R Series

R SERIES: Traditional RLM styles for commercial and residential applications. Stem hung shades are UL wet listed and mounting components are sold separately. Cord hung shades are UL damp listed and packaged with all required hanging materials.

R SERIES Construction:

Materials: Cold rolled steel, die cast zinc.

Finishes: Architectural Bronze, Satin Black, Satin Green, Satin Red, Copper and White are electrostatically sprayed and oven baked with UV stabilized paint appropriate for indoor/outdoor use. All shades, excluding Copper and Galvanized, incorporate white liners for increased light reflectivity. Matching colors are available in spray can form from various paint retailers. Galvanized is zinc plated steel with a clear protective overcoat.

UL: All R Series units excluding cord hung styles are UL listed for wet locations. Cord hung styles are UL listed for damp locations.

Unique stem hung design does not require pipe sealant compound on fittings.

Unique positive lock feature secures proper angle on Angle and Emblem style wall shades.

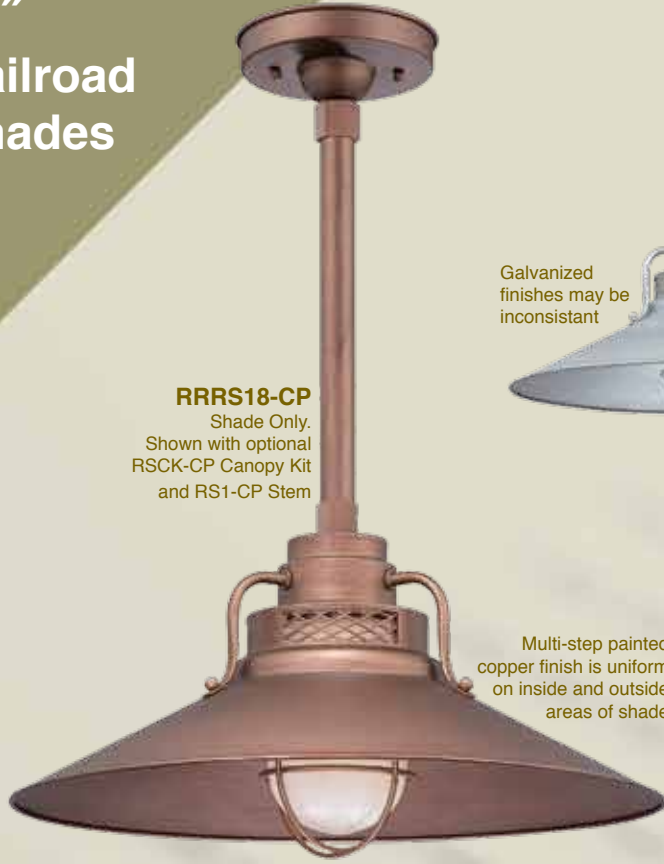

3/4" ID rigid conduit or water pipe may be substituted for stems or goose necks.

All R Series and Neo Industrial fixtures are compatible with integrated CFL's.

R Series

18" Railroad Shades

UL LISTED FOR WET LOCATIONS

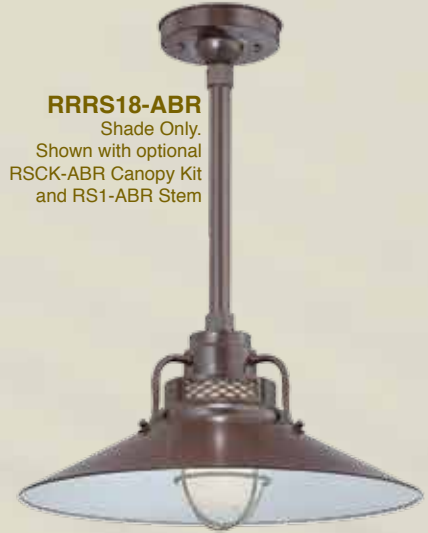

RRRS18-CP
Shade Only.
Shown with optional
RSCK-CP Canopy Kit
and RS1-CP Stem

Galvanized finishes may be inconsistent

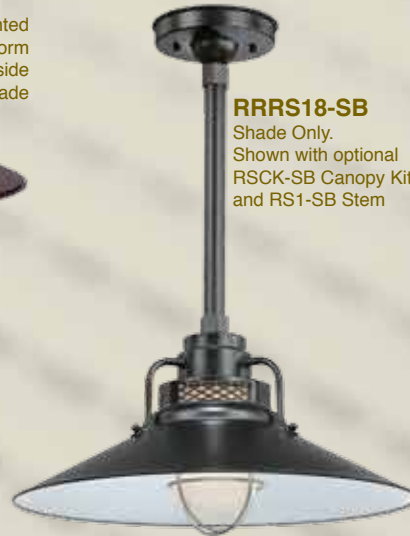

Multi-step painted copper finish is uniform on inside and outside areas of shade

RRRS18-GA
Shade Only.
Shown with optional
RSCK-GA Canopy Kit
and RS1-GA Stem

RRRS18-ABR
Shade Only.
Shown with optional
RSCK-ABR Canopy Kit
and RS1-ABR Stem

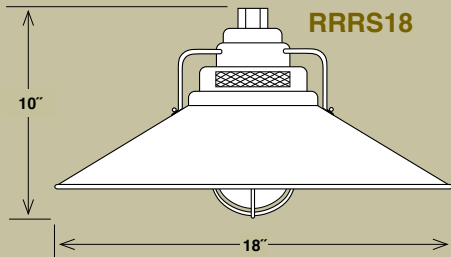

RRRS18-SB
Shade Only.
Shown with optional
RSCK-SB Canopy Kit
and RS1-SB Stem

EASY TO ORDER:

1. Choose a Shade
2. Choose a Goose Neck for Wall Mount **OR** Choose a Stem & Canopy Kit for Ceiling Mount

Railroad Shades

Neo Industrial

NEO

INDUSTRIAL:

Industrial styles updated in popular finishes for residential and commercial applications. All Neo Industrial fixtures are UL damp listed and are packaged with all required hanging parts.

Neo Industrial

Crosscut Glass Series

5341 RBZ
Wall Sconce

5343 RBZ

All Neo Industrial style hanging fixtures are stem hung and supplied with the following three sections: 18", 12" and 6". Additional stems are available in 12" lengths.

Stem hung fixtures may be semi-flush mounted by removing all stems.

The ball mount hanging system will swivel up to 60 degrees.

Suitable for damp locations.

Compatible with integrated CFL's.
