

Impact® Deluxe Professional Plastic Toilet Plunger, Dark Blue, 6/cs

Engineered for professional-grade performance, the Impact® Deluxe Professional Plastic Toilet Plunger is designed to handle tough clogs with ease in commercial and industrial environments. Its innovative bellows-style cup increases water pressure with each push, delivering more effective clearing power while requiring less effort. The 2.75" diameter opening creates strong suction and helps minimize splashing, promoting a cleaner and more hygienic user experience. Made from durable polyethylene, this plunger offers long-lasting reliability and resistance to wear. Ideal for removing water from traps and clearing backed-up toilets, it's a dependable solution for janitorial and facility maintenance professionals.

Key Features

- Virtually splash-proof
- 2.75" diameter bellow opening
- Use to remove water from trap
