

## Impact® Sharps Container, Red, 1 Quart, 1/ea - 100 ea/cs

This puncture-resistant container is designed for safe disposal of sharps such as needles, syringes, and scalpels. Its translucent body and lid allow easy monitoring of fill levels, while the integrated needle key enables secure needle removal when needed. The container locks for final disposal and includes built-in handles for convenient transport. Accommodates syringes up to 60cc. Meets or exceeds OSHA, NIOSH, CDC, JCAHO, and ASTM standards. Latex- and heavy-metal-free for added safety.

### Key Features

- Horizontal drop increases capacity, translucent red containers and lids help identify fill level
- Accommodates syringes up to 60 cc
- Latex and heavy-metal free for added safety
- Built-in needle key for safe removal of needles when necessary
- Meets or exceeds OSHA, NIOSH, CDC, and JCAHO standards
- Designed for use in patients rooms, physicians' offices, clinics, and other high traffic areas
- Lid design limits access to container contents; containers lock for disposal
