Thinking
That Is
Raising the
Standard

At American Standard, we are constantly thinking about our customers, how they live and how our products can improve the way they live every day. Every design, every component, every innovation has a purpose behind it. They come together to create products that work seamlessly and enhance people's lives in the kitchen and the bathroom. Solving problems and improving lives, with beauty and performance that lasts.

A photograph of a white toilet in a modern bathroom. The wall behind the toilet is covered in dark wood-grain panels. On top of the toilet tank sits a yellow and white ceramic vase with a small green plant. To the right, a roll of white toilet paper is mounted on a silver holder. The floor is dark wood. A yellow rectangular frame is overlaid on the left side of the image, containing the text.

Townsend® Collection

Give any bathroom a city edge with the Townsend Collection. Inspired by the Manhattan Bridge, classic wood joinery and hand-forged nails, this urban-vintage look provides the bathroom with a coordinated design that stands the test of time and the rigor of everyday use.

Townsend Freestanding Soaking Tub

2691004

With its statuesque form and tapered design lines, this three-sided tub can be installed against a wall for space-conscious designing or freestanding for open-space designs. This freestanding tub design accommodates a floor, deck or wall-mounted tub filler. The Overflow Cover and Drain Kit (1582000) must be specified with this product.

Making Maximal Use of Minimal Spaces

We Put More Thought into It, So You Get More Out of It

Each American Standard product is designed to be easy to use and easy to install, providing you with years of worry-free performance and lasting beauty. Here are just a few of the ways we make that happen.

TOILETS

VORMAX®

Two powerful jets of water eliminate everything in their path, scrubbing the bowl clean from top to bottom. Tested and proven to clean over 2X better than other toilets.

10-YEAR LIMITED WARRANTY

Our products are designed to provide years of worry-free use. But in case it's in need of a replacement or repair, this American Standard toilet comes with a 10-year warranty.

ADA

Meets Americans with Disabilities Act and ANSI A117.1 requirements.

EPA WATERSENSE CERTIFIED

WaterSense certified products help to reduce water consumption and monthly utility costs. Best of all, they help protect our world's vital resources for future generations.

CALGREEN

This American Standard product meets the California Green Building Standard Code for sustainable building practices.

KITCHEN SINKS

SOUNDSECURE+™

Rubber sound pads on both the bottom and sides of sink to reduce excess sound and vibration.

STONELOCK™

Multi-layer spray insulation covering the underside of sink for sound absorption and protection against unwanted condensation.

LIMITED LIFETIME WARRANTY

The only thing more reliable than our sinks is our word. We back our stainless steel sinks with an equally durable Limited Lifetime Warranty, plus a 1-year Warranty on all accessories.

SPALET® SEATS

DUAL NOZZLES

SpaLet Seats feature two separate nozzles that provide independent front and rear cleansing, plus five convenient position adjustments. You'll discover refreshing comfort and a feeling of clean like never before.

HEATED SEAT

Choose from five temperature settings, allowing everyone in the household to find their perfect comfort levels.

MASSAGE

The gentle, pulsating water massage helps achieve a better, more thorough clean.

SELF-CLEANING NOZZLE

Nozzles that clean themselves before and after every use provide a confident cleansing experience.

SPRAY STRENGTH

Adjust the water pressure to create a custom cleansing experience.

BATHROOM SINKS, FURNITURE, TUBS & SHOWER BASES

RIGHT HEIGHT®

Ergonomically designed sinks that eliminate undue stress and strain and provide added comfort when used.

ADA

Meets Americans with Disabilities Act and ANSI A117.1 requirements.

LIMITED LIFETIME WARRANTY

Our products are designed to live longer in one place than you do. But in case it's in need of a replacement or repair, American Standard products come with a limited lifetime warranty on finish and function.

FAUCETS, SHOWER SYSTEMS & ACCESSORIES

SPEED CONNECT®

Pre-assembled sink drains and quick-install features make installation faster and easier than ever before, even in tight spaces. The result is a watertight seal that prevents leaks and never needs adjusting. Water stays in the sink, where it's supposed to.

SMARTHERM®

SmarTherm Safety Shut-Off Technology automatically protects against scalding due to a spike in hot water temperature or an interruption in the cold-water supply. Housed neatly inside the faucet spout, SmarTherm Technology is ASSE 1070 Certified.

MEASUREFILL™

MeasureFill Technology delivers a set volume of water with 95% accuracy.

TOUCH TECHNOLOGY

Simply touch the faucet for hands-free and germ-free activation.

HANDS-FREE TECHNOLOGY

Intuitive functionality helps keep your hands free in the kitchen and bathroom—and your faucet germ free when your hands are messy. It's thoughtful technology that makes common tasks even easier.

RE-TRAX®

Exclusive Re-Trax Technology offers smooth operation and convenient spray head retraction, before, during and after tasks are complete.

LEAD-FREE

Through our innovative brass alloy formulation, all of our sink faucets are certified lead-free* while maintaining our quality, performance and unmatched style.

*As defined under applicable federal and state laws.

WATER-EFFICIENT PRODUCTS

Part of our complete line of toilets, faucets, showerheads and commercial water-saving products that never sacrifice performance.

ADA COMPLIANT

Meets Americans with Disabilities Act and ANSI A117.1 requirements.

SPECTRA+ TOUCH™

Effortlessly change the spray function with an easy touch of the showerhead's outer ring.

SPECTRA+ eTOUCH™

Easy-access waterproof remote switch that is mountable anywhere in the shower allows user to change shower function with a simple click.

EASY CLEAN SPRAY NOZZLES

Silicone aerator allows lime scale and other buildup on showerhead to be removed easily with a simple swipe.

AQUATOGGLE™

Smartly positioned lever allows users to easily switch between preferred functions while operating the spray head with a single hand.

DOCK-TITE™

Dock-Tite's magnetic docking system secures the spray head and provides easy operation of spray head. That means you don't have to worry about a faucet spray head that dangles or sits awkwardly.

DIVERTPADDLE™

Easy-to-reach position of diverter makes switching from hand shower to head and hand shower easier and more accessible.

LIMITED LIFETIME WARRANTY

Our products are designed to live longer in one place than you do. But in case they're in need of a replacement or repair, American Standard products come with a limited lifetime warranty on finish and function.

5-YEAR LIMITED WARRANTY

Our products are designed to provide years of worry-free performance. But in case you're in need of a replacement or repair, your American Standard product comes with a 5-year warranty.

EPA WATERSENSE CERTIFIED

WaterSense certified products help to reduce water consumption and monthly utility costs—without sacrificing performance. Best of all, they help protect our world's vital resources for future generations.

CALGreen CALGREEN

Meets the California Green Building Standard Code for sustainable building practices.

Functional Utility That's Beyond Standard
