

Safety Zone® PolyLite® Lab Coat w/ Snap Front, No Pockets and Elastic Wrists, White, 30/cs - Large

These Safety Zone® PolyLite® Lab Coats offer lightweight disposable protection designed for professionals working in controlled or hygienic environments. Constructed from cool, breathable polypropylene, this lab coat helps protect clothing from dust, dirt, and light contaminants while remaining comfortable for extended wear. The long-sleeve design provides additional coverage and protection, and the fit allows it to be easily worn over regular clothing or uniforms. The white color supports visual compliance and a clean, professional appearance. Ideal for use in laboratories, hospitals, clinics, food processing facilities, maintenance operations, and painting applications, this disposable lab coat delivers practical protection and convenience in demanding workplaces.

Key Features

- Made of polypropylene
