Clorox® Disinfecting Bio Stain & Odor Remover

PRODUCT SOLUTIONS

Accidents involving human soils such as **blood, feces and vomit can happen** every day in your facility. **These soils** can leave behind tough stains and odors. But did you know that they may also contain germs that can **spread illness throughout your facility** if they are not **properly** cleaned, disinfected and sanitized?

Almost 50% of Professional Cleaners experience spills of **blood or feces every day.**¹

100 Billion – approximate viral particles of **norovirus per gram of feces.**²

Norovirus is extremely contagious, it is estimated to take as few as **18 viral particles to get you sick.**³

In the U.S., approximately **240,000** new cases of bloodborne **Hepatitis B** infections occur every year.⁴

\$650,000 cost to a major hospital due to a norovirus outbreak.⁵

Introducing Clorox Commercial Solutions® Clorox® Disinfecting Bio Stain & Odor Remover

Now clean, disinfect and deodorize bio soils in one step!

✓ **Cleans and eliminates common everyday bio soils on hard and soft surfaces:**

- Blood
- Vomit
- Urine
- Feces
- Sweat
- Body Oils

✓ **EPA-registered to kill 19 pathogens found in bio soils in as little as 30 seconds.***

- Norovirus
- Hep B & Hep C
- HIV-1
- Herpes
- *E. coli*
- MRSA
- *Salmonella*
- Strep & more!

✓ **Kills 99.9% of bacteria on soft surfaces.**

✓ **Broad surface compatibility:** Safe for use on common surfaces in your facility including upholstery, carpet, tile, grout, toilets and more!

✓ **Odor remover:** Eliminates the toughest odors from bodily fluids and soils, leaving behind a refreshing scent.

✓ **Compliant with OSHA's Bloodborne Pathogens standard.**

Kills microorganisms in as fast as 30 seconds*

30 seconds

The Visual Proof

Stain remover: Strong cleaning performance on soft surfaces.

Fresh Blood
(tested on 100% cotton)

Before After 2 treatments

✓ Removes fresh stains

Dried Blood
(tested on 100% polyester)

Before After 2 treatments

✓ Removes dried-on stains

Ideal for Use in Hospitality, Educational and Healthcare Settings

The Science of Clean

With the oxidizing power of hydrogen peroxide and the stain-lifting power of surfactants, the unique formula is specially formulated to clean, disinfect and remove odors in one easy step.

The formula breaks down bio soils at a molecular level and destroys the cell structure of odor-causing bacteria, so the bad odors don't come back.

Use Clorox® Disinfecting Bio Stain & Odor Remover Across Multiple Surfaces

✓ Soft Surfaces

Fabrics
Upholstery
Mattress Surfaces†
Curtains
Carpets‡
