

Impact® Acme Threaded Socket Holder w/ Pads, Gray, 12/cs

The Impact® Acme Threaded Socket Holder with Pads delivers reliable performance for demanding cleaning applications. Engineered with a sturdy base and built-in teeth, it firmly grips standard 4.5" x 10" pads for consistent contact and effective results. The acme-threaded socket ensures compatibility with most handles, offering flexibility and ease of use. A swivel design enhances maneuverability, making it ideal for reaching tight spaces and detailed cleaning tasks. Included are a brown stripping pad for aggressive floor prep and a white polishing pad for finishing, making this tool a versatile solution for commercial, industrial, and facility maintenance professionals.

Key Features

- Built-in teeth on base accepts 4.5" x 10" cleaning pads
- Accepts any acme-threaded handle
- 1 brown stripping pad and 1 white polishing pad included
