Installation Instructions

HET ONE PIECE TOILET

Tools Needed

A. Screwdriver
B. Wrench
C. Tape Measure
D. Level
E. Drill
F. Flange
G. Wax Seal
H. Marker
I. Flexible Supply Line

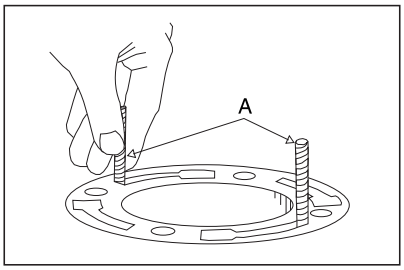

Remove Old Toilet

a. Close toilet supply valve and flush tank completely. Towel or sponge remaining water from tank and bowl.
b. Disconnect and remove supply line
NOTE: If replacing valve, first shut off main water supply!
c. Remove old mounting hardware, remove toilet and plug floor waste opening to prevent escaping sewer gases.

Installation Procedures

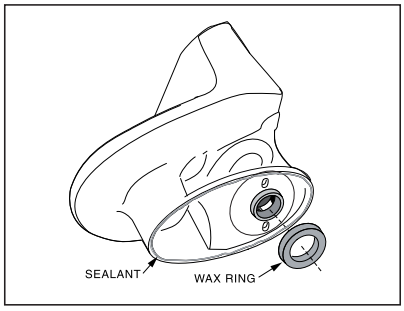

1. Install Closet Flange Bolts

Install closet flange bolts in to the flange channel turning the head of the bolt 90°
and slide in to place, they will be spaced 6" (152mm) apart and parallel to the wall.

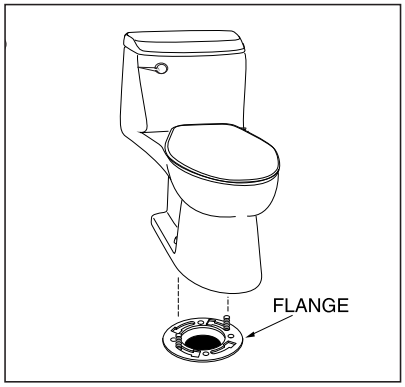

2. Install Wax Ring Seal

Lay toilet on to its side (use cardboard to cushion the ceramic and prevent damage). Install the wax ring evenly around the waste flange horn. Place a bead of sealant on bottom of toilet foot.

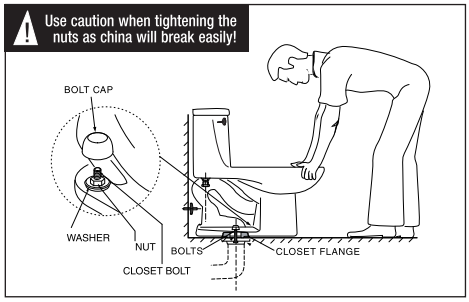

3. Position Toilet on the Flange

Unplug floor waste opening and install the toilet on to the closet flange aligning the flange bolts "A" through both mounting holes on the toilet foot. Loosely install the bolt cap retainer washer, brass washer and nut on to the flange bolts "A".

4. Install Toilet

Position the toilet so the tank will align evenly with the wall, use a rocking motion and press down firmly on the center of the bowl pressing it to the floor. Alternately tighten the flange nuts until the bowl is seated to the floor. Cut flange bolt above the nut and install the bolt caps. Remove and smooth excess sealant around foot.

5. Water Supply Connection

Connect the flexible supply line from the stop valve to the toilet fill valve. ***DO NOT USE SEALANTS ON SUPPLY FITTINGS!*** Hand tighten supply line, then open stop valve and ***CHECK CLOSELY FOR WATER LEAKS!***

Problem Solving

PROBLEM	CAUSE	SOLUTION
Fill valve can't fill	1. Fill switch is closed. 2. Drain guard gets stuck. 3. Float cup is crushed by tank wall.	1. Turn on fill switch. 2. Clean drain guard. 3. Adjust direction of fill valve.
Leakage	1. Fit incorrectly. 2. Flush valve does not fit flush valve body. 3. Flush valve body gets stuck. 4. Incorrect operation.	1. Fit again according to correct installation procedure. 2. Fit again. 3. Unpick and wash float body. 4. Refill tube should be higher than water level.
Can't flush or flush little	Steel wire is twisted or pulled too much.	Adjust flush valve body.
Half flush water level is too high or too low	Adust water level incorrectly.	Adjust water level.

1. WARRANTY:

Subject to the limitations expressed herein, Seller warrants to the original Buyer that parts of products manufactured by Seller ("Products)" shall be free from defects in material and workmanship during the original installation from the date of sale for the duration set forth in the below table ("Warranty Period"). This warranty is void for (a) improper storage, use or installation, (b) accident, damage, abuse or misuse, or (c) acts of God. This warranty does not apply to damage caused by (a) exposure to chemicals or minerals, (e) use of abrasive cleaners, or (f) use of in-tank cleaners.

PRODUCT PARTS	WARRANTY PERIOD
Vitreous China	Lifetime
Parts & Fittings: Tank Trim including fill valve, flush valve, flapper, trip lever and plumbing fittings	5 years
Toilet seat (if included with product)	1 year

2. REMEDIES:

If during the Warranty Period, Seller's inspection of Products confirms that any part is defective in materials or workmanship, Seller shall, at its option, repair, replace or refund the defective part. Seller makes NO ADDITIONAL ALLOWANCE FOR THE LABOR OR EXPENSE OF DE-INSTALLATION, RE-INSTALLATION OR TRANSPORTATION COST INCIDENTAL TO REPAIRING OR REPLACING THE DEFECTIVE PART OR DAMAGE RESULTING FROM SAME. SELLER HEREBY DISCLAIMS ALL OTHER EXPRESSED OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS OR FITNESS FOR A PARTICULAR PURPOSE AND COMPLIANCE WITH LOCAL BUILDING CODES. Seller may assist Buyer in selection decisions by providing information regarding Products. However, Buyer acknowledges that Buyer ultimately chooses the product's suitability for Buyer's use. Any recommendation made by Seller concerning the use, design, application or operation of the Products shall not be construed as representations or warranties, expressed or implied. Failure by Seller to make recommendations or give advice to Buyer shall not impose any liability upon Seller.

3. BUYER RESPONSIBILITIES:

Buyer must provide proof of purchase - **save sales receipt**. Buyer must make claim within the Warranty Period outlined above.

4. LIMITATION OF LIABILITY:

The warranty provided above is strictly limited to its terms and is in lieu of all other warranties expressed, implied and statutory. Buyer expressly agrees that the sole and exclusive remedy for breach of warranty shall be the remedies set forth above. BUYER FURTHER SPECIFICALLY UNDERSTANDS AND AGREES THAT, SELLER DISCLAIMS AND WILL HAVE NO LIABILITY FOR INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES ATTRIBUTED TO THE PRODUCT DEFECT OR THE REPAIR OR EXCHANGE OF DEFECTIVE PRODUCT. UNDER NO CIRCUMSTANCES WILL SELLER BE LIABLE FOR LOSS OF ANTICIPATED PROFITS.

Note: This warranty gives you specific rights. Some states provide additional rights that vary from state to state or province to province. This warranty does not affect such statutory rights.
