QUICK REFERENCE GUIDE > RS36W80LJ1 N

Integrated Refrigerator Freezer, 36", Ice

Series 7 | Integrated

Panel Ready | Left hinge

Choose a roomy refrigerator with ice maker. Fits flush with your custom cabinetry or with our stainless steel panels.

- ActiveSmart[™] technology helps keep food fresher for longer by constantly maintaining the ideal temperature
- Customize with your own kitchen cabinetry or purchase our stainless steel door panel accessory
- Spacious bottom freezer with full extension drawer, and Internal ice maker with boost for busy times
- · Can be fitted for a height of 80 or 84 inches

DIMENSIONS

Height	79 13/16"
Width	35 1/16"
Depth	23 3/4"

FEATURES & BENEFITS

ACTIVESMART™ FOODCARE

ActiveSmart™ Foodcare learns how you live. It's the technology that understands how you use your fridge and adjusts the temperature, airflow and humidity inside to help keep food fresher for longer.

CLEVER ENERGY

Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means your refrigerator uses the energy it needs without compromising on food care.

COMPLEMENTARY DESIGN

With their premium handle styling and stainless steel finish, our refrigerators are designed to match the rest of Fisher & Paykel's kitchen appliance family.

ICE MAKER

Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

EASY CLEANING

No more permanent dirty marks with our EZKleen feature for stainless steel refrigerators. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

SIMPLE STORAGE

This refrigerator is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our flexible shelving also gives you more storage options.

EASY INSTALLATION

Our integrated products are easy to install, whether you are renovating your kitchen or designing a new one. Our refrigerators are designed for minimal gaps with adjustable front and rear feet to allow for uneven floors alongside adjustable door panels that can be customized to match your kitchen.
