
BERTAZZONI PROFESSIONAL SERIES

48" 6 BURNER+GRIDDLE ELECTRIC DOUBLE OVEN SELF CLEAN RANGE PRO48 6G DFS X

Bertazzoni Professional Series ranges bring the authentic experience of Italian cooking to the heart of your home. They are available in stainless steel and six beautiful colors inspired by the wonderful produce of Emilia, the heartland of Bertazzoni. The Professional 48" double oven dual fuel range has a self-clean main oven with nine cooking modes and European convection, providing balanced air flow and even heat distribution for single and multi-level roasting and baking with no flavor crossover. The useful auxiliary oven has four cooking modes. The main oven includes telescopic glide shelves and quadruple-glass windows to minimize heat loss. The beautiful worktop is precision-molded off of one sheet of stainless steel. It is configured with six versatile gas burners in brass, including Bertazzoni's signature dual-ring power burner with independently controlled flames for high power to delicate simmer, and an electric griddle in stainless steel. The worktop is designed for high-efficiency in heat delivery without energy waste. Each burner is equipped with the thermocouple gas shut-off safety system for maximum safety. Complete your Bertazzoni range with any of the available ventilation and backsplash solution, as well as low profile trim, toekick and other beautiful accessories.

BRASS BURNER

Bertazzoni's exclusive power burners in brass have independently operated flame rings giving maximum flexibility of operation from delicate low simmer to full power.

TELESCOPIC GLIDE SHELVES

The telescopic oven rack provides more convenient oven access and easier handling of hot and heavy dishes.

Auxiliary oven functions	upper bake, traditional bake, bake, broil
Auxiliary oven volume	1.7 ft ³
Inner oven door	quadruple glass
Oven equipment	1 telescopic glide shelf, 1 baking tray, 2 heavy gauge wire shelves, 1 grill trivet for tray
Legs	height adjustable stainless steel wrapped legs

ACCESSORIES

Toe kick panel (TKS 48 X), flat island trim (IRF 48 X), side trim (ST 36 X)

MATCHING VENTILATION SOLUTIONS

Bertazzoni offers a variety of matching ventilation solutions for this range. Please check our website under the ventilation tab for a complete overview of all choices

TECHNICAL SPECIFICATIONS

Voltage, frequency	120/208 V - 120/240 V, 60Hz
Max Amp Usage, power rating	32 A - 6700 W, 37 A - 8500 W
Certification	CSA
Warranty	2 years parts and labor

INSTALLATION INSTRUCTIONS

Bertazzoni recommends to operate the appliance after it has been installed in a cabinet. The kitchen cabinets shall be made of materials capable of withstanding temperatures at least 117°F (65°C) above room temperature in order to avoid possible damage to the cabinets during oven usage. For further installation instructions refer to the installation manual.
