Victaulic[®] FireLock[™] Zone Control Riser Module Series 747M

1.0 PRODUCT DESCRIPTION

Available Sizes:

• 1¹/₄ - 6"/DN32 - DN150

Pipe Material:

NOTE

Maximum Working Pressure:

Application:

1¼ - 6"/DN32 - DN150
Pipe Material:

Carbon steel, Schedule 10, Schedule 40

Note

For use with alternative materials please contact Victaulic.

Maximum Working Pressure:

Up to 365psi/2517kPa/25bar

Application:

Fire protection system control modules integrated test and drain valve, with customizable test orifice, flow switch and pressure gauge. and pressure gauge.

Optional Accessories:

• Pressure Relief Kit - UL Listed and FM Approved for working pressures up to 174psi/1200kPa/12bar.

CERTIFICATION/LISTINGS 2.0

ALWAYS REFER TO ANY NOTIFICATIONS AT THE END OF THIS DOCUMENT REGARDING PRODUCT INSTALLATION, MAINTENANCE OR SUPPORT.

User Responsibility for Product Selection and Suitability

Each user bears final responsibility for making a determination as to the suitability of Victaulic products for a particular end-use application, in accordance with industry standards and project specifications, and the applicable building codes and related regulations as well as Victaulic performance, maintenance, safety, and warning instructions. Nothing in this or any other document, nor any verbal recommendation, advice, or opinion from any Victaulic employee, shall be deemed to alter, vary, supersede, or waive any provision of Victaulic Company's standard conditions of sale, installation guide, or this disclaimer.

Intellectual Property Rights

No statement contained herein concerning a possible or suggested use of any material, product, service, or design is intended, or should be constructed, to grant any license under any patent or other intellectual property right of Victaulic or any of its subsidaries or affiliates covering such use or design, or as a recommendation for the use of such material, product, service, or design in the infringement of any patent or other intellectual property right. The terms "Patented" or "Patent Pending" refer to design or utility patents or patent applications for articles and/or methods of use in the United States and/or other countries.

Note

This product shall be manufactured by Victaulic or to Victaulic specifications. All products to be installed in accordance with current Victaulic installation/assembly instructions. Victaulic reserves the right to change product specifications, designs and standard equipment without notice and without incurring obligations.

Installation

Reference should always be made to the Victaulic installation handbook or installation instructions of the product you are installing. Handbooks are included with each shipment of Victaulic products, providing complete installation and assembly data, and are available in PDF format on our website at www.victaulic.com.

Warranty

Refer to the Warranty section of the current Price List or contact Victaulic for details. Trademarks

Victaulic and all other Victaulic marks are the trademarks or registered trademarks of Victaulic Company, and/or its affiliated entities, in the U.S. and/or other countries.
