

Health Gards® Absorbent Powder

Health Gards® Deodorizing Liquid Spill Absorbent Powder quickly absorbs and deodorizes all water-based spills. It will instantly absorb over 100 times its own weight. To deodorize and congeal liquid spills, vomit, urine, and other accidents, sprinkle Health Gards® powder over the problem area. In just seconds the spill becomes a manageable semi-solid that's easily swept away or scooped up for disposal.

Key Features

- Absorbs 100 times its weight
- Available in a convenient, easy-to-use shaker can
- Ideal for nuisance and body fluid cleanup in institutional and industrial locations
- Liquid spills are instantly transformed into semi solids while the associated malodor is neutralized
- Great for use in:
 - Schools & Daycares
 - Churches
 - Hospitals & Clinics
 - Amusement Parks
 - Public Transportation
