

## Safety Zone® Nitrile Exam Gloves, Powder-Free, 10x100, Blue, 4 mil - Small

### Key Features

- Nitrile Gloves are the perfect compromise between latex and vinyl
- Nitrile is made from an allergy safe compound that feels a lot like latex but it's much stronger and is more comfortable to wear
- Nitrile is perfect for demanding applications, especially cleaning and dishwashing
- Manufactured to examination-grade standards and tested to ASTM D6319 for use in medical, dental, and veterinary applications.
- Not available for sale in Canada
