

ATCO RUBBER PRODUCTS, INC.

PRODUCT FEATURES & BENEFITS

1105 Seam Welded Elbows:

- Seam welds add strength to the gores
- Seam welds eliminate meat hooks
- Easy to adjust

FasFit Airtite Take Offs:

- Feature airtight gasket on adhesive ring that eliminates air leakage and need for exact hole sizing
- Available in both flat and saddle types
- Can be used on both sheet metal and ductboard
- Require no joint taping
- Available in three styles: without damper, with damper, and with damper & scoop

1167B Round to Round Adjustable Take Offs:

- Feature a 7" to 6" airflow opening for ease of entry air into feeder run
- Adjustable gore allows use as side or top take off

1149CR Long Collar Take Offs:

- Include seat flange for easy installation
- Flange on tab end allows for slightly oversized holes

1112 Wye Branches:

- Feature angled free-flow body for highly efficient air movement

C114 Return Air Boots:

- Preassembled with built-in filter rack and access door
- Designed for fast and easy installation

End Boots, Elbow Boots & Straight Boots:

- Feature punch locked seams to minimize air leakage

ATCO RUBBER PRODUCTS, INC.

TERMS AND CONDITIONS OF SALE

PAYMENT TERMS

Atco's payment terms are 2% 30, Net 31 Days.

MINIMUM ORDER SIZE

Orders totaling less than \$250.00 will be subject to a \$50.00 service charge.

BROKEN CARTON FEE

There will be a \$2.00 "Broken Carton Charge" for metal products ordered in less than standard carton quantities.

FREIGHT

Orders totaling \$1,250.00 or 2,500 feet will be shipped Freight Prepaid and Allowed. Orders totaling less than \$1,250.00 may be shipped Freight Prepaid and Add, or Freight Collect. Customer Pick Up orders totaling \$1,250.00 will receive a 3% Pick Up Allowance.

COMBINED ORDER/DROP SHIPMENTS

Sheet metal and flex orders may be combined to achieve prepaid freight and discounts.

RETURN OF MERCHANDISE

Products will not be accepted for return without a Material Return Authorization Number (MRA). An MRA may be obtained by calling Atco's Corporate Office at 1-800-877-3828. Materials returned must meet the following criteria:

- Products must be current, standard product. Products that are obsolete or older than 1 year will not be accepted.
- Specially made products will not be accepted for return.
- Products must be in original condition, with all original packaging intact.

Customer is responsible for return freight to Atco's facility. Returned product may be subject to a 20% re-stocking charge.

DEFECTIVE PRODUCT

Products that are determined to have defects in materials and/or workmanship will be credited in full. An Atco Sales Representative must first inspect all defective products. Do not throw defective product away. For a variety of reasons, Atco might want the product returned.

ALL ORDERS ARE SUBJECT TO ACCEPTANCE BY ATCO RUBBER PRODUCTS, INC.

PRICES, TERMS AND SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE.

ATCO RUBBER PRODUCTS, INC.

SNAPLOCK PIPE RACK PROGRAM

How Our Rack Program Works

- You will be billed for each rack on the Purchase Order it comes with.
- When you are ready to return the racks, simply call Customer Service at 800-877-3828 to get a Material Return Authorization (MRA). Customer Service will let you know how to return the racks.
- When our plant receives the racks and determines everything is in good condition, they will issue a credit.

Rack Program Benefits

- Provides higher quality product
- Ensures faster deliveries
- Offers better storage solution at your facility
- Expedites material handling
- Breaks down easily, saving space between deliveries

1105 SEAM WELDED ELBOWS

NOTE: WE RECOMMEND OUR
RACK PROGRAM TO ENSURE
A HIGHER QUALITY SHIPMENT
WITH LESS DAMAGE.
SEE PAGE 23.

* Made to order item; available in any quantity.

CROSS-BROKE DUCT

ATCO RUBBER PRODUCTS, INC.

CROSS-BROKE DUCT RACK PROGRAM

How Our Rack Program Works

- You will be billed for each rack on the Purchase Order it comes with.
- When you are ready to return the racks, simply call Customer Service at 800-877-3828 to get a Material Return Authorization (MRA). Customer Service will let you know how to return the racks.
- When our plant receives the racks and determines everything is in good condition, they will issue a credit.

Rack Program Benefits

- Provides higher quality product
- Ensures faster deliveries
- Offers better storage solution at your facility
- Expedites material handling
- Breaks down easily, saving space between deliveries

OVAL PIPE RACK PROGRAM

How Our Rack Program Works

- You will be billed for each rack on the Purchase Order it comes with.
- When you are ready to return the racks, simply call Customer Service at 800-877-3828 to get a Material Return Authorization (MRA). Customer Service will let you know how to return the racks.
- When our plant receives the racks and determines everything is in good condition, they will issue a credit.

Rack Program Benefits

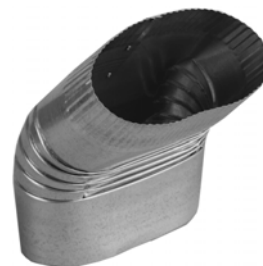

- Provides higher quality product
- Ensures faster deliveries
- Offers better storage solution at your facility
- Expedites material handling
- Breaks down easily, saving space between deliveries

ATCO RUBBER PRODUCTS, INC.

UPC 30 SERIES

Double Polyester Core with Tri-Directional Reinforced Metalized Polyester Jacket

Description: Atco # 030, 036, and 031 are UL 181, Class 1 Air Ducts and are manufactured with a tri-directional fiberglass scrim reinforced, metalized polyester outer jacket. The inner core is air-tight double polyester and designed for low-to-medium operating pressures in HVAC systems. Atco # 036 and 031 have increased insulation for superior thermal performance.

Available Sizes: 4", 5", 6", 7", 8", 9", 10", 12", 14", 16", 18" and 20"

Carton Quantity: 25 Ft.

UPC 70 SERIES

Double Polyester Core with Tri-Directional Reinforced Grey Polyester Jacket

Description: Atco # 070, 076, and 078 are UL 181, Class 1 Air Ducts and are manufactured with a tri-directional fiberglass scrim reinforced, grey polyester outer jacket. The inner core is air-tight double polyester and designed for low-to-medium operating pressures in HVAC systems. Atco # 076 and 078 have increased insulation for superior thermal performance.

Available Sizes: 4", 5", 6", 7", 8", 9", 10", 12", 14", 16", 18" and 20"

Carton Quantity: 25 Ft.

UPC 80 SERIES

Double Polyester Core with Durable Black Polyethylene Jacket

Description: Atco # 080, 086, and 088 are UL 181, Class 1 Air Ducts and are manufactured with a durable black polyethylene outer jacket. The inner core is air-tight double polyester and designed for low-to-medium operating pressures in HVAC systems. Atco # 086 and 088 have increased insulation for superior thermal performance.

Available Sizes: 4", 5", 6", 7", 8", 9", 10", 12", 14", 16", 18" and 20"

Carton Quantity: 25 Ft.

UPC 50 SERIES

Uninsulated UL Class 1 Air Connector

Description: Atco # 050 is a UL 181 Class 1 Air Connector, which meets the requirements of NFPA (90A & 90B). It is laminated with a tough triple ply of metalized polyester, aluminum foil, and polyester. It comes in 25' lengths and is easily cut to length. It is air tight and designed for low-to-medium operating pressures in HVAC systems.

Available Sizes: 4", 5", 6", 7", 8", 9", 10", 12", 14", 16", 18" and 20"

Carton Quantity: 25 Ft.

UPC SERIES #010 / 011

Reinforced Sleeve for Insulating Pipe

010

011

Description: Atco's **010** insulation sleeve is constructed of a thick fiberglass insulation blanket sheathed in a tri-directionally scrim reinforced metalized polyester vapor barrier jacket. Atco's **011** insulation is constructed of a thick fiberglass insulation blanket sheathed in a tri-directionally scrim reinforced grey polyester vapor barrier jacket.
