

## RYLE PRESSURE BALANCE DIVERTER VALVE

### INSTALLATION INSTRUCTIONS

Before you begin, read the installation instructions below. Observe all local building and safety codes.

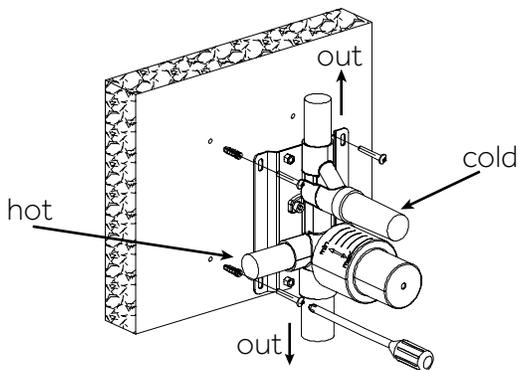

Unpack and inspect the product for any shipping damages. If you find damages, do not install. Contact Customer Service at 1.866.855.2284. If you need assistance or have questions while installing your diverter valve, contact Customer Service.

We recommend consulting a professional if you are unfamiliar with installing bathroom fixtures, and plumbing. Signature Hardware accepts no liability for any damage to the plumbing or wall, or for personal injury during installation.

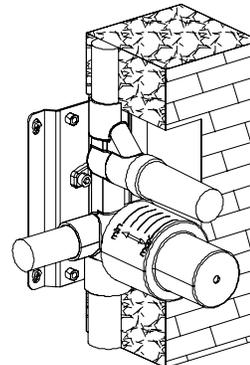

### TOOLS AND MATERIALS:

Screwdriver

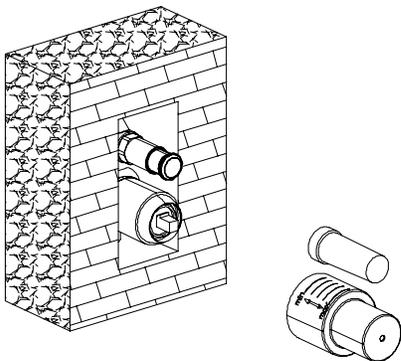

### INSTALLATION

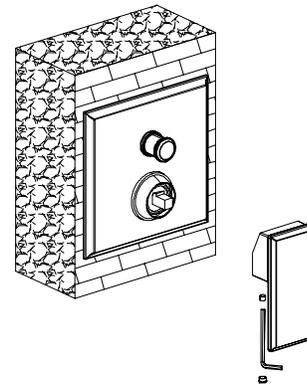

1. Install the valve body. Wrap the threaded portion of the joints in Teflon tape and connect the water inlet and outlet.

2. Put the protective covers on the valve body and finish the shower wall.

3. When the finished wall is complete, remove the protective covers.

4. Install the escutcheon, and handle. Tighten the set screw with an Allen wrench to secure.
