control. The soft cotton/poly glove body is breathable for all-day wear. PVC dots on the palm boost grip when lifting, sorting, or packing items. This is an ideal glove for warehouse workers, production lines, and general maintenance crews, as they help reduce slippage, gain confidence, and minimize hand fatigue during repetitive tasks. Our cost-effective PVC Dotted Grip Gloves are good for indoor and outdoor use. Hospeco Brands designs thoughtful, dependable hand protection products that support safety, performance, and everyday value in professional environments.

### Key Features

- Perfect for warehouse workers handling boxes
- Soft, breathable knit provides a snug, flexible fit while promoting airflow during long shifts
- Ideal for general maintenance, packaging, warehouse work, food processing, and light-duty tasks requiring a reliable grip
- Designed for a natural fit, reducing fatigue and enhancing control during repetitive motion tasks
- Durable construction supports multiple wears and washes, making it a cost-effective option for high-volume operations
