The Essential Elements of Outdoor Living

Dynamic Cooling Technology™

Rapidly cools and delivers the industry's best temperature stability

Energy-efficient appliances with precise temperature management

Certified for performance to withstand the elements

Tested to 115° F

Corrosion-resistant stainless steel exterior, sturdy pro-style handle and rugged toe kicks

Security locks standard on all refrigerators and dispensers

24" Marvel Outdoor Refrigerator with MaxStore™ Utility Bin and Door Storage

Model # MO24RAS2**

- Dynamic Cooling Technology™ rapidly cools and delivers the industry's most even temperature stability
- Marvel Prime™ controls for precise, frost-free temperature management between 34° and 42° F
- Audible alarms for door ajar and high/low temperature ensure your contents stay at optimal temperature
- Thermal-efficient insulated cabinet ensures optimum energy efficiency and cooling performance
- Fully-adjustable, cantilever FreshFlo™ stainless steel slide-out full width shelf

- Easy-access door storage accommodates tall bottles
- Door lock provides added security
- Efficient white LED lighting illuminates arctic white interior
- Close Door Assist System™ gently finishes closing the door
- Corrosion-resistant stainless steel exterior, sturdy pro-style handle and rugged 4" adjustable flat toe grill
- Height adjustment up to 1" with leveling legs
- 1-year warranty

Storage Capacity

Up to 146 12-oz cans
5.1 cu. ft.

Storage Configuration

- (1) Full-width slide-out and (1) half-width cantilevered, fully adjustable perforated stainless steel shelf
- (1) Fixed steel-framed glass shelf
- (1) MaxStore™ Utility Bin

Tall Bottle Door Storage

Product Dimensions

23 7/8" W x 33 3/4" minimum H x 26 7/32" D
(including handle)

When you choose **MARVEL**, you're choosing over 120 years of handcrafted quality and leading innovation in the luxury refrigeration business. You're choosing American products, and most importantly, you're choosing the best undercounter refrigeration technology available on the market.

Our **139 quality checks** and exacting standards are what drive the performance the industry has come to expect from Marvel. **Expert technicians** proudly build every Marvel model right here in our beautiful state of Michigan. And, our new design was fueled by insights given to us by real homeowners and leading designers that use the product to ensure we deliver the styling and functionality that you want for your home.

AGA MARVEL is committed to building a **quality product** in an **environmentally friendly** manner. Our processes are tightly controlled and closely monitored. We have achieved certifications in **ISO 9001** for quality assurance, **ISO 14001** for environmental management, and **OSHAS 18001** for occupational health and safety from Lloyd's Register Quality Assurance.

1890s

Ranney ice box production begins in Greenville, MI

1932

Marvel was founded when the company began making undercounter ice boxes

1952

Marvel introduces premium undercounter wine storage and beverage center

1965

Marvel's first foamed in place refrigerator is developed

1991

Introduces the first stainless steel interior and glass door built-in refrigerator for residential use

2001

Marvel introduces first black interior for wine cellars and beverage centers

2002

We invent the world's largest capacity unit, the 72" wide built-in refrigerator freezer.

2014

AGA MARVEL unveils the industry's leading line of ENERGY STAR® rated undercounter products

AGA MARVEL

World. Class. Living.

AGA

With a rich, professional and catering heritage, AGA cast iron ranges have a cooking solution for even the most discriminating home chef. Whether it's the new sleek and slim AGA City 24, the versatile energy efficient gas AGA Dual Control or the iconic AGA Total Control, there's an AGA for every home kitchen to suite your lifestyle.

MARVEL

MARVEL is the premium wine and food preservation leader. Choose from counter depth and custom built-in refrigerators, an amazing collection of wine storage units, and both indoor and outdoor undercounter refrigerators, ice machines, and beer dispensers. All share the MARVEL commitment to superior fit and finish and long-lasting performance.

Heartland

The Heartland Classic gas, electric and dual fuel ranges, refrigerators, dishwashers and wood cookstoves are based on the legendary Oval wood cookstove first built in 1925. Heartland's nostalgic beauty, craftsmanship, attention to detail and modern performance features deliver a truly unique kitchen experience.

La Cornue

The choice of culinary artists the world over, La Cornue's famous ranges and vaulted ovens, rotisseries, and cabinetry are found in only the finest kitchens. The Chateau Series, hand-made to order in La Cornue's atelier just outside Paris, is available in over 8,000 configurations. The CornuFé and the new 1908 are designed for the La Cornue enthusiast with a more modest budget.
