CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

VALU SOFT

Fabric Softener

VALU SOFT works in a broad range of water temperatures from cold to warm water with great results. Gives superior softening and an outstanding finish to linens and is a break through in softener technology by treating fabrics with exceptional care at low cost. It can cut operational costs by reducing wrinkling and aiding in processing linens through dryers, ironers, and even high speed folders.

Specially blended fabric softener.

Lubricates fibers to reduce friction.

Special conditioners for fabric care.

Increases production.

Shortens extraction and dryer times.

Leaves fabric soft and fresh with a pleasant fragrance.
