Impact® Deluxe Heavy-Duty Sanitizing Bucket, 10 Quart, Red, 12/cs

Built for demanding cleaning environments, the Impact® Deluxe Heavy-Duty 10 Quart Sanitizing Bucket delivers reliable performance and versatility. Constructed from high-density polypropylene, this durable bucket is resistant to acids, alkalis, and cleaning chemicals, making it ideal for frequent use in commercial settings. Its molded spout allows for precise, mess-free pouring, while embossed graduations in both quarts and liters ensure accurate dilution and measurement. The red, color-coded design with "Sanitizer" imprint supports proper cleaning protocols and reduces cross-contamination. USDA-approved materials make it suitable for foodservice and healthcare applications, improving efficiency and safety across janitorial and maintenance operations.

SKU	5510RS
Brand	Impact®
Case LxWxH	35.5 x 13 x 12
Case Weight (lbs.)	16.4
Certification	USDA approved
Color	Red
Country of Origin	United States
Cube	3.2
HTS CODE	3926.90.10.00
Material	Polypropylene
