

# **SHOWA 772**

The highly durable SHOWA 772 glove offers extended hazard protection for the entire arm. A fully-coated, impermeable nitrile sleeve and extra nitrile palm coating protect against oils, abrasion, and chemicals. An elasticated border keeps the 772 in place, and its antibacterial and anti-odor properties are ideal for extended wear. Rough surface grip and flexibility combine to ensure optimum dexterity and precision.

#### **BENEFITS**

- Hydrocarbon-resistant
- Impermeable
- · Full-arm protection
- Chemical-resistant
- Water-resistant
- Oil-resistant
- Robust grip
- Abrasion-resistant
- Increased Tactility
- Flexible

# **FEATURES**

- Ergonomic
- Fully-coated nitrile
- Rough grip
- Double coated Nitrile on hand
- Antibacterial
- Anti-odor
