PROTECT YOUR FAMILY<sup>®</sup>

## PRODUCT DESCRIPTION

Hardwired Alarm with 10 Year Tamper Proof Permanent Power Sealed Battery Back-up  
2-in-1 Alarm Protects Against Smoke + Fire with Universal Smoke Sensing Technology<sup>®</sup>  
Combines the benefits of both Photoelectric & Ionization technology in one alarm

## LONG PRODUCT DESCRIPTION

- Tamper proof design provides a higher level of security to prevent battery removal
- Gives a decade of peace of mind
- NEW Smart Alarm Technology
- Hardwired Alarm with 10 Year Permanent Power Sealed Battery Back-up
- Maintenance Free Battery Back-up Power—No batteries to replace for the life of the alarm
- Saves money—Never replace batteries for 10 years, saving up to \$38.00 over the life of the alarm
- Eliminates annoying low battery chirps
- 10 year sealed batteries provide continuous protection—even in the event of a power outage
- 2-in-1 alarm protects against both fast flaming and slow smoldering fires
- Smart Alarm Technology virtually eliminates nuisance alarms. Ideal for installation in EVERY room
- Deactivation key switches alarm off and makes batteries and alarm safe for disposal (once alarm reaches the 10 year product end of service life)
- Lock-out feature prevents deactivated alarm from being reinstalled
- Choose this alarm if you are looking for an alarm with superior nuisance alarm resistance
- 10 year product end-of-service life warning sounds when it is time to replace alarm
- This alarm is suitable for installation in houses, apartments, dormitory, hotels, & manufactured housing
- For maximum protection, install an alarm inside every bedroom, outside every sleeping area and on every level of the dwelling
- Meets new laws & legislation. CSFM approved and ETL listed to Standard UL 217 standards
- ECO Friendly—Reduces environmental waste & eliminates disposal of up to **twenty** 9 volt batteries
- Automatic temperature and humidity compensation continuously adjusts to variations in environmental conditions, reducing nuisance alarms
- For added security, tamper-resistant locking feature prevents unwanted alarm removal
- Perfect option for replacement or retrofitting applications involving existing USI or Universal brand alarms
- The larger mounting base covers drywall imperfections and old paint marks
- Permanent Power Alarm features the revolutionary Duracell<sup>®</sup> Duralock alkaline batteries
- Alkaline batteries are generally safer, and do not require special hazmat handling lithium batteries require
- 10 year limited warranty on both battery and alarm
