

Fresh-Sorb

Absorbent & Deodorizer

Fresh-Sorb is a granular absorbent that absorbs and deodorizes for easy cleanup of unpleasant messes.

Effective

Turns unpleasant messes into semi-solids for quick and easy clean up. Works great on vomit, urine, blood, and much more.

Eliminates odors

Locks odors away leaving behind a fresh clean scent.

Non-abrasive

Lightweight cellulose-based granules won't scratch hard surfaces or damage soft surfaces, including carpet fibers.

Eco-friendly

The biodegradable formula is environmentally friendly and safe for use with vacuum cleansers.

Sprinkle over mess

Wait 5-10 minutes

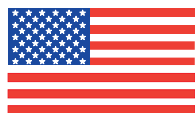

Sweep or vacuum away!

Packaging

12 cans/inner,
4 inners/master,
5 gal pale,
55 gallon drum

Made in U.S.A.

Meets the "Purchase of Sustainable Cleaning Products and Materials" criteria under the LEED point management system.
