

Easy Paks®

Neutralizer Conditioner/Odor Counteractant

Neutralizes alkaline residue after stripping and cleaning, conditions floors for better sealing and a brighter finish, and also neutralizes urine odors on floors.

Features & Benefits

- Pre-measured packets make it easy to use
- Storage tub saves space and weighs less than 3 lbs
- Conditions floors for better sealing
- Neutralizes urine and other odors on hard floors, grout, and carpeting
- Helps eliminate dulling, discoloring, and hazing for a longer-lasting, brighter finish

Applications

- Safely and effectively neutralizes and removes alkaline residue left behind on floors from ice melt, sea spray on windows, floor strippers, and cleaners

Use instructions

- Where appropriate, remove stripping or cleaning solution.
- Add one packet to 3 U.S. gallons/11 L of warm or hot water and stir gently to form a uniform solution.
- Apply solution with mop, sponge or cloth.
- On floors to be sealed or finished, first pick up solution with mop or wet vac, then let air dry. For other applications, allow surface to air dry.

CONTAINS NO PHOSPHORUS

KEEP FROM FREEZING

Note: Do not remove packets before use. Do not handle packets with wet hands. Reseal container after removing packets. Store in a cool, dry place. Position wet-floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign materials. Promptly cleanup spills and foreign materials.
