## Product Overview & Guides

Scott Pro provides state of the art solutions to maximize productivity. Did you know that 98% of workers are affected by minor illnesses each year? Not only that, an estimated 80% of infectious illnesses are spread through hands and surfaces. You can help reduce the risk by using Scott Pro Moisturizing Foam Hand Sanitizer. It effectively kills up to 99.99% of germs on hands in 15 seconds, all without the use of water. The clear 62% ethyl alcohol formula dispenses in luxury foam and has a refreshing cucumber fragrance. The antimicrobial formula contains moisturizers and conditioners to hydrate the skin. In the bulk refill cassette format, this no rinse hand sanitizer is designed to fit in compatible Scott Pro dispensers. Make it convenient for your employees and guests to use hand sanitizer when they visit your business!

Six 1,000 ml cassettes per case

Scott Pro Moisturizing Foam Hand Sanitizer is an antimicrobial foam with 62% ethyl alcohol to help reduce the risk of spreading germs on hands

It kills up to 99.99% in 15 seconds of the most common bacteria

The refill cassette is designed to dispense small amounts of foam at a time, so your guests and employees get what they need

This no rinse formula contains moisturizers and conditioners to help hydrate the skin
